JOURNAL OF THE HOUSE

VETO SESSION

Second Regular Session, 99th GENERAL ASSEMBLY

WEDNESDAY, SEPTEMBER 12, 2018

Speaker Richardson in the Chair.

Prayer by Pastor Gregory Kirk, United Gospel Rescue Mission, Poplar Bluff.

Oh Lord our God of ages past, we thank You for the wonderful blessings You have bestowed upon us. You have brought rain to grow our crops. You provided sunshine to help dry the ground and allow those crops to flourish. We thank You for that this day. We also want to remember all of those who were taken from us on September 11th, and we still pray for comfort for their families.

Oh Lord, we know that You are the provider of all wisdom, and we ask that You will infuse these men and women of our Missouri House with Your wisdom as they seek to find answers for all Missourians. These men and women have given of their time and talents, sometimes causing hardship to themselves, to serve others. May their efforts be blessed as they seek to help Missourians everywhere.

Finally, we want to ask You to continue to show each of us ways to help the unfortunate and the poor who surround us. The Scriptures say, "Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy strength, and with all thy mind; and thy neighbor as thyself." May we continue to show love to each other through our actions.

I ask all these things in the name of Your son. May God continue to bless the Great State of Missouri and the United States of America.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

Herewith I return to you **Senate Substitute for Senate Committee Substitute for House Bill No. 2562** entitled:

AN ACT

To repeal sections 67.398, 67.410, 82.1025, 82.1027, 82.1028, 84.510, 208.151, 217.703, 452.430, 476.521, 478.001, 478.003, 478.004, 478.005, 478.006, 478.007, 478.008, 478.009, 478.466, 478.550, 478.551, 478.600, 478.716, 479.020, 479.190, 479.353, 479.360, 483.075, 488.2230, 488.2250, 488.5358, 514.040, 516.105, 537.100, 559.600, and 577.001, RSMo, and to enact in lieu thereof thirty six new sections relating to courts, with existing penalty provisions.

I disapprove of Senate Substitute for Senate Committee Substitute for House Bill No. 2562. My reasons for disapproval are as follows:

Section 82.462 of the bill authorizes certain individuals to enter property they do not own if they suspect it is abandoned in order to secure the property, remove trash, landscape, or remove graffiti. Such individuals are not required to give actual or constructive notice to the property owner. This could result in an individual performing improvements in good faith on another's property, but without their knowledge or permission. If the property owner was to arrive on the scene, it could lead to an unsafe situation. I understand the dilemma that many of our communities face with derelict and abandoned properties, but I want to ensure that any remedy we propose puts the safety of our citizens and the rights of property owners at the forefront.

Section 476.521 of the bill allows for any judicial candidate who filed in 2010, was elected, and became judge in 2011 to receive retirement benefits from a previous MOSERS Judicial Retirement Plan instead of the 2011 Judicial

Retirement Plan. The 2011 Judicial Retirement Plan is viewed by some as less favorable, since it requires new members to contribute 4% of their salaries to the plan and reduces other benefits. Based upon information provided by MOSERS, the narrowly tailored language of this section applies to only one individual in the entire state. Special laws such as this are unconstitutional. The Missouri Constitution, in Article III, Section 40, prohibits special laws that grant an “individual any special or exclusive right, privilege or immunity.”

Finally, the bill appears to violate the original purpose and single subject provisions of the Missouri Constitution. As introduced, House Bill No. 2562 solely related to treatment courts, which was reflected in its title. As truly agreed to and finally passed, Senate Substitute for Senate Committee Substitute for House Bill No. 2562 contains at least thirteen different subjects, many of which do not appear to relate to the final title of “courts.”

Article III, Section 21 of the Missouri Constitution prohibits any bill from being “so amended in its passage through either house as to change its original purpose.” Article III, Section 23 of the Missouri Constitution provides that “[n]o bill shall contain more than one subject which shall be clearly expressed in its title.” The courts have not held that this prevents a bill or its title from being amended throughout its passage. “The restriction is against the introduction of matter that is not germane to the object of the legislation or that is unrelated to its original subject.” *Stroh Brewery Co. v. State of Missouri*, 954 S.W.2d 323, 326 (Mo. banc 1997). Some provisions of House Bill No. 2562 do not appear to be germane or related to its original subject. For example, the provisions in this bill regarding abandoned property, nuisance abatement, and the salaries of police officers have nothing to do with treatment courts or courts in general. In *Hammerschmidt v. Boone County*, 877 S.W.2d 98, 102 (Mo. banc 1994), the court held that all of a bill’s provisions must “fairly relate to the same subject, have a natural connection therewith or are incidents or means to accomplish its purpose.”

It is unfortunate that the provisions of this bill relating to treatment courts will not move forward as a result of the aforementioned issues. Treatment courts serve a valuable purpose for both our judicial and corrections systems. I look forward to working with the legislature next session on improving and expanding treatment courts across our state, and hope to do so in an expedient fashion.

In accordance with the above stated reasons for disapproval, I am returning **Senate Substitute for Senate Committee Substitute for House Bill No. 2562** without my approval.

Respectfully submitted,

CONSTITUTIONAL OBJECTIONS

The following Representatives offered objections to **SS#2 SCS HB 1413**, which were appended to the bill.

May 29, 2018

Mr. Adam Crumbliss
Chief Clerk
Missouri House of Representatives
Missouri State Capitol
Jefferson City, MO 65101

Dear Mr. Crumbliss:

Pursuant to Article III, Section 30 of the Missouri Constitution, we do hereby object to the constitutionality of the truly agreed to and finally passed version of **Senate Substitute #2 for Senate Committee Substitute for House Bill 1413** on the following grounds:

- I. While the act purports to impose a host of new requirements upon public labor organizations, it specifically exempts from such requirements public safety labor organizations – defined broadly, as well as the Department of Corrections and all of its employees. The effect of these exemptions treats similarly situated employees different with no rational basis. Accordingly, this legislation violates equal protection guarantees under both the Fourteenth Amendment to the United States Constitution as well as Article I, Section Two of the Missouri Constitution;
- II. Requirements under Senate Substitute #2 for Senate Committee Substitute for House Bill 1413 stipulate various provisions that must be included in public labor organization collective bargaining agreements including prohibitions on public employees from picketing. This requirement impermissibly interferes with public employees right to petition their government as secured by the First Amendment to the United States Constitution as well as Article I, Section Nine of the Missouri Constitution;

III. Senate Substitute #2 for Senate Committee Substitute for House Bill 1413 dictates that a public employee's decision not to vote in public labor organization election is automatically deemed to be a negative vote regardless of the wishes of the public employee. This provision constitutes compelled speech, impermissible under the First Amendment to the U.S. Constitution as well as Article I, Section Eight of the Missouri Constitution;

IV. Senate Substitute #2 for Senate Committee Substitute for House Bill 1413 forces public employees who join public labor organizations and public labor organizations to expend resources to directly benefit public employees in the bargaining unit who choose not to join the public labor organization nor contribute financially to representation provided by public labor organizations. This scheme mandating representation and benefits be provided to non-members who refuse to provide financial contributions deprives public employees who are members of the labor organization and those labor organizations of property without due process in contravention of both the Fourteenth Amendment to the United States Constitution and Article I, Sections Ten and Twenty-Eight of the Missouri Constitution;

V. House Bill 1413 was amended through the legislative process such that the underlying section of the act was removed from the version which was truly agreed to by the General Assembly. The original section of the act, section 105.504, was removed from the act leaving the final product in violation of Article III, Section 21 of the Missouri Constitution providing that no bill shall be amended so as to change its original purpose. Removing the underlying section of the originally filed version violates this constitutional provision.

Therefore, as Senate Substitute #2 for Senate Committee Substitute for House Bill 1413 is constitutionally infirm for the above stated reasons the measure should not be signed by the governor.

Please note said objection in the House Journal and annex it to truly agreed to and finally passed version of Senate Substitute #2 for Senate Committee Substitute for House Bill 1413 to be considered by the governor in connection therewith as mandated by Article III, Section 30 of the Missouri Constitution.

Sincerely,

CONSTITUTIONAL OBJECTION – SCS HB 1250

Missouri’s Constitution states in Article III, section 23, “No bill shall contain more than one subject which shall be clearly expressed in its title....”

The subject matter of HB 1250 was changed from related to “fiduciary access to digital assets” during the amendment phase to “relating to trusts and estates.”

As such, it appears that SCS HB 1250 is in violation of the provisions authorized by the state Constitution.

CONSTITUTIONAL OBJECTION – SS SCS HB 1355

Missouri’s Constitution states in Article III, section 21, “... no bill shall be so amended in its passage through either house as to change its original purpose....”

HB 1355’s original purpose related to retired peace officers. The bill’s intent was changed during the amendment phase to “relating to public safety.”

As such, it appears that SS SCS HB 1355 is in violation of the provisions authorized by the state Constitution.

CONSTITUTIONAL OBJECTION – SS SCS HCS HB 1456

Missouri’s Constitution states in Article III, section 21, “... no bill shall be so amended in its passage through either house as to change its original purpose....”

The original purpose of HB 1456 related to “emergency communications.” The final version of the bill, SS SCS HCS HB 1456 the purpose was changed to “relating to communication services.”

As such, it appears that SS SCS HCS HB 1456 is in violation of the provisions authorized by the state Constitution.

CONSTITUTIONAL OBJECTION – SS #2 HB 1460

Missouri’s Constitution states in Article I, section 2, “... that all persons are created equal and are entitled to equal rights and opportunity under the law.” House Bill 1460 singles out a group of individuals for special treatment. And, in doing so, creates an unequal opportunity in violation of the Constitution.

In addition, the original purpose of HB 1460 was “relating to a tax deduction for certain Olympic athletes.” Missouri’s Constitution further states in Article III, section 23, “No bill shall contain more than one subject which shall be clearly expressed in its title....” As the bill was amended, the title was changed to “relating to state revenues” in order to include a gas tax referendum.

It appears to be clear that SS #2 HB 1460 is in violation of our state Constitution.

CONSTITUTIONAL OBJECTION – SS SCS HB 1832

Missouri's Constitution states in Article III, section 23, "No bill shall contain more than one subject which shall be clearly expressed in its title...."

The original purpose of HB 1832 was "relating to the credit user protection law." The bill's subject was amended to "relating to merchandising practices" to allow the inclusion of language which appears to change the subject of the bill.

As such, it appears that SS SCS HB 1832 is in violation of the provisions authorized by the state Constitution.

CONSTITUTIONAL OBJECTION – SS #2 SCS HB 1880

Missouri's Constitution states in Article III, section 21, "... no bill shall be so amended in its passage through either house as to change its original purpose...."

HB 1880 asserts in section 394.085, section 1, "The general assembly declares that expanding and accelerating access to high speed broadband communications services throughout the entire state of Missouri is necessary, desirable, in the best interests of the citizens of this state, and that it is a public purpose of great importance."

Further, in section 2, the bill states, "it is the intent of the general assembly to facilitate and to encourage rural electric cooperatives and their affiliates, either collectively or individually, to continue to enter into and establish voluntary contracts or other forms of joint or cooperative agreements...."

The language in House Bill 1880 was expanded specifying provisions if/when a property owner prevails against a rural electric cooperative or cooperative subsidiary in a law suit and the method compensation, if any, will be handled, and the bill further specifies that power conferred upon rural electric cooperatives shall be subject to a certain antitrust provision of law.

As such, it appears that SS #2 SCS HB 1880 is in violation of the provisions authorized by the state Constitution.

CONSTITUTIONAL OBJECTION – **SB 573**

Missouri’s Constitution states in Article III, section 23, “No bill shall contain more than one subject which shall be clearly expressed in its title....”

The original purpose of SB 573 was “relating to income tax deductions for military personnel.”

The bill’s subject was amended to include language, relating to the flying of MIA/POW flags, which clearly changes the subject of the bill.

As such, it appears that SB 573 is in violation of the provisions authorized by the state Constitution.

JOURNAL OF THE HOUSE

Second Regular Session, 99th GENERAL ASSEMBLY

SEVENTY-THIRD DAY, MONDAY, MAY 14, 2018

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Representative Ken Wilson.

Heavenly Father, we know of no better way to begin the work of this last week of session than by seeking Your guidance and Your counsel for our lives. We thank You for giving us access to You through prayer and for the delight You take in listening. We ask for forgiveness for the times that we only go through the motions with our prayer life. Give each of us a pure heart to believe and not doubt. Lord, we want to trust not only that You hear us but that You'll help us. We want to trust in Your greater purposes for the countless things that we do not know, see, or understand.

Father, we the members of this honorable body we come before You united in our prayers for Your blessing, Your guidance, and Your help, that we may faithfully do what is best for the people and what is right in Your sight. We pray that we the members will work together as a team for the welfare of all Your people.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the seventy-second day was approved as printed by the following vote:

Representative Ross declared the bill passed.

SB 757, as amended, with House Amendment No. 2, pending, relating to political subdivisions, was taken up by Representative Tate.

House Amendment No. 2 was withdrawn.

Representative Eggleston offered **House Amendment No. 3**.

House Amendment No. 3

AMEND Senate Bill No. 757, Page 5, Section 70.370, Line 128, by inserting immediately after all of said section and line the following:

"115.124. 1. Notwithstanding any other law to the contrary, in a nonpartisan election in any political subdivision or special district including municipal elections in any city, town, or village with ~~[one]~~ **two** thousand or fewer inhabitants that have adopted a proposal pursuant to subsection 3 of this section but excluding municipal elections in any city, town, or village with more than ~~[one]~~ **two** thousand inhabitants, if the notice provided for in subsection 5 of section 115.127 has been published in at least one newspaper of general circulation as defined in section 493.050 in the district, and ~~[if the number of candidates who have filed for a particular office is equal to the number of positions in that office to be filled by the election, no election shall be held for such office]~~ **if the number of candidates for each office in a particular political subdivision, special district, or municipality is equal to the number of positions for each office within the political subdivision, special district, or municipality to be filled by the election and no ballot measure is placed on the ballot such that a particular political subdivision will owe no proportional elections costs if an election is not held, no election shall be held,** and the candidates shall assume the responsibilities of their offices at the same time and in the same manner as if they had been elected. If no election is held for ~~[such office]~~ **a particular political subdivision, special district, or municipality** as provided in this section, the election authority shall publish a notice containing the names of the candidates that shall assume the responsibilities of office under this section. Such notice shall be published in at least one newspaper of general circulation as defined in section 493.050 in such political subdivision or district by the first of the month in which the election would have occurred, had it been contested. Notwithstanding any other provision of law to the contrary, if at any election the number of candidates filing for a particular office exceeds the number of positions to be filled at such election, the election authority shall hold the election as scheduled, even if a sufficient number of candidates withdraw from such contest for that office so that the number of candidates remaining after the filing deadline is equal to the number of positions to be filled.

2. The election authority or political subdivision responsible for the oversight of the filing of candidates in any nonpartisan election in any political subdivision or special district shall clearly designate where candidates shall form a line to effectuate such filings and determine the order of such filings; except that, in the case of candidates who file a declaration of candidacy with the election authority or political subdivision prior to 5:00 p.m. on the first day for filing, the election authority or political subdivision may determine by random drawing the order in which such candidates' names shall appear on the ballot. If a drawing is conducted pursuant to this subsection, it shall be conducted so that each candidate, or candidate's representative if the candidate filed under subsection 2 of section 115.355, may draw a number at random at the time of filing. If such drawing is conducted, the election authority or political subdivision shall record the number drawn with the candidate's declaration of candidacy. If such drawing is conducted, the names of candidates filing on the first day of filing for each office on each ballot shall be listed in ascending order of the numbers so drawn.

3. The governing body of any city, town, or village with ~~[one]~~ **two** thousand or fewer inhabitants may submit to the voters at any available election, a question to adopt the provisions of subsection 1 of this section for municipal elections. If a majority of the votes cast by the qualified voters voting thereon are in favor of the question, then the city, town, or village shall conduct nonpartisan municipal elections as provided in subsection 1 of this section for all nonpartisan elections remaining in the year in which the proposal was adopted and for the six calendar years immediately following such approval. At the end of such six-year period, each such city, town, or village shall be prohibited from conducting such elections in such a manner unless such a question is again adopted by the majority of qualified voters as provided in this subsection."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

"162.064. **1.** Each school district shall have on file a statement from a medical examiner which indicates that the driver is physically qualified to operate a school bus for the purpose of transporting pupils. Such statement

shall be made on an annual basis, **unless a statement is issued by a department of transportation certified medical examiner, in which case such examiner may issue a statement for up to a two-year duration, subject to rules promulgated by the department of transportation.** The term "medical examiner" includes, but is not limited to, doctors of medicine, doctors of osteopathy, physician assistants, advanced practice nurses, and doctors of chiropractic. For new drivers, such statement shall be on file prior to the driver's initial operation of a school bus. This section shall apply to drivers employed by the school district or under contract with the school district.

2. The director of the department of transportation may promulgate all necessary rules and regulations for the administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2018, shall be invalid and void.

302.272. 1. No person shall operate any school bus owned by or under contract with a public school or the state board of education unless such driver has qualified for a school bus endorsement under this section and complied with the pertinent rules and regulations of the department of revenue and any final rule issued by the secretary of the United States Department of Transportation or has a valid school bus endorsement on a valid commercial driver's license issued by another state. A school bus endorsement shall be issued to any applicant who meets the following qualifications:

(1) The applicant has a valid state license issued under this chapter;

(2) The applicant is at least twenty-one years of age; and

The examination shall include any examinations prescribed by the secretary of the United States Department of Transportation, and a driving test in the type of vehicle to be operated. The test shall be completed in the appropriate class of vehicle to be driven. For purposes of this section classes of school buses shall comply with the Commercial Motor Vehicle Safety Act of 1986 (Title XII of Pub. Law 99-570). For drivers who are at least seventy years of age, such examination, **excluding the pre-trip inspection portion of the commercial driver's license skills test**, shall be completed annually **to retain the school bus endorsement.**

2. The director of revenue, to the best of the director's knowledge, shall not issue or renew a school bus endorsement to any applicant whose driving record shows that such applicant's privilege to operate a motor vehicle has been suspended, revoked or disqualified or whose driving record shows a history of moving vehicle violations.

3. The director may adopt any rules and regulations necessary to carry out the provisions of this section. A judge shall issue the order to serve the civil investigative demand if the judge finds that probable cause exists that a violation of chapter 109 or this chapter has occurred. Once a judge has issued an order to serve a civil investigative demand, the demand issued under this section may seek any information and documents that could be obtained by means of a subpoena duces tecum issued by a court of this state. A civil investigative demand issued under this section may also require answers to written interrogatories that would be permitted by the Missouri supreme court rules.

2. A civil investigative demand issued under this section shall:

A civil investigative demand issued under this section shall only be quashed or modified on the same basis as a subpoena duces tecum issued by a court of this state.

5. If any person fails to comply with any portion of a civil investigative demand served under this section, the attorney general may file a petition for an order to enforce the civil investigative demand. The attorney general may file such petition in the circuit court of Cole County or in any circuit court where such person has his or her principal place of business or residence. The attorney general, or any attorney designated by him or her, may use the information, documentary material, or physical evidence in the enforcement of chapter 109 or this chapter, by presentation before any court or by disclosure to law enforcement agencies of this state.

610.033. There is created within the office of the attorney general a transparency division. Each lobbyist shall file an updating statement under oath within one week of any addition, deletion, or change in the lobbyist's employment or representation. The filing fee shall be deposited to the general revenue fund of the state. The lobbyist principal or a lobbyist employing another person for lobbying purposes may notify the commission that a judicial, executive or legislative lobbyist is no longer authorized to lobby for the principal or the lobbyist and should be removed from the commission's files.

2. Each person shall, before giving testimony before any committee of the general assembly, give to the secretary of such committee such person's name and address and the identity of any lobbyist or organization, if any, on whose behalf such person appears. A person who is not a lobbyist as defined in section 105.470 shall not be required to give such person's address if the committee determines that the giving of such address would endanger the person's physical health.

3. (1) During any period of time in which a lobbyist continues to act as an executive lobbyist, judicial lobbyist, legislative lobbyist, or elected local government official lobbyist, the lobbyist shall file with the commission on standardized forms prescribed by the commission monthly reports which shall be due at the close of business on the tenth day of the following month;

(2) Each report filed pursuant to this subsection shall include a statement, verified by a written declaration that it is made under the penalties of perjury, setting forth the following:

(a) The total of all expenditures by the lobbyist or his or her lobbyist principals made on behalf of all public officials, their staffs and employees, and their spouses and dependent children, which expenditures shall be separated into at least the following categories by the executive branch, judicial branch and legislative branch of government: printing and publication expenses; media and other advertising expenses; travel; the time, venue, and nature of any entertainment; honoraria; meals, food and beverages; and gifts;

(c) An itemized listing of the name of the recipient and the nature and amount of each expenditure by the lobbyist or his or her lobbyist principal, including a service or anything of value, for all expenditures made during any reporting period, paid or provided to or for a public official or elected local government official, such official's staff, employees, spouse or dependent children;

(d) The total of all expenditures made by a lobbyist or lobbyist principal for occasions and the identity of the group invited, the date and description of the occasion and the amount of the expenditure for each occasion when any of the following are invited in writing:

a. All members of the senate;
b. All members of the house of representatives;
c. All members of a joint committee of the general assembly or a standing committee of either the house of representatives or senate; or

d. All members of a caucus of the majority party of the house of representatives, minority party of the house of representatives, majority party of the senate, or minority party of the senate;

(e) Any expenditure made on behalf of a public official, an elected local government official or such official's staff, employees, spouse or dependent children, if such expenditure is solicited by such official, the official's staff, employees, or spouse or dependent children, from the lobbyist or his or her lobbyist principals and the name of such person or persons, except any expenditures made to any not-for-profit corporation, charitable, fraternal or civic organization or other association formed to provide for good in the order of benevolence;

(f) A statement detailing any direct business relationship or association or partnership the lobbyist has with any public official or elected local government official. The reports required by this subdivision shall cover the time periods since the filing of the last report or since the lobbyist's employment or representation began, whichever is most recent.

4. No expenditure reported pursuant to this section shall include any amount expended by a lobbyist or lobbyist principal on himself or herself. All expenditures disclosed pursuant to this section shall be valued on the report at the actual amount of the payment made, or the charge, expense, cost, or obligation, debt or bill incurred by the lobbyist or the person the lobbyist represents. Whenever a lobbyist principal employs more than one lobbyist, expenditures of the lobbyist principal shall not be reported by each lobbyist, but shall be reported by one of such lobbyists. No expenditure shall be made on behalf of a state senator or state representative, or such public official's staff, employees, spouse, or dependent children for travel or lodging outside the state of Missouri unless such travel or lodging was approved prior to the date of the expenditure by the administration and accounts committee of the house or the administration committee of the senate.

5. Any lobbyist principal shall provide in a timely fashion whatever information is reasonably requested by the lobbyist principal's lobbyist for use in filing the reports required by this section.

6. All information required to be filed pursuant to the provisions of this section with the commission shall be kept available by the executive director of the commission at all times open to the public for inspection and copying for a reasonable fee for a period of five years from the date when such information was filed.

Any person who knowingly violates this subsection shall be subject to a civil penalty in an amount of not more than ten thousand dollars for each violation. Such civil penalties shall be collected by action filed by the commission.

8. No lobbyist shall knowingly omit, conceal, or falsify in any manner information required pursuant to this section.

9. The prosecuting attorney of Cole County shall be reimbursed only out of funds specifically appropriated by the general assembly for investigations and prosecutions for violations of this section.

10. Any public official or other person whose name appears in any lobbyist report filed pursuant to this section who contests the accuracy of the portion of the report applicable to such person may petition the commission for an audit of such report and shall state in writing in such petition the specific disagreement with the contents of such report. The commission shall investigate such allegations in the manner described in section 105.959. If the commission determines that the contents of such report are incorrect, incomplete or erroneous, it shall enter an order requiring filing of an amended or corrected report.

11. The commission shall provide a report listing the total spent by a lobbyist for the month and year to any member or member-elect of the general assembly, judge or judicial officer, or any other person holding an elective office of state government or any elected local government official on or before the twentieth day of each month. For the purpose of providing accurate information to the public, the commission shall not publish information in either written or electronic form for ten working days after providing the report pursuant to this subsection. The commission shall not release any portion of the lobbyist report if the accuracy of the report has been questioned pursuant to subsection 10 of this section unless it is conspicuously marked "Under Review".

12. Each lobbyist or lobbyist principal by whom the lobbyist was employed, or in whose behalf the lobbyist acted, shall provide a general description of the proposed legislation or action by the executive branch or judicial branch which the lobbyist or lobbyist principal supported or opposed. This information shall be supplied to the commission on March fifteenth and May thirtieth of each year.

MESSAGES FROM THE GOVERNOR

The following proclamation was received from His Excellency, Governor Eric R. Greitens.

PROCLAMATION

WHEREAS, Article IV, Section 27, authorizes the Governor to control the rate at which any appropriation is expended by allotment and, further, authorizes the Governor to reduce the expenditures of the state or any of its agencies below their appropriations whenever the actual revenues are less than the revenue estimates upon which the appropriations were based; and

WHEREAS, in addition to the power to control the rate of expenditure established in Article IV, Section 27, three percent of each appropriation, with the exception of amounts for personal service to pay salaries fixed by law, shall be set aside pursuant to section 33.290, RSMo, as a reserve fund and not subject to expenditure except with the approval of the Governor; and

WHEREAS, Article IV, Section 27.2, provides that the Governor notify the General Assembly “whenever the rate at which any appropriation shall be expended is not equal quarterly allotments, the sum of which shall be equal to the amount of the appropriation”; and

WHEREAS, due to a variety of factors, including the three percent reserve that is legally required by section 33.290, RSMo, the rate at which most appropriations are expended is not in “equal quarterly allotments, the sum of which shall be equal to the amount of the appropriation”; and

WHEREAS, Article IV, Section 27.3, provides that the Governor notify the General Assembly “when the governor reduces one or more items or portions of items of appropriation of money as a result of actual revenues being less than the revenue estimates upon which the appropriations were based.”

NOW THEREFORE, I, Eric R. Greitens, GOVERNOR OF THE STATE OF MISSOURI, pursuant to Article IV, Section 27, do hereby make the following notification to the Ninety-Ninth General Assembly of the State of Missouri:

I hereby notify the General Assembly, pursuant to Article IV, Section 27.2 of the Missouri Constitution, that, through the third quarter of fiscal year 2018, the rate of expenditure for each of the appropriation lines in the fiscal year 2018 budget attached as Exhibit A is not in equal quarterly allotments, the sum of which shall be equal to the amount of the appropriation.

I further notify the General Assembly, pursuant to Article IV, Section 27.3 of the Missouri Constitution, that I have taken no action to permanently reduce one or more items or portions of items of appropriation of money as a result of actual revenues being less than the revenue estimates upon which the appropriations were based in the fiscal year 2018 budget.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused to be affixed the Great Seal of the State of Missouri, in the City of Jefferson, this 14th day of May 2018.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

The name of the Lord is a strong tower; the righteous man runs into it and is safe. (Proverbs 18:10)

Almighty and Ancient God, who is a strong defender of all who put their sacred trust in You, we, Your humble children, come to You with gratitude for Your steadfast love, praying that You will continue to be our refuge and strength in every hour of this final week. Grant us insight and courage to avoid the voice of moral compromise and to shy away from all that is morally or ethically questionable.

In hours of decision, during times of temptation, through days of responsibility, and in periods of suffering, may we have the gift of an inward peace that comes to those whose minds are stayed on You. Teach us to value a clear conscience, a clean mind, a pure heart, and a sense of Your presence before all the honors and glory earthly things can bring us.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Erin Victoria Dorris and Jordan Amir Smith.

The Journal of the seventy-third day was approved as printed by the following vote:

The governing body of any city or village, or any county having a charter form of government, or any county of the first classification that contains part of a city with a population of at least three hundred thousand inhabitants, may enact ordinances to provide for the abatement of a condition of any lot or land that has the presence of a nuisance including, but not limited to, debris of any kind, weed cuttings, cut, fallen, or hazardous trees and shrubs, overgrown vegetation and noxious weeds which are seven inches or more in height, rubbish and trash, lumber not piled or stacked twelve inches off the ground, rocks or bricks, tin, steel, parts of derelict cars or trucks, broken furniture, any flammable material which may endanger public safety or any material or condition which is unhealthy or unsafe and declared to be a public nuisance.

2. The governing body of any home rule city with more than four hundred thousand inhabitants and located in more than one county may enact ordinances for the abatement of a condition of any lot or land that has vacant buildings or structures open to entry.

3. Any ordinance authorized by this section shall provide for service to the owner of the property ~~[and, if the property is not owner occupied, to any occupant of the property]~~ of a written notice specifically describing each condition of the lot or land declared to be a public nuisance, and which notice shall identify what action will remedy the public nuisance. Unless a condition presents an immediate, specifically identified risk to the public health or safety, the notice shall provide a reasonable time, not less than ten days, in which to abate or commence removal of each condition identified in the notice. Written notice may be given by personal service or by first-class mail to ~~[both the occupant of the property at the property address and]~~ the owner at the last known address of the owner~~[, if not the same]~~. Upon a failure of the owner to pursue the removal or abatement of such nuisance without unnecessary delay, the building commissioner or designated officer may cause the condition which constitutes the nuisance to be removed or abated. If the building commissioner or designated officer causes such condition to be removed or abated, the cost of such removal or abatement and the proof of notice to the owner of the property shall be certified to the city clerk or officer in charge of finance who shall cause the certified cost to be included in a special tax bill or added to the annual real estate tax bill, at the collecting official’s option, for the property and the

certified cost shall be collected by the city collector or other official collecting taxes in the same manner and procedure for collecting real estate taxes. If the certified cost is not paid, the tax bill shall be considered delinquent, and the collection of the delinquent bill shall be governed by the laws governing delinquent and back taxes. The tax bill from the date of its issuance shall be deemed a personal debt against the owner and shall also be a lien on the property from the date the tax bill is delinquent until paid.

67.410. 1. Except as provided in subsection 3 of this section, any ordinance enacted pursuant to section 67.400 shall:

(1) Set forth those conditions detrimental to the health, safety or welfare of the residents of the city, town, village, or county the existence of which constitutes a nuisance;

(2) Provide for duties of inspectors with regard to such buildings or structures and shall provide for duties of the building commissioner or designated officer or officers to supervise all inspectors and to hold hearings regarding such buildings or structures;

(3) Provide for service of adequate notice of the declaration of nuisance, which notice shall specify that the property is to be vacated, if such be the case, reconditioned or removed, listing a reasonable time for commencement; and may provide that such notice be served either by personal service ~~[or]~~, by certified mail, return receipt requested, **or by a private delivery service that is substantially equivalent to certified mail**, but if service cannot be had by either of these modes of service, then service may be had by publication. (4) Provide that upon failure to commence work of reconditioning or demolition within the time specified or upon failure to proceed continuously with the work without unnecessary delay, the building commissioner or designated officer or officers shall call and have a full and adequate hearing upon the matter, giving the affected parties at least ten days' written notice of the hearing. Any party may be represented by counsel, and all parties shall have an opportunity to be heard. After the hearings, if the evidence supports a finding that the building or structure is a nuisance or detrimental to the health, safety, or welfare of the residents of the city, town, village, or county, the building commissioner or designated officer or officers shall issue an order making specific findings of fact, based upon competent and substantial evidence, which shows the building or structure to be a nuisance and detrimental to the health, safety, or welfare of the residents of the city, town, village, or county and ordering the building or structure to be demolished and removed, or repaired. If the evidence does not support a finding that the building or structure is a nuisance or detrimental to the health, safety, or welfare of the residents of the city, town, village, or county, no order shall be issued;

(5) Provide that if the building commissioner or other designated officer or officers issue an order whereby the building or structure is demolished, secured, or repaired, or the property is cleaned up, the cost of performance shall be certified to the city clerk or officer in charge of finance, who shall cause a special tax bill or assessment therefor against the property to be prepared and collected by the city collector or other official collecting taxes, unless the building or structure is demolished, secured or repaired by a contractor pursuant to an order issued by the city, town, village, or county and such contractor files a mechanic's lien against the property where the dangerous building is located. The contractor may enforce this lien as provided in sections 429.010 to 429.360. Except as provided in subsection 3 of this section, at the request of the taxpayer the tax bill may be paid in installments over a period of not more than ten years. The tax bill from date of its issuance shall be deemed a personal debt against the property owner and shall also be a lien on the property until paid. A city not within a county or a city with a population of at least four hundred thousand located in more than one county, notwithstanding any charter provision to the contrary, may, by ordinance, provide that upon determination by the city that a public benefit will be gained the city may discharge the special tax bill, including the costs of tax collection, accrued interest and attorneys fees, if any.

2. If there are proceeds of any insurance policy based upon a covered claim payment made for damage or loss to a building or other structure caused by or arising out of any fire, explosion, or other casualty loss, the ordinance may establish a procedure for the payment of up to twenty-five percent of the insurance proceeds, as set forth in this subsection. The order or ordinance shall apply only to a covered claim payment which is in excess of fifty percent of the face value of the policy covering a building or other structure:

(1) The insurer shall withhold from the covered claim payment up to twenty-five percent of the covered claim payment, and shall pay such moneys to the city to deposit into an interest-bearing account. Any named mortgagee on the insurance policy shall maintain priority over any obligation under the order or ordinance;

(2) The city or county shall release the proceeds and any interest which has accrued on such proceeds received under subdivision (1) of this subsection to the insured or as the terms of the policy and endorsements thereto provide within thirty days after receipt of such insurance moneys, unless the city or county has instituted

legal proceedings under the provisions of subdivision (5) of subsection 1 of this section. If the city or county has proceeded under the provisions of subdivision (5) of subsection 1 of this section, all moneys in excess of that necessary to comply with the provisions of subdivision (5) of subsection 1 of this section for the removal, securing, repair and cleanup of the building or structure, and the lot on which it is located, less salvage value, shall be paid to the insured;

(3) If there are no proceeds of any insurance policy as set forth in this subsection, at the request of the taxpayer, the tax bill may be paid in installments over a period of not more than ten years. The tax bill from date of its issuance shall be a lien on the property until paid;

(4) This subsection shall apply to fire, explosion, or other casualty loss claims arising on all buildings and structures;

(5) This subsection does not make the city or county a party to any insurance contract, and the insurer is not liable to any party for any amount in excess of the proceeds otherwise payable under its insurance policy.

3. The governing body of any city not within a county and the governing body of any city with a population of three hundred fifty thousand or more inhabitants which is located in more than one county may enact their own ordinances pursuant to section 67.400 and are exempt from subsections 1 and 2 of this section.

Such fine may not exceed one thousand dollars, unless the owner of the property is not also a resident of the property, then such fine may not exceed two thousand dollars.

The ordinance may also provide that a city not within a county or a city with a population of at least three hundred fifty thousand located in more than one county may seek to recover the cost of demolition prior to the occurrence of demolition, as described in this subsection. The ordinance may provide that if the building commissioner or other designated officer or officers issue an order whereby the building or structure is ordered to be demolished, secured or repaired, and the owner has been given an opportunity for a hearing to contest such order, then the building commissioner or other designated officer or officers may solicit no less than two independent bids for such demolition work. The amount of the lowest bid, including offset for salvage value, if any, plus reasonable anticipated costs of collection, including attorney's fees, shall be certified to the city clerk or officer in charge of finance, who shall cause a special tax bill to be issued against the property owner to be prepared and collected by the city collector or other official collecting taxes. The municipal clerk or other officer in charge of finance shall discharge the special tax bill upon documentation by the property owner of the completion of the ordered repair or demolition work. Upon determination by the municipal clerk or other officer in charge of finance that a public benefit is secured prior to payment of the special tax bill, the municipal clerk or other officer in charge of finance may discharge the special tax bill upon the transfer of the property. The payment of the special tax bill shall be held in an interest-bearing account. Upon full payment of the special tax bill, the building commissioner or other designated officer or officers shall, within one hundred twenty days thereafter, cause the ordered work to be completed, and certify the actual cost thereof, including the cost of tax bill collection and attorney's fees, to the city clerk or other officer in charge of finance who shall, if the actual cost differs from the paid amount by greater than two percent of the paid amount, refund the excess payment, if any, to the payor, or if the actual amount is greater, cause a special tax bill or assessment for the difference against the property to be prepared and collected by the city collector or other official collecting taxes. If the building commissioner or other designated officer or officers shall not, within one hundred twenty days after full payment, cause the ordered work to be completed, then the full amount of the payment, plus interest, shall be repaid to the payor. Except as provided in subsection 2 of this section, at the request of the taxpayer the tax bill for the difference may be paid in installments over a period of not more than ten years. The tax bill for the difference from the date of its issuance shall be deemed a personal debt against the property owner and shall also be a lien on the property until paid.

3. The owner of the real property upon which a person enters and conducts the actions permitted in subsection 1 of this section shall be immune from civil liability for any injury sustained by the person, unless the injury resulted from the owner's gross negligence or willful, wanton, or intentional misconduct.

4. In the case of real property that is subject to a mortgage or deed of trust, the creditor holding the debt secured by the mortgage or deed of trust may not enter upon the premises of the real property under subsection 1 of this section if entry is barred by an automatic stay issued by a bankruptcy court.

The programs for which the costs are associated may not be optimal for reducing the overall scope of the problem to the greatest extent while limiting the exposure of the state budget;

(2) "Demonstration project", a project selected by the social innovation grant team in response to the grant team's request for proposals process;

(3) "Social innovation grant", a grant awarded to a nonprofit organization with experience in the area of critical state concern to design a short-term demonstration project based on evidence and best practices that can be replicated to optimize state funding and services for populations and programs identified as areas of critical state concern.

2. Areas of critical state concern include, but are not limited to:

(3) Academic leaders in research and study related to the critical state concern.

4. The social innovation grant team shall be charged with:

(1) Formulating a request for proposals for social innovation grants;

(2) Evaluating responsive proposals and selecting those bids for demonstration projects that provide the greatest opportunity for addressing the critical state concern in a cost-effective and replicable way; and

Grantees, at a minimum, shall be nonprofit organizations with experience working with the population identified as a critical state concern.

6. Upon the conclusion of a demonstration project, the social innovation grant team shall compile all relevant data and submit a report to the general assembly:

- (2) Assessing, based on the actual experience of the project, the likely ease of statewide deployment in a methodology consistent with the execution of the project and identifying possible barriers to deployment;
- (3) Analyzing the likely cost of statewide deployment; and
- (4) Identifying funding strategies for statewide deployment, which may include scaling based on savings reinvestment or outside capital investments.

10. Under section 23.253 of the Missouri sunset act:

- (1) The provisions of the new program authorized under this section shall automatically sunset six years after the effective date of this section unless reauthorized by an act of the general assembly;

When a defendant is placed on probation he or she shall be given a certificate explicitly stating the conditions on which he or she is being released.

2. In addition to such other authority as exists to order conditions of probation, the court may order such conditions as the court believes will serve to compensate the victim, any dependent of the victim, any statutorily created fund for costs incurred as a result of the offender's actions, or society. Such conditions may include restorative justice methods pursuant to section 217.777, or any other method that the court finds just or appropriate including, but not limited to:

(1) Restitution to the victim or any dependent of the victim, or statutorily created fund for costs incurred as a result of the offender's actions in an amount to be determined by the judge;

(2) The performance of a designated amount of free work for a public or charitable purpose, or purposes, as determined by the judge;

(3) Offender treatment programs;

(4) Work release programs in local facilities; and

(5) Community-based residential and nonresidential programs.

3. In addition to any of the conditions that may be imposed under this section, the judge may consider assigning the defendant to roadside cleanup as a condition of probation when the judge deems it to be appropriate.

If he or she does so, the court shall decide the extent or duration of sentence or other disposition to be imposed and render judgment accordingly. Any county, city, person, organization, or agency, or employee of a county, city, organization or agency charged with the supervision of such free work or who benefits from its performance shall be immune from any suit by the defendant or any person deriving a cause of action from him or her if such cause of action arises from such supervision of performance, except for an intentional tort or gross negligence. A judge shall not have any direct supervisory authority or administrative control over any fund to which the judge is ordering a defendant to make payment.

~~[6-]~~ **7.** A defendant who fails to make a payment to a county law enforcement restitution fund may not have his or her probation revoked solely for failing to make such payment unless the judge, after evidentiary hearing, makes a finding supported by a preponderance of the evidence that the defendant either willfully refused to make the payment or that the defendant willfully, intentionally, and purposefully failed to make sufficient bona fide efforts to acquire the resources to pay.

"Discriminatory policing" does not include investigations of alleged crimes when law enforcement must seek out suspects who match a specifically delineated description;

2. Each time a peace officer stops a driver of a motor vehicle, that officer shall report at least the following information to the law enforcement agency that employs the officer:

(1) The age, gender and race or minority group of the individual stopped;

(2) Whether the driver resides in the jurisdiction of the stop;

(3) The reasons for the stop. Reasons for an investigative stop include, but are not limited to, calls for service, stops conducted in support of an agency investigation, stops conducted because of a peace officer's observations, and stops made at a sobriety checkpoint or other road block;

(2) Each law enforcement agency shall submit the report to the attorney general no later than March first of the following calendar year.

4. (1) The attorney general shall analyze the annual reports of law enforcement agencies required by this section and submit a report of the findings to the governor, the general assembly and each law enforcement agency no later than June first of each year.

(2) **The report shall identify situations in which data submitted by agencies indicate that racial and ethnic groups are disproportionately affected by law enforcement activity so that further analysis may be conducted to determine whether peace officers are engaging in discriminatory policing;**

(3) **The report shall provide group ratios of disparity for all categories of stops, post-stop activities, searches, and contraband found using appropriate benchmarks as defined in subsection 1 of this section;**

(4) The report of the attorney general shall include at least the following information for each agency **and for the state overall:**

committed on school property, including but not limited to actions on any school bus in service on behalf of the district or while involved in school activities. The policy shall require that any portion of a student's individualized education program that is related to demonstrated or potentially violent behavior shall be provided to any teacher and other school district employees who are directly responsible for the student's education or who otherwise interact with the student on an educational basis while acting within the scope of their assigned duties. The policy shall also contain the consequences of failure to obey standards of conduct set by the local board of education, and the importance of the standards to the maintenance of an atmosphere where orderly learning is possible and encouraged.

3. The policy shall provide that any student who is on suspension for any of the offenses listed in subsection 2 of this section or any act of violence or drug-related activity defined by school district policy as a serious violation of school discipline pursuant to subsection 9 of this section shall have as a condition of his or her suspension the requirement that such student is not allowed, while on such suspension, to be within one thousand feet of any school property in the school district where such student attended school or any activity of that district, regardless of whether or not the activity takes place on district property unless:

- (1) Such student is under the direct supervision of the student's parent, legal guardian, or custodian and the superintendent or the superintendent's designee has authorized the student to be on school property;
- (2) Such student is under the direct supervision of another adult designated by the student's parent, legal guardian, or custodian, in advance, in writing, to the principal of the school which suspended the student and the superintendent or the superintendent's designee has authorized the student to be on school property;
- (3) Such student is enrolled in and attending an alternative school that is located within one thousand feet of a public school in the school district where such student attended school; or
- (4) Such student resides within one thousand feet of any public school in the school district where such student attended school in which case such student may be on the property of his or her residence without direct adult supervision.

4. Any student who violates the condition of suspension required pursuant to subsection 3 of this section may be subject to expulsion or further suspension pursuant to the provisions of sections 167.161, 167.164, and 167.171. In making this determination consideration shall be given to whether the student poses a threat to the safety of any child or school employee and whether such student's unsupervised presence within one thousand feet

of the school is disruptive to the educational process or undermines the effectiveness of the school's disciplinary policy. Removal of any pupil who is a student with a disability is subject to state and federal procedural rights. This section shall not limit a school district's ability to:

(1) Prohibit all students who are suspended from being on school property or attending an activity while on suspension;

(2) Discipline students for off-campus conduct that negatively affects the educational environment to the extent allowed by law.

5. The policy shall provide for a suspension for a period of not less than one year, or expulsion, for a student who is determined to have brought a weapon to school, including but not limited to the school playground or the school parking lot, brought a weapon on a school bus or brought a weapon to a school activity whether on or off of the school property in violation of district policy, except that:

(1) The superintendent or, in a school district with no high school, the principal of the school which such child attends may modify such suspension on a case-by-case basis; and

(2) This section shall not prevent the school district from providing educational services in an alternative setting to a student suspended under the provisions of this section.

6. For the purpose of this section, the term "weapon" shall mean a firearm as defined under 18 U.S.C. Section 921 and the following items, as defined in section 571.010: a blackjack, a concealable firearm, an explosive weapon, a firearm, a firearm silencer, a gas gun, a knife, knuckles, a machine gun, a projectile weapon, a rifle, a shotgun, a spring gun or a switchblade knife; except that this section shall not be construed to prohibit a school board from adopting a policy to allow a Civil War reenactor to carry a Civil War era weapon on school property for educational purposes so long as the firearm is unloaded. The local board of education shall define weapon in the discipline policy. Such definition shall include the weapons defined in this subsection but may also include other weapons.

7. All school district personnel responsible for the care and supervision of students are authorized to hold every pupil strictly accountable for any disorderly conduct in school or on any property of the school, on any school bus going to or returning from school, during school-sponsored activities, or during intermission or recess periods.

8. Teachers and other authorized district personnel in public schools responsible for the care, supervision, and discipline of schoolchildren, including volunteers selected with reasonable care by the school district, shall not be civilly liable when acting in conformity with the established policies developed by each board, including but not limited to policies of student discipline or when reporting to his or her supervisor or other person as mandated by state law acts of school violence or threatened acts of school violence, within the course and scope of the duties of the teacher, authorized district personnel or volunteer, when such individual is acting in conformity with the established policies developed by the board. Nothing in this section shall be construed to create a new cause of action against such school district, or to relieve the school district from liability for the negligent acts of such persons.

9. Each school board shall define in its discipline policy acts of violence and any other acts that constitute a serious violation of that policy. "Acts of violence" as defined by school boards shall include but not be limited to exertion of physical force by a student with the intent to do serious bodily harm to another person while on school property, including a school bus in service on behalf of the district, or while involved in school activities. School districts shall for each student enrolled in the school district compile and maintain records of any serious violation of the district's discipline policy. Such records shall be made available to teachers and other school district employees with a need to know while acting within the scope of their assigned duties, and shall be provided as required in section 167.020 to any school district in which the student subsequently attempts to enroll.

10. Spanking, when administered by certificated personnel and in the presence of a witness who is an employee of the school district, or the use of reasonable force to protect persons or property, when administered by personnel of a school district in a reasonable manner in accordance with the local board of education's written policy of discipline, is not abuse within the meaning of chapter 210. The provisions of sections 210.110 to 210.165 notwithstanding, the children's division shall not have jurisdiction over or investigate any report of alleged child abuse arising out of or related to the use of reasonable force to protect persons or property when administered by personnel of a school district or any spanking administered in a reasonable manner by any certificated school personnel in the presence of a witness who is an employee of the school district pursuant to a written policy of discipline established by the board of education of the school district, as long as no allegation of sexual misconduct arises from the spanking or use of force.

11. If a student reports alleged sexual misconduct on the part of a teacher or other school employee to a person employed in a school facility who is required to report such misconduct to the children's division under section 210.115, such person and the superintendent of the school district shall report the allegation to the children's

division as set forth in section 210.115. Reports made to the children's division under this subsection shall be investigated by the division in accordance with the provisions of sections 210.145 to 210.153 and shall not be investigated by the school district under subsections 12 to 20 of this section for purposes of determining whether the allegations should or should not be substantiated. The district may investigate the allegations for the purpose of making any decision regarding the employment of the accused employee.

12. Upon receipt of any reports of child abuse by the children's division other than reports provided under subsection 11 of this section, pursuant to sections 210.110 to 210.165 which allegedly involve personnel of a school district, the children's division shall notify the superintendent of schools of the district or, if the person named in the alleged incident is the superintendent of schools, the president of the school board of the school district where the alleged incident occurred.

13. If, after an initial investigation, the superintendent of schools or the president of the school board finds that the report involves an alleged incident of child abuse other than the administration of a spanking by certificated school personnel or the use of reasonable force to protect persons or property when administered by school personnel pursuant to a written policy of discipline or that the report was made for the sole purpose of harassing a public school employee, the superintendent of schools or the president of the school board shall immediately refer the matter back to the children's division and take no further action. In all matters referred back to the children's division, the division shall treat the report in the same manner as other reports of alleged child abuse received by the division.

14. If the report pertains to an alleged incident which arose out of or is related to a spanking administered by certificated personnel or the use of reasonable force to protect persons or property when administered by personnel of a school district pursuant to a written policy of discipline or a report made for the sole purpose of harassing a public school employee, a notification of the reported child abuse shall be sent by the superintendent of schools or the president of the school board to the law enforcement in the county in which the alleged incident occurred.

15. The report shall be jointly investigated by the law enforcement officer and the superintendent of schools or, if the subject of the report is the superintendent of schools, by a law enforcement officer and the president of the school board or such president's designee.

16. The investigation shall begin no later than forty-eight hours after notification from the children's division is received, and shall consist of, but need not be limited to, interviewing and recording statements of the child and the child's parents or guardian within two working days after the start of the investigation, of the school district personnel allegedly involved in the report, and of any witnesses to the alleged incident.

17. The law enforcement officer and the investigating school district personnel shall issue separate reports of their findings and recommendations after the conclusion of the investigation to the school board of the school district within seven days after receiving notice from the children's division.

18. The reports shall contain a statement of conclusion as to whether the report of alleged child abuse is substantiated or is unsubstantiated.

19. The school board shall consider the separate reports referred to in subsection 17 of this section and shall issue its findings and conclusions and the action to be taken, if any, within seven days after receiving the last of the two reports. The findings and conclusions shall be made in substantially the following form:

(1) The report of the alleged child abuse is unsubstantiated. The law enforcement officer and the investigating school board personnel agree that there was not a preponderance of evidence to substantiate that abuse occurred;

(2) The report of the alleged child abuse is substantiated. The law enforcement officer and the investigating school district personnel agree that the preponderance of evidence is sufficient to support a finding that the alleged incident of child abuse did occur;

(3) The issue involved in the alleged incident of child abuse is unresolved. The law enforcement officer and the investigating school personnel are unable to agree on their findings and conclusions on the alleged incident.

20. The findings and conclusions of the school board under subsection 19 of this section shall be sent to the children's division. If the findings and conclusions of the school board are that the report of the alleged child abuse is unsubstantiated, the investigation shall be terminated, the case closed, and no record shall be entered in the children's division central registry. If the findings and conclusions of the school board are that the report of the alleged child abuse is substantiated, the children's division shall report the incident to the prosecuting attorney of the appropriate county along with the findings and conclusions of the school district and shall include the information in the division's central registry. If the findings and conclusions of the school board are that the issue involved in the alleged incident of child abuse is unresolved, the children's division shall report the incident to the prosecuting attorney of the appropriate county along with the findings and conclusions of the school board, however, the incident and the names of the parties allegedly involved shall not be entered into the central registry of the children's division unless and until the alleged child abuse is substantiated by a court of competent jurisdiction.

21. Any superintendent of schools, president of a school board or such person's designee or law enforcement officer who knowingly falsifies any report of any matter pursuant to this section or who knowingly withholds any information relative to any investigation or report pursuant to this section is guilty of a class A misdemeanor.

22. In order to ensure the safety of all students, should a student be expelled for bringing a weapon to school, violent behavior, or for an act of school violence, that student shall not, for the purposes of the accreditation process of the Missouri school improvement plan, be considered a dropout or be included in the calculation of that district's educational persistence ratio.

167.117. 1. ~~[In any instance when any person is believed to have committed an act which if committed by an adult would be assault in the first, second or third degree, sexual assault, or deviate sexual assault against a pupil or school employee, while on school property, including a school bus in service on behalf of the district, or while involved in school activities, the principal shall immediately report such incident to the appropriate local law enforcement agency and to the superintendent, except in any instance when any person is believed to have committed an act which if committed by an adult would be assault in the third degree and a written agreement as to the procedure for the reporting of such incidents of third degree assault has been executed between the superintendent of the school district and the appropriate local law enforcement agency, the principal shall report such incident to the appropriate local law enforcement agency in accordance with such agreement.]~~ **For purposes of this section, "on school premises" means on any school property including, but not limited to, a school playground or school parking lot; on any school bus in service on behalf of the school district; or while involved in school activities regardless of whether the activity is on or off school property.**

3. ~~[In any instance when a teacher becomes aware of an assault as set forth in subsection 1 of this section or finds a pupil in possession of a weapon or controlled substances as set forth in subsection 2 of this section, the teacher shall immediately report such incident to the principal.]~~ **In any instance when a pupil is believed to have committed an act listed in subdivisions (1) to (24) of subsection 2 of section 160.261 on school premises, the principal shall as soon as reasonably practical report such incident to the appropriate law enforcement agency; to the superintendent; and, if there is a victim, to the parents or legal guardian of each victim. In any instance when a school employee becomes aware that a pupil has committed an act listed in subdivisions (1) to (24) of subsection 2 of section 160.261 on school premises, the school employee shall as soon as reasonably practical report such incident to the principal.**

4. A school employee, superintendent, or such person's designee who in good faith provides information to law enforcement or juvenile authorities pursuant to this section or section 160.261 **or provides information to law enforcement or juvenile authorities regarding an instance in which a pupil is believed to have committed a crime on school premises** shall not be civilly liable for providing such information.

(a) Promises of cure, relief from pain or other physical or mental condition, or improved physical or mental health;

(b) Any misleading or deceptive statement offering or promising a free service. Nothing herein shall be construed to make it unlawful to offer a service for no charge if the offer is announced as part of a full disclosure of routine fees including consultation fees;

(c) Any misleading or deceptive claims of patient cure, relief or improved **health** condition; superiority in service, treatment or materials; new or improved service, treatment or material; or reduced costs or greater savings. Nothing herein shall be construed to make it unlawful to use any such claim if it is readily verifiable by existing documentation, data or other substantial evidence. Any claim that exceeds or exaggerates the scope of its supporting documentation, data or evidence is misleading or deceptive;

(d) Any announced fee for a specified service where that fee does not include the charges for necessary related or incidental services, or where the actual fee charged for that specified service may exceed the announced fee, but it shall not be unlawful to announce only the maximum fee that can be charged for the specified service, including all related or incidental services, modified by the term "up to" if desired;

(17) Failing to maintain his or her office or offices, laboratory, equipment and instruments in a safe and sanitary condition;

(18) Accepting, tendering or paying "rebates" to or "splitting fees" with any other person; provided, however, that nothing herein shall be so construed as to make it unlawful for a dentist practicing in a partnership or as a corporation organized pursuant to the provisions of chapter 356 to distribute profits in accordance with his or her stated agreement;

(19) Administering, or causing or permitting to be administered, nitrous oxide gas in any amount to himself or herself, or to another unless as an adjunctive measure to patient management;

(20) Being unable to practice as a dentist, specialist or hygienist with reasonable skill and safety to patients by reasons of professional incompetency, or because of illness, drunkenness, excessive use of drugs, narcotics, chemicals, or as a result of any mental or physical condition. In enforcing this subdivision the board shall, after a hearing before the board, upon a finding of probable cause, require the dentist or specialist or hygienist to submit to a reexamination for the purpose of establishing his or her competency to practice as a dentist, specialist or hygienist, which reexamination shall be conducted in accordance with rules adopted for this purpose by the board, including rules to allow the examination of the dentist's, specialist's or hygienist's professional competence by at least three dentists or fellow specialists, or to submit to a mental or physical examination or combination thereof by at least three physicians. One examiner shall be selected by the dentist, specialist or hygienist compelled to take examination, one selected by the board, and one shall be selected by the two examiners so selected. Notice of the physical or mental examination shall be given by personal service or registered mail. Failure of the dentist, specialist or hygienist to submit to the examination when directed shall constitute an admission of the allegations against him or her, unless the failure was due to circumstances beyond his or her control. A dentist, specialist or hygienist whose right to practice has been affected pursuant to this subdivision shall, at reasonable intervals, be afforded an opportunity to demonstrate that he or she can resume competent practice with reasonable skill and safety to patients.

(a) In any proceeding pursuant to this subdivision, neither the record of proceedings nor the orders entered by the board shall be used against a dentist, specialist or hygienist in any other proceeding. Proceedings pursuant to this subdivision shall be conducted by the board without the filing of a complaint with the administrative hearing commission;

(b) When the board finds any person unqualified because of any of the grounds set forth in this subdivision, it may enter an order imposing one or more of the following: denying his or her application for a license; permanently withholding issuance of a license; administering a public or private reprimand; placing on probation, suspending or limiting or restricting his or her license to practice as a dentist, specialist or hygienist for a period of not more than five years; revoking his or her license to practice as a dentist, specialist or hygienist; requiring him or her to submit to the care, counseling or treatment of physicians designated by the dentist, specialist or hygienist compelled to be treated; or requiring such person to submit to identification, intervention, treatment or rehabilitation by the well-being committee as provided in section 332.327. For the purpose of this subdivision, "license" includes the certificate of registration, or license, or both, issued by the board.

3. After the filing of such complaint, the proceedings shall be conducted in accordance with the provisions of chapter 621. Upon a finding by the administrative hearing commission that the grounds, provided in subsection 2, for disciplinary action are met, the board may, singly or in combination:

(1) Censure or place the person or firm named in the complaint on probation on such terms and conditions as the board deems appropriate for a period not to exceed five years; or

(2) Suspend the license, certificate or permit for a period not to exceed three years; or

(3) Revoke the license, certificate, or permit. In any order of revocation, the board may provide that the person shall not apply for licensure for a period of not less than one year following the date of the order of revocation; or

(4) Cause the person or firm named in the complaint to make restitution to any patient, or any insurer or third-party payer who shall have paid in whole or in part a claim or payment for which they should be reimbursed, where restitution would be an appropriate remedy, including the reasonable cost of follow-up care to correct or complete a procedure performed or one that was to be performed by the person or firm named in the complaint; or

(5) Request the attorney general to bring an action in the circuit court of competent jurisdiction to recover a civil penalty on behalf of the state in an amount to be assessed by the court.

4. If the board concludes that a dentist or dental hygienist has committed an act or is engaging in a course of conduct that would be grounds for disciplinary action and constitutes a clear and present danger to the public health and safety, the board may file a complaint before the administrative hearing commission requesting an expedited hearing and specifying the conduct that gives rise to the danger and the nature of the proposed restriction or suspension of the dentist's or dental hygienist's license. Within fifteen days after service of the complaint on the dentist or dental hygienist, the administrative hearing commission shall conduct a preliminary hearing to determine whether the alleged conduct of the dentist or dental hygienist appears to constitute a clear and present danger to the public health and safety that justifies that the dentist's or dental hygienist's license be immediately restricted or suspended. The burden of proving that a dentist or dental hygienist is a clear and present danger to the public health and safety shall be upon the Missouri dental board. The administrative hearing commission shall issue its decision immediately after the hearing and shall either grant to the board the authority to suspend or restrict the license or dismiss the action.

5. If the administrative hearing commission grants temporary authority to the board to restrict or suspend a dentist's or dental hygienist's license, the dentist or dental hygienist named in the complaint may request a full hearing before the administrative hearing commission. A request for a full hearing shall be made within thirty days after the administrative hearing commission issues a decision. The administrative hearing commission shall, if requested by a dentist or dental hygienist named in the complaint, set a date to hold a full hearing under chapter 621 regarding the activities alleged in the initial complaint filed by the board. The administrative hearing commission shall set the date for full hearing within ninety days from the date its decision was issued. Either party may request continuances, which shall be granted by the administrative hearing commission upon a showing of good cause by either party or consent of both parties. If a request for a full hearing is not made within thirty days, the authority to impose discipline becomes final and the board shall set the matter for hearing in accordance with section 621.110.

6. If the administrative hearing commission dismisses without prejudice the complaint filed by the board under subsection 4 of this section or dismisses the action based on a finding that the board did not meet its burden of proof establishing a clear and present danger, such dismissal shall not bar the board from initiating a subsequent action on the same grounds in accordance with this chapter and chapters 536 and 621.

7. Notwithstanding any other provisions of section 332.071 or of this section, a currently licensed dentist in Missouri may enter into an agreement with individuals and organizations to provide dental health care, provided such agreement does not permit or compel practices that violate any provision of this chapter.

8. At all proceedings for the enforcement of these or any other provisions of this chapter the board shall, as it deems necessary, select, in its discretion, either the attorney general or one of the attorney general's assistants designated by the attorney general or other legal counsel to appear and represent the board at each stage of such proceeding or trial until its conclusion.

9. If at any time when any discipline has been imposed pursuant to this section or pursuant to any provision of this chapter, the licensee removes himself or herself from the state of Missouri, ceases to be currently licensed pursuant to the provisions of this chapter, or fails to keep the Missouri dental board advised of his or her current place of business and residence, the time of his or her absence, or unlicensed status, or unknown whereabouts shall not be deemed or taken as any part of the time of discipline so imposed."; and

No contract or other agreement shall limit the collaborating physician's ultimate authority over any protocols or standing orders or in the delegation of the physician's authority to any assistant physician, but such requirement shall not authorize a physician in implementing such protocols, standing orders, or delegation to violate applicable standards for safe medical practice established by a hospital's medical staff.

10. No contract or other agreement shall require any assistant physician to serve as a collaborating assistant physician for any collaborating physician against the assistant physician's will. This exception to geographic proximity shall apply only to independent rural health clinics, provider-based rural health clinics where the provider is a critical access hospital as provided in 42 U.S.C. Section 1395i-4, and provider-based rural health clinics where the main location of the hospital sponsor is greater than fifty miles from the clinic. Such rules shall be limited to specifying geographic areas to be covered, the methods of treatment that may be covered by collaborative practice arrangements and the requirements for review of services provided pursuant to collaborative practice arrangements including delegating authority to prescribe controlled substances. Any rules relating to dispensing or distribution of medications or devices by prescription or prescription drug orders under this section shall be subject to the approval of the state board of pharmacy. Any rules relating to dispensing or distribution of controlled substances by prescription or prescription drug orders under this section shall be subject to the approval of the department of health and senior services and the state board of pharmacy. In order to take effect, such rules shall be approved by a majority vote of a quorum of each board. Notwithstanding any law to the contrary, a certified registered nurse anesthetist as defined in subdivision (8) of section 335.016 shall be permitted to provide anesthesia services without a collaborative practice arrangement provided that he or she is under the supervision of an anesthesiologist or other physician, dentist, or podiatrist who is immediately available if needed. Nothing in this subsection shall be construed to prohibit or prevent a certified registered nurse anesthetist as defined in subdivision (8) of section 335.016 from entering into a collaborative practice arrangement under this section, except that the collaborative practice arrangement may not delegate the authority to prescribe any controlled substances listed in Schedules III, IV, and V of section 195.017, or Schedule II - hydrocodone.

A physician shall have the right to refuse to act as a collaborating physician, without penalty, for a particular advanced practice registered nurse. No contract or other agreement shall limit the collaborating physician's ultimate authority over any protocols or standing orders or in the delegation of the physician's authority to any advanced practice registered nurse, but this requirement shall not authorize a physician in implementing such protocols, standing orders, or delegation to violate applicable standards for safe medical practice established by hospital's medical staff.

12. No contract or other agreement shall require any advanced practice registered nurse to serve as a collaborating advanced practice registered nurse for any collaborating physician against the advanced practice registered nurse's will. For purposes of this section, the following terms mean:

(1) "Critical state concern", instances or circumstances in which the state of Missouri is currently, and will likely be in the future, responsible for the costs associated with a particular act of the state through annual appropriations. The programs for which the costs are associated may not be optimal for reducing the overall scope of the problem to the greatest extent while limiting the exposure of the state budget;

(2) "Demonstration project", a project selected by the social innovation grant team in response to the grant team's request for proposals process;

(3) "Social innovation grant", a grant awarded to a nonprofit organization with experience in the area of critical state concern to design a short-term demonstration project based on evidence and best practices that can be replicated to optimize state funding and services for populations and programs identified as areas of critical state concern.

2. Areas of critical state concern include, but are not limited to:

- (3) Academic leaders in research and study related to the critical state concern.**

4. The social innovation grant team shall be charged with:

- (2) Evaluating responsive proposals and selecting those bids for demonstration projects that provide the greatest opportunity for addressing the critical state concern in a cost-effective and replicable way; and**

- (2) Assessing, based on the actual experience of the project, the likely ease of statewide deployment in a methodology consistent with the execution of the project and identifying possible barriers to deployment;**
- (3) Analyzing the likely cost of statewide deployment; and**
- (4) Identifying funding strategies for statewide deployment, which may include scaling based on savings reinvestment or outside capital investments.**

This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2018, shall be invalid and void.

10. Under section 23.253 of the Missouri sunset act:

- (1) The provisions of the new program authorized under this section shall automatically sunset six years after the effective date of this section unless reauthorized by an act of the general assembly;**

(14) To both adopt and implement methods and policies designed to obtain the maximum insurance of such funds for each participant permitted and provided for by the Federal Deposit Insurance Corporation, or any other federal agency insuring deposits, and taking into consideration the law and regulation promulgated by such federal agencies for deposit insurance.

3. The funds shall be invested only in those investments which a prudent person acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims, as provided in section 105.688, as a means to hold funds until they are placed in a Missouri depository institution as a deposit. The board may delegate to duly appointed representatives of financial institutions authority to act in place of the board in the investment and reinvestment of all or part of the moneys and may also delegate to such

representatives the authority to act in place of the board in the holding, purchasing, selling, assigning, transferring, or disposing of any or all of the investments in which such moneys shall have been invested, as well as the proceeds of such investments and such moneys, however, such investments shall be limited to certificates of deposit and other deposits in federally insured depository institutions. Such representatives shall be registered as "qualified student deposit advisors on Section 529 plans" with the board and such board shall, by rule, develop and administer qualification tests from time to time to provide representatives the opportunity to qualify for this program. In exercising or delegating its investment powers and authority, members of the board shall exercise ordinary business care and prudence under the facts and circumstances prevailing at the time of the action or decision. No member of the board shall be liable for any action taken or omitted with respect to the exercise of, or delegation of, these powers and authority if such member shall have discharged the duties of his or her position in good faith and with that degree of diligence, care, and skill which a prudent person acting in a like capacity and familiar with these matters would use in the conduct of an enterprise of a like character and with like aims.

4. No board member or employee of the deposit program shall personally receive any gain or profit from any funds or transaction of the deposit program as a result of his or her membership on the board. Any board member, employee, or agent of the deposit program accepting any gratuity or compensation for the purpose of influencing such board member's, employee's, or agent's action with respect to choice of intermediary, including any financial institution, entity, or clearinghouse, for the funds of the deposit program shall thereby forfeit the office and in addition thereto be subject to the penalties prescribed for bribery. However, a board member who is regularly employed directly or indirectly by a financial institution may state that institution's interest and absent himself or herself from voting.

5. Depository institutions originating the deposit program shall be the agent of the board and offer terms for certificates of deposit and other deposits in such program as permitted by the board, subject to a uniform interest rate disclosure as defined in federal regulations of the Board of Governors of the Federal Reserve System, specifically Federal Reserve Regulation DD, as amended from time to time. The board shall establish various deposit opportunities based on amounts deposited and length of time held that are uniformly available to all depository institutions that elect to participate in the program, and the various categories of fixed or variable rates shall be the only interest rates available under this program. A depository institution that originates the deposit as agent for the board and participates in the program shall receive back and continue to hold the certificate of deposit or other deposit, provided such depository institution continues to comply with requirements and regulations prescribed by the board. Such deposit and certificate of deposit shall be titled in the name of the clearing entity for the benefit of the participant, and shall be insured as permitted by any agency of the federal government that insures deposits in depository institutions. Any depository institution or intermediary that fails to comply with these provisions shall forfeit its right to participate in this program; provided however, the board shall be the sole and exclusive judge of compliance except as otherwise provided by provisions in Section 529 of the Internal Revenue Code and the Internal Revenue Service enforcement of such section.

209.610. 1. The board may enter into ABLE program participation agreements with participants on behalf of designated beneficiaries pursuant to the provisions of sections 209.600 to 209.645, including the following terms and conditions:

- (1) A participation agreement shall stipulate the terms and conditions of the ABLE program in which the participant makes contributions;
- (2) A participation agreement shall specify the method for calculating the return on the contribution made by the participant;
- (3) A participation agreement shall clearly and prominently disclose to participants the risk associated with depositing moneys with the board;
- (4) Participation agreements shall be organized and presented in a way and with language that is easily understandable by the general public; and
- (5) A participation agreement shall clearly and prominently disclose to participants the existence of any load charge or similar charge assessed against the accounts of the participants for administration or services.

2. The board shall establish the maximum amount of contributions which may be made annually to an ABLE account, which shall be the same as the amount allowed by 26 U.S.C. Section 529A of the Internal Revenue Code of 1986, as amended.

3. The board shall establish a total contribution limit for savings accounts established under the ABLE program with respect to a designated beneficiary which shall in no event be less than the amount established as the contribution limit by the Missouri ~~higher~~ education savings program board for qualified tuition savings programs established under sections 166.400 to 166.450. No contribution shall be made to an ABLE account for a designated beneficiary if it would cause the balance of the ABLE account of the designated beneficiary to exceed the total

contribution limit established by the board. The board may establish other requirements that it deems appropriate to provide adequate safeguards to prevent contributions on behalf of a designated beneficiary from exceeding what is necessary to provide for the qualified disability expenses of the designated beneficiary.

4. The board shall establish the minimum length of time that contributions and earnings must be held by the ABLE program to qualify as tax exempt pursuant to section 209.625. Any contributions or earnings that are withdrawn or distributed from an ABLE account prior to the expiration of the minimum length of time, as established by the board, shall be subject to a penalty pursuant to section 209.620."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

 - (3) Providing due process for those accused of child abuse or neglect; and
 - (4) Maintaining an information system operating at all times, capable of receiving and maintaining reports.
- This information system shall have the ability to receive reports over a single, statewide toll-free number. Such information system shall maintain the results of all investigations, family assessments and services, and other relevant information.

2. The division shall utilize structured decision-making protocols for classification purposes of all child abuse and neglect reports. The protocols developed by the division shall give priority to ensuring the well-being and safety of the child. All child abuse and neglect reports shall be initiated within twenty-four hours and shall be classified based upon the reported risk and injury to the child. The division shall promulgate rules regarding the structured decision-making protocols to be utilized for all child abuse and neglect reports.

3. Upon receipt of a report, the division shall determine if the report merits investigation, including reports which if true would constitute a suspected violation of any of the following: section 565.020, 565.021, 565.023, 565.024, or 565.050 if the victim is a child less than eighteen years of age, section 566.030 or 566.060 if the victim is a child less than eighteen years of age, or other crimes under chapter 566 if the victim is a child less than eighteen years of age and the perpetrator is twenty-one years of age or older, section 567.050 if the victim is a child less than eighteen years of age, section 568.020, 568.030, 568.045, 568.050, 568.060, 573.200, or 573.205, section 573.025, 573.035, 573.037, or 573.040, or an attempt to commit any such crimes. The division shall immediately communicate all reports that merit investigation to its appropriate local office and any relevant information as may be contained in the information system. The local division staff shall determine, through the use of protocols developed by the division, whether an investigation or the family assessment and services approach should be used to respond to the allegation. The protocols developed by the division shall give priority to ensuring the well-being and safety of the child.

4. **The division may accept a report for investigation or family assessment if either the child or alleged perpetrator resides in Missouri, may be found in Missouri, or if the incident occurred in Missouri.**

5. If the division receives a report in which neither the child nor the alleged perpetrator resides in Missouri or may be found in Missouri and the incident did not occur in Missouri, the division shall document the report and communicate it to the appropriate agency or agencies in the state where the child is believed to be located, along with any relevant information or records as may be contained in the division's information system.

6. When the child abuse and neglect hotline receives three or more calls, within a seventy-two hour period, from one or more individuals concerning the same child, the division shall conduct a review to determine whether the calls meet the criteria and statutory definition for a child abuse and neglect report to be accepted. In conducting the review, the division shall contact the hotline caller or callers in order to collect information to determine whether the calls meet the criteria for harassment.

~~[5-]~~ 7. The local office shall contact the appropriate law enforcement agency immediately upon receipt of a report which division personnel determine merits an investigation and provide such agency with a detailed description of the report received. In such cases the local division office shall request the assistance of the local law enforcement agency in all aspects of the investigation of the complaint. The appropriate law enforcement agency shall either assist the division in the investigation or provide the division, within twenty-four hours, an explanation in writing detailing the reasons why it is unable to assist.

~~[6-]~~ 8. The local office of the division shall cause an investigation or family assessment and services approach to be initiated in accordance with the protocols established in subsection 2 of this section, except in cases where the sole basis for the report is educational neglect. If the report indicates the child is in danger of serious physical harm or threat to life, an investigation shall include direct observation of the subject child within twenty-four hours of the receipt of the report. Local law enforcement shall take all necessary steps to facilitate such direct observation. Callers to the child abuse and neglect hotline shall be instructed by the division's hotline to call 911 in instances where the child may be in immediate danger. If the parents of the child are not the alleged perpetrators, a parent of the child must be notified prior to the child being interviewed by the division. No person responding to or investigating a child abuse and neglect report shall call prior to a home visit or leave any documentation of any attempted visit, such as business cards, pamphlets, or other similar identifying information if he or she has a reasonable basis to believe the following factors are present:

If the alleged perpetrator is present during a visit by the person responding to or investigating the report, such person shall provide written material to the alleged perpetrator informing him or her of his or her rights regarding such visit, including but not limited to the right to contact an attorney. The alleged perpetrator shall be given a reasonable amount of time to read such written material or have such material read to him or her by the case worker before the visit commences, but in no event shall such time exceed five minutes; except that, such requirement to provide written material and reasonable time to read such material shall not apply in cases where the child faces an immediate threat or danger, or the person responding to or investigating the report is or feels threatened or in danger of physical harm. If the abuse is alleged to have occurred in a school or child care facility the division shall not meet with the child in any school building or child-care facility building where abuse of such child is alleged to have occurred. When the child is reported absent from the residence, the location and the well-being of the child shall be verified. For purposes of this subsection, "child care facility" shall have the same meaning as such term is defined in section 210.201.

~~[7-]~~ 9. The director of the division shall name at least one chief investigator for each local division office, who shall direct the division response on any case involving a second or subsequent incident regarding the same subject child or perpetrator. The duties of a chief investigator shall include verification of direct observation of the subject child by the division and shall ensure information regarding the status of an investigation is provided to the public school district liaison. The public school district liaison shall develop protocol in conjunction with the chief investigator to ensure information regarding an investigation is shared with appropriate school personnel. The superintendent of each school district shall designate a specific person or persons to act as the public school district liaison. Should the subject child attend a nonpublic school the chief investigator shall notify the school principal of the investigation. Upon notification of an investigation, all information received by the public school district liaison

or the school shall be subject to the provisions of the federal Family Educational Rights and Privacy Act (FERPA), 20 U.S.C., Section 1232g, and federal rule 34 C.F.R., Part 99.

~~[8-]~~ **10.** The investigation shall include but not be limited to the nature, extent, and cause of the abuse or neglect; the identity and age of the person responsible for the abuse or neglect; the names and conditions of other children in the home, if any; the home environment and the relationship of the subject child to the parents or other persons responsible for the child's care; any indication of incidents of physical violence against any other household or family member; and other pertinent data.

~~[9-]~~ **11.** When a report has been made by a person required to report under section 210.115, the division shall contact the person who made such report within forty-eight hours of the receipt of the report in order to ensure that full information has been received and to obtain any additional information or medical records, or both, that may be pertinent.

~~[10-]~~ **12.** Upon completion of the investigation, if the division suspects that the report was made maliciously or for the purpose of harassment, the division shall refer the report and any evidence of malice or harassment to the local prosecuting or circuit attorney.

~~[11-]~~ **13.** Multidisciplinary teams shall be used whenever conducting the investigation as determined by the division in conjunction with local law enforcement. Multidisciplinary teams shall be used in providing protective or preventive social services, including the services of law enforcement, a liaison of the local public school, the juvenile officer, the juvenile court, and other agencies, both public and private.

~~[12-]~~ **14.** For all family support team meetings involving an alleged victim of child abuse or neglect, the parents, legal counsel for the parents, foster parents, the legal guardian or custodian of the child, the guardian ad litem for the child, and the volunteer advocate for the child shall be provided notice and be permitted to attend all such meetings. Family members, other than alleged perpetrators, or other community informal or formal service providers that provide significant support to the child and other individuals may also be invited at the discretion of the parents of the child. In addition, the parents, the legal counsel for the parents, the legal guardian or custodian and the foster parents may request that other individuals, other than alleged perpetrators, be permitted to attend such team meetings. Once a person is provided notice of or attends such team meetings, the division or the convenor of the meeting shall provide such persons with notice of all such subsequent meetings involving the child. Families may determine whether individuals invited at their discretion shall continue to be invited.

~~[13-]~~ **15.** If the appropriate local division personnel determine after an investigation has begun that completing an investigation is not appropriate, the division shall conduct a family assessment and services approach. The division shall provide written notification to local law enforcement prior to terminating any investigative process. The reason for the termination of the investigative process shall be documented in the record of the division and the written notification submitted to local law enforcement. Such notification shall not preclude nor prevent any investigation by law enforcement.

~~[14-]~~ **16.** If the appropriate local division personnel determines to use a family assessment and services approach, the division shall:

- (1) Assess any service needs of the family. The assessment of risk and service needs shall be based on information gathered from the family and other sources;
- (2) Provide services which are voluntary and time-limited unless it is determined by the division based on the assessment of risk that there will be a high risk of abuse or neglect if the family refuses to accept the services. The division shall identify services for families where it is determined that the child is at high risk of future abuse or neglect. The division shall thoroughly document in the record its attempt to provide voluntary services and the reasons these services are important to reduce the risk of future abuse or neglect to the child. If the family continues to refuse voluntary services or the child needs to be protected, the division may commence an investigation;
- (3) Commence an immediate investigation if at any time during the family assessment and services approach the division determines that an investigation, as delineated in sections 210.109 to 210.183, is required. The division staff who have conducted the assessment may remain involved in the provision of services to the child and family;
- (4) Document at the time the case is closed, the outcome of the family assessment and services approach, any service provided and the removal of risk to the child, if it existed.

~~[15-]~~ **17.** (1) Within forty-five days of an oral report of abuse or neglect, the local office shall update the information in the information system. The information system shall contain, at a minimum, the determination made by the division as a result of the investigation, identifying information on the subjects of the report, those responsible for the care of the subject child and other relevant dispositional information. The division shall complete all investigations within forty-five days, unless good cause for the failure to complete the investigation is specifically documented in the information system. Good cause for failure to complete an investigation shall include, but not be limited to:

(a) The necessity to obtain relevant reports of medical providers, medical examiners, psychological testing, law enforcement agencies, forensic testing, and analysis of relevant evidence by third parties which has not been completed and provided to the division;

(b) The attorney general or the prosecuting or circuit attorney of the city or county in which a criminal investigation is pending certifies in writing to the division that there is a pending criminal investigation of the incident under investigation by the division and the issuing of a decision by the division will adversely impact the progress of the investigation; or

(c) The child victim, the subject of the investigation or another witness with information relevant to the investigation is unable or temporarily unwilling to provide complete information within the specified time frames due to illness, injury, unavailability, mental capacity, age, developmental disability, or other cause.

The division shall document any such reasons for failure to complete the investigation.

(2) If a child fatality or near-fatality is involved in a report of abuse or neglect, the investigation shall remain open until the division's investigation surrounding such death or near-fatal injury is completed.

(3) If the investigation is not completed within forty-five days, the information system shall be updated at regular intervals and upon the completion of the investigation, which shall be completed no later than ninety days after receipt of a report of abuse or neglect, or one hundred twenty days after receipt of a report of abuse or neglect involving sexual abuse, or until the division's investigation is complete in cases involving a child fatality or near-fatality. The information in the information system shall be updated to reflect any subsequent findings, including any changes to the findings based on an administrative or judicial hearing on the matter.

~~[16-]~~ 18. A person required to report under section 210.115 to the division and any person making a report of child abuse or neglect made to the division which is not made anonymously shall be informed by the division of his or her right to obtain information concerning the disposition of his or her report. Such person shall receive, from the local office, if requested, information on the general disposition of his or her report. Such person may receive, if requested, findings and information concerning the case. Such release of information shall be at the discretion of the director based upon a review of the reporter's ability to assist in protecting the child or the potential harm to the child or other children within the family. The local office shall respond to the request within forty-five days. The findings shall be made available to the reporter within five days of the outcome of the investigation. If the report is determined to be unsubstantiated, the reporter may request that the report be referred by the division to the office of child advocate for children's protection and services established in sections 37.700 to 37.730. Upon request by a reporter under this subsection, the division shall refer an unsubstantiated report of child abuse or neglect to the office of child advocate for children's protection and services.

~~[17-]~~ 19. The division shall provide to any individual who is not satisfied with the results of an investigation information about the office of child advocate and the services it may provide under sections 37.700 to 37.730.

~~[18-]~~ 20. In any judicial proceeding involving the custody of a child the fact that a report may have been made pursuant to sections 210.109 to 210.183 shall not be admissible. However:

(1) Nothing in this subsection shall prohibit the introduction of evidence from independent sources to support the allegations that may have caused a report to have been made; and

(2) The court may on its own motion, or shall if requested by a party to the proceeding, make an inquiry not on the record with the children's division to determine if such a report has been made.

If a report has been made, the court may stay the custody proceeding until the children's division completes its investigation.

~~[19-]~~ 21. **Nothing in this chapter shall be construed to prohibit the children's division from coinvestigating a report of child abuse or neglect or sharing records and information with child welfare, law enforcement, or judicial officers of another state, territory, or nation if the children's division determines it is appropriate to do so under the standard set forth in subsection 4 of section 210.150 and if such receiving agency is exercising its authority under the law.**

22. In any judicial proceeding involving the custody of a child where the court determines that the child is in need of services under paragraph (d) of subdivision (1) of subsection 1 of section 211.031 and has taken jurisdiction, the child's parent, guardian or custodian shall not be entered into the registry.

~~[20-]~~ 23. The children's division is hereby granted the authority to promulgate rules and regulations pursuant to the provisions of section 207.021 and chapter 536 to carry out the provisions of sections 210.109 to 210.183.

~~[24-]~~ **24.** Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2000, shall be invalid and void.

210.152. 1. All ~~[identifying]~~ information, including telephone reports reported pursuant to section 210.145, relating to reports of abuse or neglect received by the division shall be retained by the division ~~[and]~~ **or** removed from the records of the division as follows:

(1) For investigation reports contained in the central registry, ~~[identifying]~~ **the report and all** information shall be retained by the division;

(2) (a) For investigation reports initiated against a person required to report pursuant to section 210.115, where insufficient evidence of abuse or neglect is found by the division and where the division determines the allegation of abuse or neglect was made maliciously, for purposes of harassment, or in retaliation for the filing of a report by a person required to report, identifying information shall be expunged by the division within forty-five days from the conclusion of the investigation;

(b) For investigation reports, where insufficient evidence of abuse or neglect is found by the division and where the division determines the allegation of abuse or neglect was made maliciously, for purposes of harassment, or in retaliation for the filing of a report, identifying information shall be expunged by the division within forty-five days from the conclusion of the investigation;

(c) For investigation reports initiated by a person required to report under section 210.115, where insufficient evidence of abuse or neglect is found by the division, identifying information shall be retained for ~~[five]~~ **ten** years from the conclusion of the investigation. For all other investigation reports where insufficient evidence of abuse or neglect is found by the division, identifying information shall be retained for ~~[two]~~ **five** years from the conclusion of the investigation. Such reports shall include any exculpatory evidence known by the division, including exculpatory evidence obtained after the closing of the case. At the end of such time period, the identifying information shall be removed from the records of the division and destroyed;

(d) For investigation reports where the identification of the specific perpetrator or perpetrators cannot be substantiated and the division has specific evidence to determine that a child was abused or neglected, the division shall retain the report and all ~~[identifying]~~ information but shall not place an unknown perpetrator on the central registry. The division shall retain all ~~[identifying]~~ information ~~[for the purpose of utilizing such information in subsequent investigations or family assessments of the same child, the child's family, or members of the child's household]~~. The division shall retain and disclose information and findings in the same manner as the division retains and discloses family assessments. If the division made a finding of abuse or neglect against an unknown perpetrator prior to August 28, 2017, the division shall remove the unknown perpetrator from the central registry but shall retain and utilize all ~~[identifying]~~ information as otherwise provided in this section;

(3) For reports where the division uses the family assessment and services approach, ~~[identifying]~~ information shall be retained by the division;

(4) For reports in which the division is unable to locate the child alleged to have been abused or neglected, ~~[identifying]~~ information shall be retained for ~~[ten]~~ **eighteen** years from the date of the report and then shall be removed from the records ~~[of]~~ **by** the division.

2. Within ninety days, or within one hundred twenty days in cases involving sexual abuse, or until the division's investigation is complete in cases involving a child fatality or near-fatality, after receipt of a report of abuse or neglect that is investigated, the alleged perpetrator named in the report and the parents of the child named in the report, if the alleged perpetrator is not a parent, shall be notified in writing of any determination made by the division based on the investigation. The notice shall advise either:

(1) That the division has determined by a probable cause finding prior to August 28, 2004, or by a preponderance of the evidence after August 28, 2004, that abuse or neglect exists and that the division shall retain all ~~[identifying]~~ information regarding the abuse or neglect; that such information shall remain confidential and will not be released except to law enforcement agencies, prosecuting or circuit attorneys, or as provided in section 210.150; that the alleged perpetrator has sixty days from the date of receipt of the notice to seek reversal of the division's determination through a review by the child abuse and neglect review board as provided in subsection 4 of this section;

(2) That the division has not made a probable cause finding or determined by a preponderance of the evidence that abuse or neglect exists; or

(3) The division has been unable to determine the identity of the perpetrator of the abuse or neglect. The notice shall also inform the child's parents and legal guardian that the division shall retain, utilize, and disclose all information and findings as provided in family assessment and services cases.

3. The children's division may reopen a case for review if new, specific, and credible evidence is obtained.

4. Any person named in an investigation as a perpetrator who is aggrieved by a determination of abuse or neglect by the division as provided in this section may seek an administrative review by the child abuse and neglect review board pursuant to the provisions of section 210.153. Such request for review shall be made within sixty days of notification of the division's decision under this section. In those cases where criminal charges arising out of facts of the investigation are pending, the request for review shall be made within sixty days from the court's final disposition or dismissal of the charges.

5. In any such action for administrative review, the child abuse and neglect review board shall sustain the division's determination if such determination was supported by evidence of probable cause prior to August 28, 2004, or is supported by a preponderance of the evidence after August 28, 2004, and is not against the weight of such evidence. The child abuse and neglect review board hearing shall be closed to all persons except the parties, their attorneys and those persons providing testimony on behalf of the parties.

6. If the alleged perpetrator is aggrieved by the decision of the child abuse and neglect review board, the alleged perpetrator may seek de novo judicial review in the circuit court in the county in which the alleged perpetrator resides and in circuits with split venue, in the venue in which the alleged perpetrator resides, or in Cole County. If the alleged perpetrator is not a resident of the state, proper venue shall be in Cole County. The case may be assigned to the family court division where such a division has been established. The request for a judicial review shall be made within sixty days of notification of the decision of the child abuse and neglect review board decision. In reviewing such decisions, the circuit court shall provide the alleged perpetrator the opportunity to appear and present testimony. The alleged perpetrator may subpoena any witnesses except the alleged victim or the reporter. However, the circuit court shall have the discretion to allow the parties to submit the case upon a stipulated record.

7. In any such action for administrative review, the child abuse and neglect review board shall notify the child or the parent, guardian or legal representative of the child that a review has been requested."; and

This response shall not include any identifying information regarding any person other than the person to whom a foster home license was denied, suspended, or revoked. **The response shall not include financial, medical, or other personal information relating to the foster home provider or the foster home provider's family unless the division determines that the information is directly relevant to the disposition of the investigation and report.** The response shall be given within ten working days of the time it was received by the division.

2. The division may disclose or utilize information and records relating to foster homes in its discretion and as needed for the administration of the foster care program including, but not limited to, the licensure of foster homes and for the protection, care, and safety of children who are or who may be placed in foster care.

3. Upon written request, the director of the department of social services shall authorize the disclosure of information and findings pertaining to foster homes in cases of child fatalities or near-fatalities to courts, juvenile officers, law enforcement agencies, and prosecuting and circuit attorneys that have a need for the information to conduct their duties under law. Nothing in this subsection shall otherwise preclude the disclosure of such information as provided for under subsection 5 of section 210.150.

4. The division may disclose information and records pertaining to foster homes to juvenile officers, courts, the office of child advocate, guardians ad litem, law enforcement agencies, child welfare agencies, child placement agencies, prosecuting attorneys, and other local, state, and federal government agencies that have a need for the information to conduct their duties under law.

5. Information and records pertaining to the licensure of foster homes and the care and treatment of children in foster homes shall be considered closed records under chapter 610 and may only be disclosed and utilized under this section.

210.1030. 1. There is hereby created the “Trauma-Informed Care for Children and Families Task Force”. 2. The task force shall consist of the following members:

(1) The directors, or their designees, of the departments of elementary and secondary education, health and senior services, mental health, social services, public safety, and corrections;

(2) The director, or his or her designee, of the office of child advocate;

3. The task force shall incorporate evidence-based and evidence-informed best practices including, but not limited to, the Missouri Model: A Developmental Framework for Trauma-Informed, with respect to:

(1) Early identification of children and youth and their families, as appropriate, who have experienced or are at risk of experiencing trauma;

(2) The expeditious referral of such children and youth and their families, as appropriate, who require specialized services to the appropriate trauma-informed support services, including treatment, in accordance with applicable privacy laws; and

(3) The implementation of trauma-informed approaches and interventions in child and youth-serving schools, organizations, homes, and other settings to foster safe, stable, and nurturing environments and relationships that prevent and mitigate the effects of trauma.

4. The staff of senate research, house research, and the joint committee on legislative research shall provide such legal, research, clerical, technical, and bill drafting services as the task force may require in the performance of its duties.

5. The task force, its members, and any staff assigned to the task force shall receive reimbursement for their actual and necessary expenses incurred in attending meetings of the task force or any subcommittee thereof.

6. The task force shall meet within two months of the effective date of this section.

7. The task force shall report a summary of its activities and any recommendations for legislation to the general assembly and to the joint committee on child abuse and neglect under section 21.771 by January 1, 2019.

8. The task force shall terminate on January 1, 2019.

211.093. 1. Any order or judgment entered by the court under authority of this chapter or chapter 210 shall, so long as [such order or judgment remains in effect] **the juvenile court exercises continuing jurisdiction**, take precedence over any order or judgment concerning the status or custody of a child under [age] twenty-one years of age entered by a court under authority of chapter 452, 453, 454 or 455, **or orders of guardianship under chapter 475**, but only to the extent inconsistent therewith.

2. In addition to all other powers conveyed upon the court by this chapter and chapter 210, any court exercising jurisdiction over a child under subdivision (1) of subsection 1 of section 211.031 shall have authority to enter an order regarding custody of the child under chapter 452, enter a child support order computed under the guidelines set forth in section 452.340, and establish rights of visitation for the parents of the child. In every case in which the juvenile or family court exercises authority over a child under subdivision (1) or (2) of subsection 1 of section 211.031, the court shall have concurrent authority and

jurisdiction with the circuit court to enter a final order and judgment establishing the paternity of the child under the uniform parentage act under sections 210.817 to 210.852, unless the child has a legal father already established under sections 210.817 to 210.852 by affidavit or court order.

3. Any custody, support, or visitation order entered by the court under subsection 2 of this section shall remain in full force and effect after the termination of juvenile court proceedings unless the court's order specifically states otherwise. Any custody, child support, or visitation order shall take precedence over and shall automatically stay any prior orders concerning custody, child support, guardianship, or visitation for the child under the juvenile court's jurisdiction. Orders entered under subsection 2 of this section shall remain in full force and effect until a subsequent order with respect to custody, child support, guardianship, or visitation of the child is entered by a court under the authority of this chapter or chapter 210, 452, 453, 454, or 455, or orders of guardianship under chapter 475. Any final judgment and order establishing paternity under this section shall be a final and binding judgment of the circuit court as in other civil judgments entered under the uniform parentage act under sections 210.817 to 210.852, and the court may enter the final paternity judgment and order under a different, nonjuvenile case number.

4. If the juvenile court terminates jurisdiction without entering a continuing custody, support, or visitation order under subsections 2 and 3 of this section, legal and physical custody of the child shall be returned to the custodian, parent, or legal guardian who exercised custody prior to the juvenile court assuming jurisdiction under subdivision (1) of subsection 1 of section 211.031, and any custody or visitation orders in effect at the time the juvenile court assumed jurisdiction shall be restored.

5. The juvenile court shall not have the authority to hear modification motions or other actions to rehear any orders entered under this section after the juvenile court terminates jurisdiction on the underlying case. A circuit court in the same county as the juvenile court shall have jurisdiction to hear any motions for rehearing or modifications of any orders entered under this section after the juvenile court terminates jurisdiction. Any future actions shall be conducted under sections 210.817 to 210.852, this chapter, or chapter 452, 453, 454, 455, or 475, as appropriate.

6. On entry of a child support order, the circuit clerk shall follow the procedures set forth in section 454.412 and upon request send a certified copy of the order to the family support division.

211.444. [4-] The juvenile court may, upon petition of the juvenile officer or a child-placing agency licensed under sections 210.481 to 210.536 in conjunction with a placement with such agency under subsection 6 of section 453.010, or ~~[the court before which]~~ **a private attorney filing** a petition for adoption ~~[has been filed pursuant to]~~ under the provisions of chapter 453, terminate the rights of a parent **or receive the consent to adoption or waiver of consent to adoption executed by a parent or a named father** to a child, **including a child who is a ward of the court**, if the court finds that such termination **or consent to adoption or waiver of consent to adoption** is in the best interests of the child and the parent has, **in a properly executed writing under section 453.030 or 453.050**, consented ~~[in writing]~~ to the termination of his or her parental rights **or consented to an adoption or waived consent to adoption**.

~~[2. The written consent required by subsection 1 of this section may be executed before or after the institution of the proceedings and shall be acknowledged before a notary public. In lieu of such acknowledgment, the signature of the person giving the written consent shall be witnessed by at least two adult persons who are present at the execution whose signatures and addresses shall be plainly written thereon and who determine and certify that the consent is knowingly and freely given. The two adult witnesses shall not be the prospective parents. The notary public or witnesses shall verify the identity of the party signing the consent.~~

~~3. The written consent required by subsection 1 of this section shall be valid and effective only after the child is at least forty-eight hours old and if it complies with the other requirements of section 453.030.]~~

211.447. 1. Any information that could justify the filing of a petition to terminate parental rights may be referred to the juvenile officer by any person. The juvenile officer shall make a preliminary inquiry and if it appears that the information could justify the filing of a petition, the juvenile officer may take further action, including filing a petition. If it does not appear to the juvenile officer that a petition should be filed, such officer shall so notify the informant in writing within thirty days of the referral. Such notification shall include the reasons that the petition will not be filed.

2. Except as provided for in subsection 4 of this section, a petition to terminate the parental rights of the child's parent or parents shall be filed by the juvenile officer or the division, or if such a petition has been filed by another party, the juvenile officer or the division shall seek to be joined as a party to the petition, when:

(1) Information available to the juvenile officer or the division establishes that the child has been in foster care for at least fifteen of the most recent twenty-two months; or

(2) A court of competent jurisdiction has determined the child to be an abandoned infant. For purposes of this subdivision, an "infant" means any child one year of age or under at the time of filing of the petition. The court may find that an infant has been abandoned if:

(a) The parent has left the child under circumstances that the identity of the child was unknown and could not be ascertained, despite diligent searching, and the parent has not come forward to claim the child; or

(b) The parent has, without good cause, left the child without any provision for parental support and without making arrangements to visit or communicate with the child, although able to do so; or

(c) The parent has voluntarily relinquished a child under section 210.950; or

(3) A court of competent jurisdiction has determined that the parent has:

(a) Committed murder of another child of the parent; or

(b) Committed voluntary manslaughter of another child of the parent; or

(c) Aided or abetted, attempted, conspired or solicited to commit such a murder or voluntary manslaughter; or

(d) Committed a felony assault that resulted in serious bodily injury to the child or to another child of the parent; **or**

(4) The parent has been found guilty of or pled guilty to a felony violation of chapters 566 or 573 when the child or any child in the family was a victim, or a violation of sections 568.020 or 568.065 when the child or any child in the family was a victim. As used in this subdivision, a "child" means any person who was under eighteen years of age at the time of the crime and who resided with such parent or was related within the third degree of consanguinity or affinity to such parent.

3. A termination of parental rights petition shall be filed by the juvenile officer or the division, or if such a petition has been filed by another party, the juvenile officer or the division shall seek to be joined as a party to the petition, within sixty days of the judicial determinations required in subsection 2 of this section, except as provided in subsection 4 of this section. Failure to comply with this requirement shall not deprive the court of jurisdiction to adjudicate a petition for termination of parental rights which is filed outside of sixty days.

4. If grounds exist for termination of parental rights pursuant to subsection 2 of this section, the juvenile officer or the division may, but is not required to, file a petition to terminate the parental rights of the child's parent or parents if:

(1) The child is being cared for by a relative; or

(2) There exists a compelling reason for determining that filing such a petition would not be in the best interest of the child, as documented in the permanency plan which shall be made available for court review; or

(3) The family of the child has not been provided such services as provided for in section 211.183.

5. The juvenile officer or the division may file a petition to terminate the parental rights of the child's parent when it appears that one or more of the following grounds for termination exist:

(1) The child has been abandoned. For purposes of this subdivision a "child" means any child over one year of age at the time of filing of the petition. The court shall find that the child has been abandoned if, for a period of six months or longer:

(a) The parent has left the child under such circumstances that the identity of the child was unknown and could not be ascertained, despite diligent searching, and the parent has not come forward to claim the child; or

(b) The parent has, without good cause, left the child without any provision for parental support and without making arrangements to visit or communicate with the child, although able to do so;

(2) The child has been abused or neglected. In determining whether to terminate parental rights pursuant to this subdivision, the court shall consider and make findings on the following conditions or acts of the parent:

(a) A mental condition which is shown by competent evidence either to be permanent or such that there is no reasonable likelihood that the condition can be reversed and which renders the parent unable to knowingly provide the child the necessary care, custody and control;

(b) Chemical dependency which prevents the parent from consistently providing the necessary care, custody and control of the child and which cannot be treated so as to enable the parent to consistently provide such care, custody and control;

(c) A severe act or recurrent acts of physical, emotional or sexual abuse toward the child or any child in the family by the parent, including an act of incest, or by another under circumstances that indicate that the parent knew or should have known that such acts were being committed toward the child or any child in the family; or

(d) Repeated or continuous failure by the parent, although physically or financially able, to provide the child with adequate food, clothing, shelter, or education as defined by law, or other care and control necessary for the child's physical, mental, or emotional health and development.

Nothing in this subdivision shall be construed to permit discrimination on the basis of disability or disease;

(3) The child has been under the jurisdiction of the juvenile court for a period of one year, and the court finds that the conditions which led to the assumption of jurisdiction still persist, or conditions of a potentially harmful nature continue to exist, that there is little likelihood that those conditions will be remedied at an early date so that the child can be returned to the parent in the near future, or the continuation of the parent-child relationship greatly diminishes the child's prospects for early integration into a stable and permanent home. In determining whether to terminate parental rights under this subdivision, the court shall consider and make findings on the following:

(a) The terms of a social service plan entered into by the parent and the division and the extent to which the parties have made progress in complying with those terms;

(b) The success or failure of the efforts of the juvenile officer, the division or other agency to aid the parent on a continuing basis in adjusting his circumstances or conduct to provide a proper home for the child;

(c) A mental condition which is shown by competent evidence either to be permanent or such that there is no reasonable likelihood that the condition can be reversed and which renders the parent unable to knowingly provide the child the necessary care, custody and control;

(d) Chemical dependency which prevents the parent from consistently providing the necessary care, custody and control over the child and which cannot be treated so as to enable the parent to consistently provide such care, custody and control; or

~~(4) [The parent has been found guilty or pled guilty to a felony violation of chapter 566 when the child or any child in the family was a victim, or a violation of section 568.020 when the child or any child in the family was a victim. As used in this subdivision, a "child" means any person who was under eighteen years of age at the time of the crime and who resided with such parent or was related within the third degree of consanguinity or affinity to such parent; or~~

~~—(5)]~~ The child was conceived and born as a result of an act of forcible rape or rape in the first degree. When the biological father has pled guilty to, or is convicted of, the forcible rape or rape in the first degree of the birth mother, such a plea or conviction shall be conclusive evidence supporting the termination of the biological father's parental rights; or

~~[(6)]~~ (5) (a) The parent is unfit to be a party to the parent and child relationship because of a consistent pattern of committing a specific abuse including, but not limited to, specific conditions directly relating to the parent and child relationship which are determined by the court to be of a duration or nature that renders the parent unable for the reasonably foreseeable future to care appropriately for the ongoing physical, mental, or emotional needs of the child.

(b) It is presumed that a parent is unfit to be a party to the parent and child relationship upon a showing that:

- a. Within a three-year period immediately prior to the termination adjudication, the parent's parental rights to one or more other children were involuntarily terminated pursuant to subsection 2 or 4 of this section or subdivision (1), (2), ~~or (3) [or (4)]~~ of this subsection or similar laws of other states;

- b. If the parent is the birth mother and within eight hours after the child's birth, the child's birth mother tested positive and over .08 blood alcohol content pursuant to testing under section 577.020 for alcohol, or tested positive for cocaine, heroin, methamphetamine, a controlled substance as defined in section 195.010, or a prescription drug as defined in section 196.973, excepting those controlled substances or prescription drugs present in the mother's body as a result of medical treatment administered to the mother, and the birth mother is the biological mother of at least one other child who was adjudicated an abused or neglected minor by the mother or the mother has previously failed to complete recommended treatment services by the children's division through a family-centered services case;

- c. If the parent is the birth mother and at the time of the child's birth or within eight hours after a child's birth the child tested positive for alcohol, cocaine, heroin, methamphetamine, a controlled substance as defined in section 195.010, or a prescription drug as defined in section 196.973, excepting those controlled substances or prescription drugs present in the mother's body as a result of medical treatment administered to the mother, and the birth mother is the biological mother of at least one other child who was adjudicated an abused or neglected minor by the mother or the mother has previously failed to complete recommended treatment services by the children's division through a family-centered services case; or

- d. Within a three-year period immediately prior to the termination adjudication, the parent has pled guilty to or has been convicted of a felony involving the possession, distribution, or manufacture of cocaine, heroin, or methamphetamine, and the parent is the biological parent of at least one other child who was adjudicated an abused

or neglected minor by such parent or such parent has previously failed to complete recommended treatment services by the children's division through a family-centered services case.

6. The juvenile court may terminate the rights of a parent to a child upon a petition filed by the juvenile officer or the division, or in adoption cases, by a prospective parent, if the court finds that the termination is in the best interest of the child and when it appears by clear, cogent and convincing evidence that grounds exist for termination pursuant to subsection 2, 4 or 5 of this section.

7. When considering whether to terminate the parent-child relationship pursuant to subsection 2 or 4 of this section or subdivision (1), (2), **or (3)** ~~or (4)~~ of subsection 5 of this section, the court shall evaluate and make findings on the following factors, when appropriate and applicable to the case:

- (1) The emotional ties to the birth parent;
- (2) The extent to which the parent has maintained regular visitation or other contact with the child;
- (3) The extent of payment by the parent for the cost of care and maintenance of the child when financially able to do so including the time that the child is in the custody of the division or other child-placing agency;
- (4) Whether additional services would be likely to bring about lasting parental adjustment enabling a return of the child to the parent within an ascertainable period of time;
- (5) The parent's disinterest in or lack of commitment to the child;
- (6) The conviction of the parent of a felony offense that the court finds is of such a nature that the child will be deprived of a stable home for a period of years; provided, however, that incarceration in and of itself shall not be grounds for termination of parental rights;
- (7) Deliberate acts of the parent or acts of another of which the parent knew or should have known that subjects the child to a substantial risk of physical or mental harm.

8. The court may attach little or no weight to infrequent visitations, communications, or contributions. It is irrelevant in a termination proceeding that the maintenance of the parent-child relationship may serve as an inducement for the parent's rehabilitation.

9. In actions for adoption pursuant to chapter 453, the court may hear and determine the issues raised in a petition for adoption containing a prayer for termination of parental rights filed with the same effect as a petition permitted pursuant to subsection 2, 4, or 5 of this section.

10. The disability or disease of a parent shall not constitute a basis for a determination that a child is a child in need of care, for the removal of custody of a child from the parent, or for the termination of parental rights without a specific showing that there is a causal relation between the disability or disease and harm to the child.

431.056. 1. A minor shall be qualified and competent to contract for housing, employment, purchase of an automobile, receipt of a student loan, admission to high school or postsecondary school, obtaining medical care, establishing a bank account, admission to a shelter for victims of domestic violence, as ~~defined in section~~ **that phrase is used in sections 455.200 to 455.220, a rape crisis center, as defined in section 455.003,** or a homeless shelter, and receipt of services as a victim of domestic violence or sexual ~~abuse~~ **assault, as such terms are defined in section 455.010,** including but not limited to counseling, court advocacy, financial assistance, and other advocacy services, if:

In lieu of such acknowledgment, the signature of the person giving such written consent shall be witnessed by the signatures of at least two adult persons whose signatures and addresses shall be plainly written thereon. The two adult witnesses shall not be the prospective adoptive parents or any attorney representing a party to the adoption proceeding **other than the attorney representing the party signing the consent**. 6. A consent is final when executed, unless the consenting party, prior to a final decree of adoption, alleges and proves by clear and convincing evidence that the consent was not freely and voluntarily given. The burden of proving the consent was not freely and voluntarily given shall rest with the consenting party. Consents in all cases shall have been executed not more than six months prior to the date the petition for adoption is filed.

7. A consent form shall be developed through rules and regulations promulgated by the department of social services. No rule or portion of a rule promulgated under the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of chapter 536. If a written consent is obtained after August 28, 1997, but prior to the development of a consent form by the department and the written consent complies with the provisions of subsection 8 of this section, such written consent shall be deemed valid.

8. However, the consent form must specify that:

9. The written consent to adoption required by subsection 3 and executed through procedures set forth in subsection 5 of this section shall be valid and effective even though the parent consenting was under eighteen years of age, if such parent was represented by a guardian ad litem, at the time of the execution thereof.

10. Where the person sought to be adopted is eighteen years of age or older, his or her written consent alone to his or her adoption shall be sufficient.

11. A birth parent, including a birth parent less than eighteen years of age, shall have the right to legal representation and payment of any reasonable legal fees incurred throughout the adoption process. In addition, the court may appoint an attorney to represent a birth parent if:

(1) A birth parent requests representation;

(2) The court finds that hiring an attorney to represent such birth parent would cause a financial hardship for the birth parent; and

(3) The birth parent is not already represented by counsel.

12. Except in cases where the court determines that the adoptive parents are unable to pay reasonable attorney fees and appoints pro bono counsel for the birth parents, the court shall order the costs of the attorney fees incurred pursuant to subsection 11 of this section to be paid by the prospective adoptive parents or the child-placing agency.

13. The court shall receive and acknowledge a written consent to adoption properly executed by a birth parent under this section when such consent is in the best interests of the child.

453.080. 1. The court shall conduct a hearing to determine whether the adoption shall be finalized. **Out-of-state adoptive petitioners may appear by their attorney or by video or telephone conference rather than in person.** During such hearing, the court shall ascertain whether:

(1) The person sought to be adopted, if a child, has been in the lawful and actual custody of the petitioner for a period of at least six months prior to entry of the adoption decree; except that the six-month period may be waived if the person sought to be adopted is a child who is under the prior and continuing jurisdiction of a court pursuant to chapter 211 and the person desiring to adopt the child is the child's current foster parent. Lawful and

~~[(7)]~~ (6) There is compliance with the Interstate Compact on the Placement of Children pursuant to section 210.620; and

~~[(8)]~~ (7) It is fit and proper that such adoption should be made.

2. If a petition for adoption has been filed pursuant to section 453.010 and a transfer of custody has occurred pursuant to section 453.110, the court may authorize the filing for finalization in another state if the adoptive parents are domiciled in that state.

3. If the court determines the adoption should be finalized, a decree shall be issued setting forth the facts and ordering that from the date of the decree the adoptee shall be for all legal intents and purposes the child of the petitioner or petitioners. The court may decree that the name of the person sought to be adopted be changed, according to the prayer of the petition.

4. Before the completion of an adoption, the exchange of information among the parties shall be at the discretion of the parties. **Prospective adoptive parents and birth parents may enter into a written post adoption contact agreement to allow contact, communication, and the exchange of photographs after the adoption between the adoptive parents and the birth parents. The court shall not order any party to enter into a post adoption contact agreement. The agreement shall be filed with and approved by the court at or before the finalization of the adoption. The court shall approve an agreement only if the agreement is in the best interests of the child. The court may enforce or modify an agreement made under this subsection unless such enforcement or modification is not in the best interests of the child. The agreement shall include:**

(1) An acknowledgment by the birth parents that the adoption is irrevocable, even if the adoptive parents do not abide by the post adoption contact agreement;

(2) An acknowledgment by the adoptive parents that the agreement grants the birth parents the right to seek to enforce the provisions of the post adoption contact agreement. Remedies for a breach of the agreement shall include specific performance of the terms of the agreement; provided, that nothing in the agreement shall preclude a party seeking to enforce the agreement from utilizing child welfare mediation before, or in addition to, the commencement of a civil action for specific enforcement;

(3) An acknowledgment that the post adoption contact agreement shall be filed with and approved by the court in order to be enforceable; and

(4) An acknowledgment that the birth parents' consent to the adoption was not conditioned on the post adoption contact agreement and that acceptance of the agreement is fully voluntary.

Upon completion of an adoption, further contact among the parties shall be at the discretion of the adoptive parents **or in accordance with a post adoption contact agreement executed under this subsection.** The court shall not have jurisdiction to deny ~~[continuing contact between the adopted person and the birth parent, or an adoptive parent and a birth parent. Additionally, the court shall not have jurisdiction to deny]~~ an exchange of identifying information between an adoptive parent and a birth parent.

5. Before the completion of an adoption, the court shall make available to the birth parent or parents a contact preference form developed by the state registrar pursuant to section 193.128 and provided to the court by the department of health and senior services. If a birth parent chooses to complete the form, the clerk of the court shall send the form with the certificate of decree of adoption to the state registrar. Such form shall accompany the original birth certificate of the adopted person and may be updated by a birth parent at any time upon the request of the birth parent.

3. Nonidentifying information, if known, concerning undisclosed biological parents or siblings shall be furnished by the child-placing agency or the juvenile court to the adoptive parents, legal guardians, adopted adult or the adopted adult's lineal descendants if the adopted adult is deceased, upon written request therefor.

4. An adopted adult, or the adopted adult's lineal descendants if the adopted adult is deceased, may make a written request to the circuit court having original jurisdiction of such adoption to secure and disclose information identifying the adopted adult's biological parents. If the biological parents have consented to the release of identifying information under subsection 8 of this section, the court shall disclose such identifying information to the adopted adult or the adopted adult's lineal descendants if the adopted adult is deceased. If the biological parents have not consented to the release of identifying information under subsection 8 of this section, the court shall, within ten days of receipt of the request, notify in writing the child-placing agency or juvenile court personnel having access to the information requested of the request by the adopted adult or the adopted adult's lineal descendants.

5. Within three months after receiving notice of the request of the adopted adult, or the adopted adult's lineal descendants, the child-placing agency or the juvenile court personnel shall make reasonable efforts to notify the biological parents of the request of the adopted adult or the adopted adult's lineal descendants. (1) The nature of the identifying information to which the agency has access;
 (2) The nature of any nonidentifying information requested;
 (3) The date of the request of the adopted adult or the adopted adult's lineal descendants;
 (4) The right of the biological parent to file an affidavit with the court stating that the identifying information should be disclosed;
 (5) The effect of a failure of the biological parent to file an affidavit stating that the identifying information should be disclosed.

6. If the child-placing agency or juvenile court personnel reports to the court that it has been unable to notify the biological parent within three months, the identifying information shall not be disclosed to the adopted adult or the adopted adult's lineal descendants. Additional requests for the same or substantially the same information may not be made to the court within one year from the end of the three-month period during which the attempted notification was made, unless good cause is shown and leave of court is granted.

7. If, within three months, the child-placing agency or juvenile court personnel reports to the court that it has notified the biological parent pursuant to subsection 5 of this section, the court shall receive the identifying information from the child-placing agency. If an affidavit duly executed by a biological parent authorizing the release of information is filed with the court or if a biological parent is found to be deceased, the court shall disclose the identifying information as to that biological parent to the adopted adult or the adopted adult's lineal descendants if the adopted adult is deceased, provided that the other biological parent either:

No additional request for the same or substantially the same information may be made within three years of the time the biological parent fails or refuses to file an affidavit authorizing the release of identifying information.

8. Any adopted adult whose adoption was finalized in this state or whose biological parents had their parental rights terminated in this state may request the court to secure and disclose identifying information concerning an adult sibling. Identifying information pertaining exclusively to the adult sibling, whether part of the permanent record of a file in the court or in an agency, shall be released only upon consent of that adult sibling.

9. The central office of the children's division within the department of social services shall maintain a registry by which biological parents, adult siblings, and adoptive adults may indicate their desire to be contacted by each other. The division may request such identification for the registry as a party may possess to assure positive identifications. At the time of registry, a biological parent or adult sibling may consent in writing to the release of identifying information to an adopted adult. If such a consent has not been executed and the division believes that a match has occurred on the registry between biological parents or adult siblings and an adopted adult, an employee of the division shall make the confidential contact provided in subsection 5 of this section with the biological parents or adult siblings and with the adopted adult. If the division believes that a match has occurred on the registry between one biological parent or adult sibling and an adopted adult, an employee of the division shall make the confidential contact provided by subsection 5 of this section with the biological parent or adult sibling. The division shall then attempt to make such confidential contact with the other biological parent, and shall proceed thereafter to make such confidential contact with the adopted adult only if the division determines that the other biological parent meets one of the conditions specified in subsection 7 of this section. The biological parent, adult sibling, or adopted adult may refuse to go forward with any further contact between the parties when contacted by the division.

10. The provisions of this section, except as provided in subsection 5 of this section governing the release of identifying and nonidentifying adoptive information apply to adoptions completed before and after August 13, 1986.

11. All papers, records, and information known to or in the possession of an adoptive parent or adoptive child that pertain to an adoption, regardless of whether part of any permanent record or file, may be disclosed by the adoptive parent or adoptive child. House Amendment No. 2

AMEND Senate Bill No. 819, Page 6, Section 210.112, Line 160, by inserting immediately after said section and line the following:

"210.115. 1. When any physician, medical examiner, coroner, dentist, chiropractor, optometrist, podiatrist, resident, intern, nurse, hospital or clinic personnel that are engaged in the examination, care, treatment or research of persons, and any other health practitioner, psychologist, mental health professional, social worker, day care center worker or other child-care worker, juvenile officer, probation or parole officer, jail or detention center personnel, teacher, principal or other school official, minister as provided by section 352.400, peace officer or law enforcement official, **volunteer or personnel of a community service program that offers support services for families in crisis to assist in the delegation of any powers regarding the care and custody of a child by a properly executed power of attorney pursuant to sections 475.600 to 475.604**, or other person with responsibility for the care of children has reasonable cause to suspect that a child has been or may be subjected to abuse or neglect or observes a child being subjected to conditions or circumstances which would reasonably result in abuse or neglect, that person shall immediately report to the division in accordance with the provisions of sections 210.109 to 210.183. No internal investigation shall be initiated until such a report has been made. As used in this section, the term "abuse" is not limited to abuse inflicted by a person responsible for the child's care, custody and control as specified in section 210.110, but shall also include abuse inflicted by any other person.

2. If two or more members of a medical institution who are required to report jointly have knowledge of a known or suspected instance of child abuse or neglect, a single report may be made by a designated member of that medical team. Any member who has knowledge that the member designated to report has failed to do so shall thereafter immediately make the report. Nothing in this section, however, is meant to preclude any person from reporting abuse or neglect.

3. The reporting requirements under this section are individual, and no supervisor or administrator may impede or inhibit any reporting under this section. No person making a report under this section shall be subject to any sanction, including any adverse employment action, for making such report. Every employer shall ensure that any employee required to report pursuant to subsection 1 of this section has immediate and unrestricted access to communications technology necessary to make an immediate report and is temporarily relieved of other work duties for such time as is required to make any report required under subsection 1 of this section.

4. Notwithstanding any other provision of sections 210.109 to 210.183, any child who does not receive specified medical treatment by reason of the legitimate practice of the religious belief of the child's parents, guardian, or others legally responsible for the child, for that reason alone, shall not be found to be an abused or neglected child, and such parents, guardian or other persons legally responsible for the child shall not be entered into the central registry. However, the division may accept reports concerning such a child and may subsequently investigate or conduct a family assessment as a result of that report. Such an exception shall not limit the administrative or judicial authority of the state to ensure that medical services are provided to the child when the child's health requires it.

5. In addition to those persons and officials required to report actual or suspected abuse or neglect, any other person may report in accordance with sections 210.109 to 210.183 if such person has reasonable cause to suspect that a child has been or may be subjected to abuse or neglect or observes a child being subjected to conditions or circumstances which would reasonably result in abuse or neglect.

6. Any person or official required to report pursuant to this section, including employees of the division, who has probable cause to suspect that a child who is or may be under the age of eighteen, who is eligible to receive a certificate of live birth, has died shall report that fact to the appropriate medical examiner or coroner. If, upon

review of the circumstances and medical information, the medical examiner or coroner determines that the child died of natural causes while under medical care for an established natural disease, the coroner, medical examiner or physician shall notify the division of the child's death and that the child's attending physician shall be signing the death certificate. In all other cases, the medical examiner or coroner shall accept the report for investigation, shall immediately notify the division of the child's death as required in section 58.452 and shall report the findings to the child fatality review panel established pursuant to section 210.192.

7. Any person or individual required to report may also report the suspicion of abuse or neglect to any law enforcement agency or juvenile office. Such report shall not, however, take the place of reporting to the division.

8. If an individual required to report suspected instances of abuse or neglect pursuant to this section has reason to believe that the victim of such abuse or neglect is a resident of another state or was injured as a result of an act which occurred in another state, the person required to report such abuse or neglect may, in lieu of reporting to the Missouri children's division, make such a report to the child protection agency of the other state with the authority to receive such reports pursuant to the laws of such other state. If such agency accepts the report, no report is required to be made, but may be made, to the children's division."; and

Further amend said bill, Page 7, Section 210.487, Line 59, by inserting immediately after said section and line the following:

"475.600. Sections 475.600, 475.602, and 475.604 shall be known and may be cited as the "Supporting and Strengthening Families Act".

475.602. 1. A parent or legal custodian of a child may, by a properly executed power of attorney as provided under section 475.604, delegate to an attorney-in-fact for a period not to exceed one year, except as provided under subsection 7 of this section, any of the powers regarding the care and custody of the child, except the power to consent to marriage or adoption of the child, the performance or inducement of an abortion on or for the child, or the termination of parental rights to the child. A delegation of powers under this section shall not be construed to change or modify any parental or legal rights, obligations, or authority established by an existing court order or deprive the parent or legal custodian of any parental or legal rights, obligations, or authority regarding the custody, visitation, or support of the child.

2. The parent or legal custodian of the child shall have the authority to revoke or withdraw the power of attorney authorized in subsection 1 of this section at any time. Except as provided in subsection 7 of this section, if the delegation of authority lasts longer than one year, the parent or legal custodian of the child shall execute a new power of attorney for each additional year that the delegation exists. If a parent withdraws or revokes the power of attorney, the child shall be returned to the custody of the parents as soon as reasonably possible.

3. Unless the authority is revoked or withdrawn by the parent or legal custodian, the attorney-in-fact shall exercise parental or legal authority on a continuous basis without compensation for the duration of the power of attorney authorized by subsection 1 of this section and shall not be subject to any statutes dealing with the licensing or regulation of foster care homes.

4. Except as otherwise provided by law, if a parent or legal custodian uses a community service program that offers support services for families in crisis to assist in the delegation of any powers regarding the care and custody of a child by a properly executed power of attorney, then the execution of a power of attorney by such parent or legal custodian as authorized in subsection 1 of this section shall not constitute abandonment as provided in sections 568.030 and 568.032, or abuse or neglect as provided in sections 210.110 and 568.060, unless the parent or legal guardian fails to take custody of the child or execute a new power of attorney after the one-year time limit has elapsed. It shall be a violation of section 453.110 for any parent or legal custodian to execute a power of attorney with the intention of permanently avoiding or divesting himself or herself of parental or legal responsibility for the care of the child.

5. Under a delegation of powers as authorized by subsection 1 of this section, the child or children subject to the power of attorney shall not be considered placed in foster care as otherwise defined in law and the parties shall not be subject to any of the requirements or licensing regulations for foster care or other regulations relating to community care for children.

6. If a parent or legal custodian uses a community service program that offers support services for families in crisis to assist in the delegation of any powers regarding the care and custody of a child by a properly executed power of attorney, then the community service program shall ensure that a background

check is completed for the attorney-in-fact and any adult members of his or her household prior to the placement of the child. A community service program shall not place a child or children with an attorney-in-fact when he or she or any adult member of his or her household is found to be on the sex offender registry as established pursuant to sections 589.400 to 589.425, or the child abuse and neglect registry, as established pursuant to section 210.109, or has pled guilty or nolo contendere to or is found guilty of a felony offense under federal or state law. If a community service program has reasonable cause to suspect that a parent or legal custodian is executing a power of attorney under this section with the intention of permanently avoiding or divesting himself or herself of parental or legal responsibility for the care of the child, the community service program shall notify the Missouri children's division within the department of social services, and the division shall conduct an investigation of the parent or legal guardian to determine if there is a violation of section 453.110. A background check performed under this section shall include:

- (1) A national and state fingerprint-based criminal history check;
- (2) A sex offender registry, as established pursuant to sections 589.400 to 589.425, check; and
- (3) A child abuse and neglect registry, as established pursuant to section 210.109, check.

7. A parent or legal custodian who is a member of the Armed Forces of the United States including any reserve component thereof, the commissioned corps of the National Oceanic and Atmospheric Administration, the Public Health Service of the United States Department of Health and Human Services detailed by proper authority for duty with the Armed Forces of the United States, or who is required to enter or serve in the active military service of the United States under a call or order of the President of the United States or to serve on state active duty may delegate the powers designated in subsection 1 of this section for a period longer than one year if on active duty service. The term of delegation shall not exceed the term of active duty service plus thirty days.

8. Nothing in this section shall conflict or set aside the preexisting residency requirements under section 167.020. An attorney-in-fact to whom powers are delegated under a power of attorney authorized by this section shall make arrangements to ensure that the child attends classes at an appropriate school. If enrollment is at a public school, attendance shall be based upon residency or waiver of such residency requirements by the school.

9. If enrolled at any school, as soon as reasonably possible upon execution of a power of attorney for the temporary care of a child as authorized under this section, the child's school shall be notified of the existence of the power of attorney and be provided a copy of the power of attorney as well as the contact information for the attorney-in-fact. While the power of attorney is in force, the school shall communicate with both the attorney-in-fact and any parent or legal custodian with parental or legal rights, obligations, or authority regarding the custody, visitation, or support of the child. The school shall also be notified of the expiration, termination, or revocation of the power of attorney as soon as reasonably possible following such expiration, termination, or revocation and shall no longer communicate with the attorney-in-fact regarding the child upon the receipt of such notice.

10. No delegation of powers under this section shall operate to modify a child's eligibility for benefits the child is receiving at the time of the execution of the power of attorney including, but not limited to, eligibility for free or reduced lunch, health care costs, or other social services, except as may be inconsistent with federal or state law governing the relevant program or benefit.

475.604. Any form for the delegation of powers authorized under section 475.602 shall be witnessed by a notary public and contain the following information:

- (1) The full name of any child for whom parental and legal authority is being delegated;
- (2) The date of birth of any child for whom parental and legal authority is being delegated;
- (3) The full name and signature of the attorney-in-fact;
- (4) The address and telephone number of the attorney-in-fact;
- (5) The full name and signature of the parent or legal guardian;
- (6) One of the following statements:

(a) "I delegate to the attorney-in-fact all of my power and authority regarding the care, custody, and property of each minor child named above including, but not limited to, the right to enroll the child in school, inspect and obtain copies of education and other records concerning the child, the right to give or withhold any consent or waiver with respect to school activities, medical and dental treatment, and any other activity, function, or treatment that may concern the child. This delegation shall not include the power or authority to consent to marriage or adoption of the child, the performance or inducement of an abortion on or for the child, or the termination of parental rights to the child."; or

(b) "I delegate to the attorney-in-fact the following specific powers and responsibilities (insert list). This delegation shall not include the power or authority to consent to marriage or adoption of the child, the performance or inducement of an abortion on or for the child, or the termination of parental rights to the child."; and

(7) A description of the time for which the delegation is being made and an acknowledgment that the delegation may be revoked at any time.

~~[475.024. "37.940. 1. There is hereby established within the office of administration the "Social Innovation Grant Program". The governor shall designate an individual to serve as the executive director of the social

innovation grant program, who shall establish and oversee the program. For purposes of this section, the following terms mean:

(1) "Critical state concern", instances or circumstances in which the state of Missouri is currently, and will likely be in the future, responsible for the costs associated with a particular act of the state through annual appropriations. The programs for which the costs are associated may not be optimal for reducing the overall scope of the problem to the greatest extent while limiting the exposure of the state budget;

(2) "Demonstration project", a project selected by the social innovation grant team in response to the grant team's request for proposals process;

(3) "Social innovation grant", a grant awarded to a nonprofit organization with experience in the area of critical state concern to design a short-term demonstration project based on evidence and best practices that can be replicated to optimize state funding and services for populations and programs identified as areas of critical state concern.

2. Areas of critical state concern include, but are not limited to:

(1) Families in generational child welfare;

(2) Opioid-addicted pregnant women; and

(3) Children in residential treatment with behavioral issues where the children were not removed from the family due to abuse or neglect.

The office of administration or the general assembly may identify additional critical state concerns that could potentially be addressed through the social innovation grant program.

3. For any critical state concern for which a social innovation grant is being utilized, the executive director shall establish a "Social Innovation Grant Team" to be comprised of:

(1) Individuals working in governmental agencies responsible for the oversight of programs related to the critical state concern;

(2) Persons working in the nonprofit sector with practical field experience related to the critical state concern; and

(3) Academic leaders in research and study related to the critical state concern.

4. The social innovation grant team shall be charged with:

(1) Formulating a request for proposals for social innovation grants;

(2) Evaluating responsive proposals and selecting those bids for demonstration projects that provide the greatest opportunity for addressing the critical state concern in a cost-effective and replicable way; and

(3) Monitoring demonstration projects and evaluating them based on the objectives outlined in the request for proposals, the program's outline, the project's impact on the critical state concern, and the project's ability to be replicated on a cost-effective basis.

5. Demonstration projects shall be operated over a period of time sufficient to impact the population served by the project based on the parameters and objectives outlined in the request for proposals. Grantees, at a minimum, shall be nonprofit organizations with experience working with the population identified as a critical state concern.

6. Upon the conclusion of a demonstration project, the social innovation grant team shall compile all relevant data and submit a report to the general assembly:

(1) Evaluating the project's effectiveness in impacting the critical state concern;

(2) Assessing, based on the actual experience of the project, the likely ease of statewide deployment in a methodology consistent with the execution of the project and identifying possible barriers to deployment;

(3) Analyzing the likely cost of statewide deployment; and

(4) Identifying funding strategies for statewide deployment, which may include scaling based on savings reinvestment or outside capital investments.

7. The social innovation grant team shall identify methods to fund the social innovation grant program, including state partnerships with nonprofit organizations and foundations. The executive director of the social innovation grant program shall identify sustainability models for deploying successful demonstration projects.

8. All social innovation grants shall be subject to appropriation.

9. The office of administration may promulgate rules and regulations to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the

effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2018, shall be invalid and void.

10. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall automatically sunset six years after the effective date of this section unless reauthorized by an act of the general assembly;

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset twelve years after the effective date of the reauthorization of this section; and

standards of the Secretary of the United States Department of the Interior for rehabilitation as determined by the state historic preservation officer of the Missouri department of natural resources.

2. (1) During the period beginning on January 1, 2010, but ending on or after June 30, 2010, the department of economic development shall not approve applications for tax credits under the provisions of subsections [3] 4 and [8] 9 of section 253.559 which, in the aggregate, exceed seventy million dollars, increased by any amount of tax credits for which approval shall be rescinded under the provisions of section 253.559. For each fiscal year beginning on or after July 1, 2010, **but ending before June 30, 2018**, the department of economic development shall not approve applications for tax credits under the provisions of subsections [3] 4 and [8] 9 of section 253.559 which, in the aggregate, exceed one hundred forty million dollars, increased by any amount of tax credits for which approval shall be rescinded under the provisions of section 253.559. **For each fiscal year beginning on or after July 1, 2018, the department of economic development shall not approve applications for tax credits under the provisions of subsections 4 and 9 of section 253.559 which, in the aggregate, exceed ninety million dollars, increased by any amount of tax credits for which approval shall be rescinded under the provisions of section 253.559.** The limitations provided under this subsection shall not apply to applications approved under the provisions of subsection [3] 4 of section 253.559 for projects to receive less than two hundred seventy-five thousand dollars in tax credits.

(2) **For each fiscal year beginning on or after July 1, 2018, the department shall authorize an amount up to, but not to exceed, an additional thirty million dollars in tax credits issued under subsections 4 and 9 of section 253.559, provided that such tax credits are authorized solely for projects located in a qualified census tract.**

(3) **For each fiscal year beginning on or after July 1, 2018, if the maximum amount of tax credits allowed in any fiscal year as provided under subdivisions (1) and (2) of this subsection is authorized, the maximum amount of tax credits allowed under subdivision (1) of this subsection shall be adjusted by the percentage increase in the Consumer Price Index for All Urban Consumers, or its successor index, as such index is defined and officially reported by the United States Department of Labor, or its successor agency. Only one such adjustment shall be made for each instance in which the provisions of this subdivision apply. The director of the department of economic development shall publish such adjusted amount.**

3. For all applications for tax credits approved on or after January 1, 2010, no more than two hundred fifty thousand dollars in tax credits may be issued for eligible costs and expenses incurred in the rehabilitation of an eligible property which is a nonincome producing single-family, owner-occupied residential property and is either a certified historic structure or a structure in a certified historic district.

4. The limitations on tax credit authorization provided under the provisions of subsections 2 and 3 of this section shall not apply to:

(1) Any application submitted by a taxpayer, which has received approval from the department prior to January 1, 2010; or

(2) Any taxpayer applying for tax credits, provided under this section, which, on or before January 1, 2010, has filed an application with the department evidencing that such taxpayer:

(a) Has incurred costs and expenses for an eligible property which exceed the lesser of five percent of the total project costs or one million dollars and received an approved Part I from the Secretary of the United States Department of Interior; or

(b) Has received certification, by the state historic preservation officer, that the rehabilitation plan meets the standards consistent with the standards of the Secretary of the United States Department of the Interior, and the rehabilitation costs and expenses associated with such rehabilitation shall exceed fifty percent of the total basis in the property.

253.559. 1. To obtain approval for tax credits allowed under sections 253.545 to 253.559, a taxpayer shall submit an application for tax credits to the department of economic development. Each application for approval, including any applications received for supplemental allocations of tax credits as provided under subsection 8 of this section, shall be prioritized for review and approval, in the order of the date on which the application was postmarked, with the oldest postmarked date receiving priority. Applications postmarked on the same day shall go through a lottery process to determine the order in which such applications shall be reviewed.

2. Each application shall be reviewed by the department of economic development for approval. In order to receive approval, an application, other than applications submitted under the provisions of subsection [8] 9 of this section, shall include:

(1) Proof of ownership or site control. Proof of ownership shall include evidence that the taxpayer is the fee simple owner of the eligible property, such as a warranty deed or a closing statement. Proof of site control may

be evidenced by a leasehold interest or an option to acquire such an interest. If the taxpayer is in the process of acquiring fee simple ownership, proof of site control shall include an executed sales contract or an executed option to purchase the eligible property;

(2) Floor plans of the existing structure, architectural plans, and, where applicable, plans of the proposed alterations to the structure, as well as proposed additions;

(3) The estimated cost of rehabilitation, the anticipated total costs of the project, the actual basis of the property, as shown by proof of actual acquisition costs, the anticipated total labor costs, the estimated project start date, and the estimated project completion date;

(4) Proof that the property is an eligible property and a certified historic structure or a structure in a certified historic district; ~~and~~

(5) **A copy of all land use and building approvals reasonably necessary for the commencement of the project; and**

(6) Any other information which the department of economic development may reasonably require to review the project for approval.

Only the property for which a property address is provided in the application shall be reviewed for approval. Once selected for review, a taxpayer shall not be permitted to request the review of another property for approval in the place of the property contained in such application. Any disapproved application shall be removed from the review process. If an application is removed from the review process, the department of economic development shall notify the taxpayer in writing of the decision to remove such application. Disapproved applications shall lose priority in the review process. A disapproved application, which is removed from the review process, may be resubmitted, but shall be deemed to be a new submission for purposes of the priority procedures described in this section.

3. In evaluating an application for tax credits submitted under this section, the department of economic development shall also consider:

(1) **The amount of projected net fiscal benefit of the project to the state and local municipality, and the period in which the state and municipality would realize such net fiscal benefit;**

(2) **The overall size and quality of the proposed project, including the estimated number of new jobs to be created by the project, the potential multiplier effect of the project, and similar factors;**

(3) **The level of economic distress in the area; and**

(4) **Input from the local elected officials in which the proposed project is located as to the importance of the proposed project. For any proposed project in any city not within a county, input from the local elected officials shall include, but not be limited to, the president of the board of alderman.**

4. If the department of economic development deems the application sufficient, the taxpayer shall be notified in writing of the approval for an amount of tax credits equal to the amount provided under section 253.550 less any amount of tax credits previously approved. Such approvals shall be granted to applications in the order of priority established under this section and shall require full compliance thereafter with all other requirements of law as a condition to any claim for such credits. If the department of economic development disapproves an application, the taxpayer shall be notified in writing of the reasons for such disapproval. A disapproved application may be resubmitted.

~~[4-]~~ **5.** Following approval of an application, the identity of the taxpayer contained in such application shall not be modified except:

(1) The taxpayer may add partners, members, or shareholders as part of the ownership structure, so long as the principal remains the same, provided however, that subsequent to the commencement of renovation and the expenditure of at least ten percent of the proposed rehabilitation budget, removal of the principal for failure to perform duties and the appointment of a new principal thereafter shall not constitute a change of the principal; or

(2) Where the ownership of the project is changed due to a foreclosure, deed in lieu of a foreclosure or voluntary conveyance, or a transfer in bankruptcy.

~~[5-]~~ **6.** In the event that the department of economic development grants approval for tax credits equal to the total amount available under subsection 2 of section 253.550, or sufficient that when totaled with all other approvals, the amount available under subsection 2 of section 253.550 is exhausted, all taxpayers with applications then awaiting approval or thereafter submitted for approval shall be notified by the department of economic development that no additional approvals shall be granted during the fiscal year and shall be notified of the priority given to such taxpayer's application then awaiting approval. Such applications shall be kept on file by the department of economic development and shall be considered for approval for tax credits in the order established in this section in the event that additional credits become available due to the rescission of approvals or when a new fiscal year's allocation of credits becomes available for approval.

7. All taxpayers with applications receiving approval on or after July 1, 2019, shall submit within sixty days following the award of credits evidence of the capacity of the applicant to finance the costs and expenses for the rehabilitation of the eligible property in the form of a line of credit or letter of commitment subject to the lender's termination for a material adverse change impacting the extension of credit. If the department of economic development determines that a taxpayer has failed to comply with the requirements under this subsection, then the department shall notify the applicant of such failure and the applicant shall have a thirty day period from the date of such notice to submit additional evidence to remedy the failure.

~~[6-]~~ **8.** All taxpayers with applications receiving approval on or after the effective date of this act shall commence rehabilitation within ~~[two years]~~ **nine months** of the date of issuance of the letter from the department of economic development granting the approval for tax credits. "Commencement of rehabilitation" shall mean that as of the date in which actual physical work, contemplated by the architectural plans submitted with the application, has begun, the taxpayer has incurred no less than ten percent of the estimated costs of rehabilitation provided in the application. Taxpayers with approval of a project shall submit evidence of compliance with the provisions of this subsection. If the department of economic development determines that a taxpayer has failed to comply with the requirements provided under this section, the approval for the amount of tax credits for such taxpayer shall be rescinded and such amount of tax credits shall then be included in the total amount of tax credits, provided under subsection 2 of section 253.550, from which approvals may be granted. Any taxpayer whose approval shall be subject to rescission shall be notified of such from the department of economic development and, upon receipt of such notice, may submit a new application for the project.

~~[7-]~~ **9.** To claim the credit authorized under sections 253.550 to 253.559, a taxpayer with approval shall apply for final approval and issuance of tax credits from the department of economic development which, in consultation with the department of natural resources, shall determine the final amount of eligible rehabilitation costs and expenses and whether the completed rehabilitation meets the standards of the Secretary of the United States Department of the Interior for rehabilitation as determined by the state historic preservation officer of the Missouri department of natural resources. For financial institutions credits authorized pursuant to sections 253.550 to 253.561 shall be deemed to be economic development credits for purposes of section 148.064. The approval of all applications and the issuing of certificates of eligible credits to taxpayers shall be performed by the department of economic development. The department of economic development shall inform a taxpayer of final approval by letter and shall issue, to the taxpayer, tax credit certificates. The taxpayer shall attach the certificate to all Missouri income tax returns on which the credit is claimed.

~~[8-]~~ **10.** Except as expressly provided in this subsection, tax credit certificates shall be issued in the final year that costs and expenses of rehabilitation of the project are incurred, or within the twelve-month period immediately following the conclusion of such rehabilitation. In the event the amount of eligible rehabilitation costs and expenses incurred by a taxpayer would result in the issuance of an amount of tax credits in excess of the amount provided under such taxpayer's approval granted under subsection ~~[3]~~ **4** of this section, such taxpayer may apply to the department for issuance of tax credits in an amount equal to such excess. Applications for issuance of tax credits in excess of the amount provided under a taxpayer's application shall be made on a form prescribed by the department. Such applications shall be subject to all provisions regarding priority provided under subsection 1 of this section.

~~[9-]~~ **11.** The department of economic development shall determine, on an annual basis, the overall economic impact to the state from the rehabilitation of eligible property.

620.1900. 1. The department of economic development may charge a fee to the recipient of any tax credits issued by the department, in an amount up to two and one-half percent of the amount of tax credits issued, **or for tax credits issued under sections 253.545 to 253.559 in an amount equal to four percent of the amount of tax credits issued.** The fee shall be paid by the recipient upon the issuance of the tax credits. However, no fee shall be charged for the tax credits issued under section 135.460, or section 208.770, or under sections 32.100 to 32.125, if issued for community services, crime prevention, education, job training, or physical revitalization.

2. (1) All fees received by the department of economic development under this section shall be deposited solely to the credit of the economic development advancement fund, created under subsection 3 of this section.

(2) **Thirty-seven and one-half percent of the revenue derived from the four percent fee charged on tax credits issued under sections 253.545 to 253.559 shall be appropriated from the economic development advancement fund for business recruitment and marketing.**

3. There is hereby created in the state treasury the "Economic Development Advancement Fund", which shall consist of money collected under this section. The state treasurer shall be custodian of the fund and shall

approve disbursements from the fund in accordance with sections 30.170 and 30.180. Upon appropriation, money in the fund shall be used solely for the administration of this section. Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

4. Such fund shall consist of any fees charged under subsection 1 of this section, any gifts, contributions, grants, or bequests received from federal, private, or other sources, fees or administrative charges from private activity bond allocations, moneys transferred or paid to the department in return for goods or services provided by the department, and any appropriations to the fund.

5. At least fifty percent of the fees and other moneys deposited in the fund shall be appropriated for marketing, technical assistance, and training, contracts for specialized economic development services, and new initiatives and pilot programming to address economic trends. The remainder may be appropriated toward the costs of staffing and operating expenses for the program activities of the department of economic development, and for accountability functions."; and

"144.900. 1. Notwithstanding any other provision of law, any seller who does not have a physical presence in this state who sells tangible personal property or products transferred electronically shall be subject to this chapter, shall remit sales tax, and shall follow all applicable procedures and requirements as if the seller had a physical presence in the state, provided that in either the previous or current calendar year the seller has:

- (1) At least one hundred thousand dollars in gross revenue from sales in this state; or**
- (2) At least two hundred or more separate transactions in this state.**

2. A taxpayer complying with this section and section 144.901, voluntarily or otherwise, may only seek a recovery of taxes, penalties, or interest by following the recovery procedures under section 136.035. However, no claim shall be granted on the basis that the taxpayer lacked a physical presence in the state and complied with this section voluntarily while complying with the injunction of section 144.901. Nothing in this section limits the ability of any taxpayer to obtain a refund for any other reason, including overpayment or erroneous payment.

3. No seller who remits sales tax voluntarily or otherwise under this section shall be liable to a purchaser who claims that the sales tax was over-collected because a provision of this section is later deemed unlawful.

4. Nothing in this section shall affect the obligation of any purchaser from this state to remit use tax as to any applicable transaction in which the seller does not collect and remit or remit an offsetting sales tax.

144.901. 1. Notwithstanding any other provision of law and regardless if the state initiates an audit or other tax collection procedure, the state may bring a declaratory judgment action in any circuit court to establish that the obligation to remit sales tax is applicable and valid under state and federal law against any person who the state believes meets the criteria of section 144.900. The circuit court shall act on this declaratory judgment action as expeditiously as possible. The court shall presume that the matter shall be fully resolved through a motion to dismiss or a motion for summary judgment. Attorney's fees shall not be awarded in any action brought under section 144.900.

2. The filing of the declaratory judgment action by the state shall operate as an injunction during the pendency of the action, prohibiting any state entity from enforcing the obligation in section 144.900 against any taxpayer who does not affirmatively consent or otherwise remit the sales tax on a voluntary basis. The injunction shall not apply if there is a previous judgment against a taxpayer that establishes the validity of the taxpayer's obligation under section 144.900.

3. Any appeal from the decision with respect to the cause of action under section 144.900 shall only be made to the state supreme court. The appeal shall be heard as expeditiously as possible.

4. If an injunction under this section is lifted or dissolved, in general or with respect to a specific taxpayer, the state shall assess and apply the obligation established under section 144.900 from that date forward to any taxpayer affected by the injunction.

The governing body of any county of the first class having a charter form of government and having a population of over nine hundred thousand inhabitants may levy a tax not to exceed three percent on the amount of sales or charges for all rooms paid by the transient guests of hotels and motels situated within such county. Such tax should be known as a "Convention and Tourism Tax" and shall be deposited by the county treasurer in what shall be known as the "Convention and Tourism Fund". As used herein, "transient guests" means person or persons who occupy room or rooms in a hotel or motel for thirty-one days or less during any calendar quarter.

2. The person, firm or corporation, subject to the tax imposed by this section, shall collect the tax from the transient guests, and each such transient guest shall pay the amount of such tax to the person, firm or corporation directed to collect the tax imposed herein.

4. The governing body may establish reasonable rules and regulations governing procedures for collecting and reporting of the tax.

5. The governing body may provide in the ordinance levying the tax that from every remittance of the tax made, the person required to so remit may deduct and retain an amount equal to two percent of the taxes collected.

6. The ordinance shall establish procedures for refunds and penalties on delinquent taxes.

66.500. As used in sections 66.500 to 66.516, the following terms mean:

Sleeping accommodations consisting of one bedroom or more that rent for less than twenty dollars per day or less than eighty-five dollars per week and shelters for the homeless operated by not-for-profit organizations are not a "hotel, motel or tourist court" for the purposes of this act. **"Hotel, motel, or tourist court" shall include sleeping accommodations in residential dwelling rentals, as that term is defined under section 67.5110;**

(7) "Person", any individual, corporation, partnership or other entity;

67.662. Notwithstanding any other provisions of law to the contrary, any tax imposed or collected by any municipality, any county, or any local taxing entity on or related to any transient accommodations, whether imposed as a hotel tax, occupancy tax, or otherwise, shall apply solely to amounts actually received by the operator of a hotel, motel, tavern, inn, tourist cabin, tourist camp, **residential dwelling rental**, or other place in which rooms are furnished to the public. Under no circumstances shall a travel agent or intermediary be deemed an operator of a hotel, motel, tavern, inn, tourist cabin, tourist camp, **residential dwelling rental**, or other place in which rooms are furnished to the public unless such travel agent or intermediary actually operates such a facility. This section shall not apply if the purchaser of such rooms is an entity which is exempt from payment of such tax. This section is intended to clarify that taxes imposed as a hotel tax, occupancy tax, or otherwise shall apply solely to amounts received by operators, as enacted in the statutes authorizing such taxes.

67.1153. 1. The authority shall consist of five commissioners, who shall be qualified voters of the state of Missouri and residents of the county in which the authority is created. 2. The authority shall elect from its number a chairman, and may appoint such officers and employees as it may require for the performance of its duties and fix and determine their qualifications, duties and compensation. The tax authorized by this section shall be in addition to the charge for the sleeping room and shall be in addition to any and all taxes imposed by law, and the proceeds of such tax shall be used by the authority solely for funding the construction and operation of convention, visitor and sports facilities, other incidental facilities, and operation of the authority consistent with the provisions of sections 67.1150 to 67.1158. Such tax shall be stated separately from all other charges and taxes.

2. The question shall be submitted in substantially the following form:

☐ YES ☐ NO

If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the question, then the tax shall become effective on the first day of the calendar quarter following the calendar quarter in which the election was held. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the question, then the governing body for the county shall have no power to impose the tax authorized by this section unless and until the governing body of the county resubmits the question and such question is approved by a majority of the qualified voters voting thereon.

(3) The county may enter into an agreement with the director of revenue of the state of Missouri for the purpose of collecting the tax authorized in this section. In the event any county enters into an agreement with the director of revenue of the state of Missouri for the collection of the tax authorized in this section, the director of revenue shall perform all functions incident to the administration, collection, enforcement and operation of such tax, and shall collect the additional tax authorized under the provisions of this section. The tax authorized by this section shall be collected and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director of revenue, and the director of revenue shall retain not less than one percent nor more than three percent for cost of collection.

"66.390. 1. The governing body of any county of the first class having a charter form of government and having a population of over nine hundred thousand inhabitants may levy a tax not to exceed three percent on the amount of sales or charges for all rooms paid by the transient guests of hotels and motels situated within such county. Such tax should be known as a "Convention and Tourism Tax" and shall be deposited by the county treasurer in what shall be known as the "Convention and Tourism Fund". As used herein, "transient guests" means person or persons who occupy room or rooms in a hotel or motel for thirty-one days or less during any calendar quarter.

2. The person, firm or corporation, subject to the tax imposed by this section, shall collect the tax from the transient guests, and each such transient guest shall pay the amount of such tax to the person, firm or corporation directed to collect the tax imposed herein.

3. The tax imposed pursuant to the provisions of sections 66.390 to 66.398 shall be in addition to any and all other taxes and licenses.

4. The governing body may establish reasonable rules and regulations governing procedures for collecting and reporting of the tax.

5. The governing body may provide in the ordinance levying the tax that from every remittance of the tax made, the person required to so remit may deduct and retain an amount equal to two percent of the taxes collected.

6. The ordinance shall establish procedures for refunds and penalties on delinquent taxes.

7. For purposes of this section, rooms paid by the transient guests shall include rooms in residential dwelling rentals, as that term is defined under section 67.5110.

66.500. As used in sections 66.500 to 66.516, the following terms mean:

(1) "County", a constitutional charter county containing the major portion of a city with a population of at least three hundred fifty thousand inhabitants;

(2) "Food", all articles commonly used for food or drink, including alcoholic beverages, the provisions of chapter 311 notwithstanding;

(3) "Food establishment", any cafe, cafeteria, lunchroom or restaurant which sells food at retail and has at least five hundred thousand dollars in annual sales;

(6) "Hotel, motel or tourist court", any structure or building, under one management, which contains rooms furnished for the accommodation or lodging of guests, with or without meals being so provided, and kept, used, maintained, advertised, or held out to the public as a place where sleeping accommodations are sought for pay or compensation to transient guests or permanent guests and having more than eight bedrooms furnished for the accommodations of such guests. Sleeping accommodations consisting of one bedroom or more that rent for less than twenty dollars per day or less than eighty-five dollars per week and shelters for the homeless operated by not-for-profit organizations are not a "hotel, motel or tourist court" for the purposes of this act. **"Hotel, motel, or tourist court" shall include sleeping accommodations in residential dwelling rentals, as that term is defined under section 67.5110;**

(7) "Person", any individual, corporation, partnership or other entity;

Under no circumstances shall a travel agent or intermediary be deemed an operator of a hotel, motel, tavern, inn, tourist cabin, tourist camp, **residential dwelling rental**, or other place in which rooms are furnished to the public unless such travel agent or intermediary actually operates such a facility. This section shall not apply if the purchaser of such rooms is an entity which is exempt from payment of such tax. This section is intended to clarify that taxes imposed as a hotel tax, occupancy tax, or otherwise shall apply solely to amounts received by operators, as enacted in the statutes authorizing such taxes.

The tax authorized by this section shall be in addition to the charge for the sleeping room and shall be in addition to any and all taxes imposed by law, and the proceeds of such tax shall be used by the authority solely for funding the construction and operation of convention, visitor and sports facilities, other incidental facilities, and operation of the authority consistent with the provisions of sections 67.1150 to 67.1158. (6) A tax equivalent to four percent on the amount of sales or charges for all rooms, meals and drinks furnished at any hotel, motel, tavern, inn, restaurant, eating house, drugstore, dining car, tourist cabin, tourist camp, **residential dwelling rental as defined under section 67.5110**, or other place in which rooms, meals or drinks are regularly served to the public. The tax imposed under this subdivision shall not apply to any automatic mandatory gratuity for a large group imposed by a restaurant when such gratuity is reported as employee tip income and the restaurant withholds income tax under section 143.191 on such gratuity;

(7) A tax equivalent to four percent of the amount paid or charged for intrastate tickets by every person operating a railroad, sleeping car, dining car, express car, boat, airplane and such buses and trucks as are licensed by the division of motor carrier and railroad safety of the department of economic development of Missouri, engaged in the transportation of persons for hire;

(8) A tax equivalent to four percent of the amount paid or charged for rental or lease of tangible personal property, provided that if the lessor or renter of any tangible personal property had previously purchased the property under the conditions of sale at retail or leased or rented the property and the tax was paid at the time of purchase, lease or rental, the lessor, sublessor, renter or subrenter shall not apply or collect the tax on the subsequent lease, sublease, rental or subrental receipts from that property. The purchase, rental or lease of motor vehicles, trailers, motorcycles, mopeds, motortricycles, boats, and outboard motors shall be taxed and the tax paid as provided in this section and section 144.070. In no event shall the rental or lease of boats and outboard motors be considered a sale, charge, or fee to, for or in places of amusement, entertainment or recreation nor shall any such rental or lease be subject to any tax imposed to, for, or in such places of amusement, entertainment or recreation. Rental and leased boats or outboard motors shall be taxed under the provisions of the sales tax laws as provided under such laws for motor vehicles and trailers. Tangible personal property which is exempt from the sales or use tax under section 144.030 upon a sale thereof is likewise exempt from the sales or use tax upon the lease or rental thereof;

(9) A tax equivalent to four percent of the purchase price, as defined in section 144.070, of new and used motor vehicles, trailers, boats, and outboard motors purchased or acquired for use on the highways or waters of this

state which are required to be registered under the laws of the state of Missouri. This tax is imposed on the person titling such property, and shall be paid according to the procedures in section 144.440.

2. All tickets sold which are sold under the provisions of sections 144.010 to 144.525 which are subject to the sales tax shall have printed, stamped or otherwise endorsed thereon, the words "This ticket is subject to a sales tax.".

144.087. 1. The director of revenue ~~[shall]~~ **may** require ~~[all applicants for]~~ retail sales ~~[licenses and all]~~ licensees in default in filing a return and paying their taxes when due to file a bond in an amount to be determined by the director, which may be a corporate surety bond or a cash bond, but such bond shall not be more than two times the average monthly tax liability of the taxpayer~~[-estimated in the case of a new applicant, otherwise]~~ based on the previous twelve months' experience. At such time as the director of revenue shall deem the amount of a bond required by this section to be insufficient to cover the average monthly tax liability of a given taxpayer, he **or she** may require such taxpayer to adjust the amount of the bond to the level satisfactory to the director which will cover the amount of such liability. The director shall, after a reasonable period of satisfactory tax compliance for one year from the initial date of bonding, release such taxpayer from the bonding requirement as set forth in this section. All itinerant or temporary businesses shall be required to procure the license and post the bond required under the provisions of sections 144.083 and 144.087 prior to the selling of goods at retail, and in the event that such business is to be conducted for less than one month, the amount of the bond shall be determined by the director.

2. All cash bonds shall be deposited by the director of revenue into the state general revenue fund, and shall be released to the taxpayer pursuant to subsection 1 of this section from funds appropriated by the general assembly for such purpose. If appropriated funds are available, the commissioner of administration and the state treasurer shall cause such refunds to be paid within thirty days of the receipt of a warrant request for such payment from the director of the department of revenue.

3. ~~[An applicant or]~~ A licensee in default may, in lieu of filing any bond required under this section, provide the director of revenue with an irrevocable letter of credit, as defined in section ~~[400.5-103]~~ **400.5-102**, issued by any state or federally chartered financial institution, in an amount to be determined by the director or may obtain a certificate of deposit issued by any state or federally chartered financial institution, in an amount to be determined by the director, where such certificate of deposit is pledged to the department of revenue until released by the director in the same manner as bonds are released pursuant to subsection 1 of this section. As used in this subsection, the term "certificate of deposit" means a certificate representing any deposit of funds in a state or federally chartered financial institution for a specified period of time which earns interest at a fixed or variable rate, where such funds cannot be withdrawn prior to a specified time without forfeiture of some or all of the earned interest.

Section 2. Income derived from the rental of a primary residence for less than fifteen days during the year shall not be considered taxable income under chapter 143, consistent with Internal Revenue Service Publication 527.

Section 3. 1. No political subdivision shall enforce or enact an ordinance or law that prohibits or that has the practical effect of prohibiting residential dwelling rentals. No political subdivision shall adopt or enforce building code regulations on residential dwelling rentals that the political subdivision does not impose on all residential dwellings.

2. Notwithstanding any law to the contrary, no political subdivision shall enact or enforce regulations on the activity of a residential dwelling rental unless:

- (1) The regulation serves a compelling governmental interest relating to public health and safety;**
- (2) The regulation is narrowly tailored to such interest; and**
- (3) The regulation uses the least restrictive means to achieve that interest."; and"; and**

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Representative Eggleston requested a parliamentary ruling.

The Parliamentary Committee ruled the point of order not well taken.

Speaker Pro Tem Haahr resumed the Chair.

JOURNAL OF THE HOUSE

Second Regular Session, 99th GENERAL ASSEMBLY

SEVENTY-FIFTH DAY, WEDNESDAY, MAY 16, 2018

The House met pursuant to adjournment.

Representative Gregory in the Chair.

Speaker Richardson assumed the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

He who would love life and see good days, let him turn away from evil and do right; let him seek peace and pursue it.
(I Peter 3:10, 11)

O Peaceful God, creator and sustainer of the universe and of this planet we call the Earth, we Your children, created in Your own image, turn to You seeking strength for these hours, guidance for our undertakings, and good will for our relationships with other people.

We pray for our state. Cleanse our hearts and minds of all misunderstandings and revenge, which are the seeds of conflict. Make us quick to welcome every true adventure, in political cooperation, and every effort to strengthen our relationships with each other. Open the door of opportunity and give us courage to walk through it to a greater life together in the Show-Me State.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

House Amendment No. 3

AMEND House Committee Substitute for Senate Bill No. 773, Page 1, Section A, Line 3, by inserting after all of said section and line the following:

"32.087. 1. Within ten days after the adoption of any ordinance or order in favor of adoption of any local sales tax authorized under the local sales tax law by the voters of a taxing entity, the governing body or official of such taxing entity shall forward to the director of revenue by United States registered mail or certified mail a certified copy of the ordinance or order. The ordinance or order shall reflect the effective date thereof.

2. Any local sales tax so adopted shall become effective on the first day of the second calendar quarter after the director of revenue receives notice of adoption of the local sales tax, except as provided in subsection 18 of this section, and shall be imposed on all transactions on which the Missouri state sales tax is imposed.

3. Every retailer within the jurisdiction of one or more taxing entities which has imposed one or more local sales taxes under the local sales tax law shall add all taxes so imposed along with the tax imposed by the sales tax law of the state of Missouri to the sale price and, when added, the combined tax shall constitute a part of the price,

and shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price. The combined rate of the state sales tax and all local sales taxes shall be the sum of the rates, multiplying the combined rate times the amount of the sale.

4. The brackets required to be established by the director of revenue under the provisions of section 144.285 shall be based upon the sum of the combined rate of the state sales tax and all local sales taxes imposed under the provisions of the local sales tax law.

5. (1) The ordinance or order imposing a local sales tax under the local sales tax law shall impose a tax upon all transactions upon which the Missouri state sales tax is imposed to the extent and in the manner provided in sections 144.010 to 144.525, and the rules and regulations of the director of revenue issued pursuant thereto; except that the rate of the tax shall be the sum of the combined rate of the state sales tax or state highway use tax and all local sales taxes imposed under the provisions of the local sales tax law.

(2) Notwithstanding any other provision of law to the contrary, local taxing jurisdictions, except those in which voters have approved a local use tax under section 144.757, shall have placed on the ballot on or after the general election in November 2014, but no later than the general election in November ~~[2018]~~ **2022**, whether to repeal application of the local sales tax to the titling of motor vehicles, trailers, boats, and outboard motors that are subject to state sales tax under section 144.020 and purchased from a source other than a licensed Missouri dealer. The ballot question presented to the local voters shall contain substantially the following language:

Shall the (local jurisdiction's name) discontinue applying and collecting the local sales tax on the titling of motor vehicles, trailers, boats, and outboard motors that were purchased from a source other than a licensed Missouri dealer?

Approval of this measure will result in a reduction of local revenue to provide for vital services for (local jurisdiction's name) and it will place Missouri dealers of motor vehicles, outboard motors, boats, and trailers at a competitive disadvantage to non-Missouri dealers of motor vehicles, outboard motors, boats, and trailers.

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

(3) If the ballot question set forth in subdivision (2) of this subsection receives a majority of the votes cast in favor of the proposal, or if the local taxing jurisdiction fails to place the ballot question before the voters on or before the general election in November ~~[2018]~~ **2022**, the local taxing jurisdiction shall cease applying the local sales tax to the titling of motor vehicles, trailers, boats, and outboard motors that were purchased from a source other than a licensed Missouri dealer.

(4) In addition to the requirement that the ballot question set forth in subdivision (2) of this subsection be placed before the voters, the governing body of any local taxing jurisdiction that had previously imposed a local use tax on the use of motor vehicles, trailers, boats, and outboard motors may, at any time, place a proposal on the ballot at any election to repeal application of the local sales tax to the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer. If a majority of the votes cast by the registered voters voting thereon are in favor of the proposal to repeal application of the local sales tax to such titling, then the local sales tax shall no longer be applied to the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer. If a majority of the votes cast by the registered voters voting thereon are opposed to the proposal to repeal application of the local sales tax to such titling, such application shall remain in effect.

(5) In addition to the requirement that the ballot question set forth in subdivision (2) of this subsection be placed before the voters on or after the general election in November 2014, and on or before the general election in November ~~[2018]~~ **2022**, whenever the governing body of any local taxing jurisdiction imposing a local sales tax on the sale of motor vehicles, trailers, boats, and outboard motors receives a petition, signed by fifteen percent of the registered voters of such jurisdiction voting in the last gubernatorial election, and calling for a proposal to be placed on the ballot at any election to repeal application of the local sales tax to the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer, the governing body shall submit to the voters of such jurisdiction a proposal to repeal application of the local sales tax to such titling. If a majority of the votes cast by the registered voters voting thereon are in favor of the proposal to repeal application of the local sales tax to such titling, then the local sales tax shall no longer be applied to the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer. If a majority of the votes cast by the registered voters voting thereon are opposed to the proposal to repeal application of the local sales tax to such titling, such application shall remain in effect.

(6) Nothing in this subsection shall be construed to authorize the voters of any jurisdiction to repeal application of any state sales or use tax.

(7) If any local sales tax on the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer is repealed, such repeal shall take effect on the first day of the second calendar quarter after the election. If any local sales tax on the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer is required to cease to be applied or collected due to failure of a local taxing jurisdiction to hold an election pursuant to subdivision (2) of this subsection, such cessation shall take effect on March 1, ~~[2019]~~ **2023**.

(8) Notwithstanding any provision of law to the contrary, if any local sales tax on the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer is repealed after the general election in November 2014, or if the taxing jurisdiction failed to present the ballot to the voters at a general election on or before November ~~[2018]~~ **2022**, then the governing body of such taxing jurisdiction may, at any election subsequent to the repeal or after the general election in November ~~[2018]~~ **2022**, if the jurisdiction failed to present the ballot to the voters, place before the voters the issue of imposing a sales tax on the titling of motor vehicles, trailers, boats, and outboard motors that are subject to state sales tax under section 144.020 that were purchased from a source other than a licensed Missouri dealer. The ballot question presented to the local voters shall contain substantially the following language:

Shall the (local jurisdiction's name) apply and collect the local sales tax on the titling of motor vehicles, trailers, boats, and outboard motors that are subject to state sales tax under section 144.020 and purchased from a source other than a licensed Missouri dealer?

Approval of this measure will result in an increase of local revenue to provide for vital services for (local jurisdiction's name), and it will remove a competitive advantage that non-Missouri dealers of motor vehicles, outboard motors, boats, and trailers have over Missouri dealers of motor vehicles, outboard motors, boats, and trailers.

☐ YES ☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

(9) If any local sales tax on the titling of motor vehicles, trailers, boats, and outboard motors purchased from a source other than a licensed Missouri dealer is adopted, such tax shall take effect and be imposed on the first day of the second calendar quarter after the election.

6. On and after the effective date of any local sales tax imposed under the provisions of the local sales tax law, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax, and the director of revenue shall collect in addition to the sales tax for the state of Missouri all additional local sales taxes authorized under the authority of the local sales tax law. All local sales taxes imposed under the local sales tax law together with all taxes imposed under the sales tax law of the state of Missouri shall be collected together and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director of revenue.

7. All applicable provisions contained in sections 144.010 to 144.525 governing the state sales tax and section 32.057, the uniform confidentiality provision, shall apply to the collection of any local sales tax imposed under the local sales tax law except as modified by the local sales tax law.

8. All exemptions granted to agencies of government, organizations, persons and to the sale of certain articles and items of tangible personal property and taxable services under the provisions of sections 144.010 to 144.525, as these sections now read and as they may hereafter be amended, it being the intent of this general assembly to ensure that the same sales tax exemptions granted from the state sales tax law also be granted under the local sales tax law, are hereby made applicable to the imposition and collection of all local sales taxes imposed under the local sales tax law.

9. The same sales tax permit, exemption certificate and retail certificate required by sections 144.010 to 144.525 for the administration and collection of the state sales tax shall satisfy the requirements of the local sales tax law, and no additional permit or exemption certificate or retail certificate shall be required; except that the director of revenue may prescribe a form of exemption certificate for an exemption from any local sales tax imposed by the local sales tax law.

10. All discounts allowed the retailer under the provisions of the state sales tax law for the collection of and for payment of taxes under the provisions of the state sales tax law are hereby allowed and made applicable to any local sales tax collected under the provisions of the local sales tax law.

11. The penalties provided in section 32.057 and sections 144.010 to 144.525 for a violation of the provisions of those sections are hereby made applicable to violations of the provisions of the local sales tax law.

12. (1) For the purposes of any local sales tax imposed by an ordinance or order under the local sales tax law, all sales, except the sale of motor vehicles, trailers, boats, and outboard motors required to be titled under the laws of the state of Missouri, shall be deemed to be consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination. In the event a retailer has more than one place of business in this state which participates in the sale, the sale shall be deemed to be consummated at the place of business of the retailer where the initial order for the tangible personal property is taken, even though the order must be forwarded elsewhere for acceptance, approval of credit, shipment or billing. A sale by a retailer's agent or employee shall be deemed to be consummated at the place of business from which he works.

(2) For the purposes of any local sales tax imposed by an ordinance or order under the local sales tax law, the sales tax upon the titling of all motor vehicles, trailers, boats, and outboard motors shall be imposed at the rate in effect at the location of the residence of the purchaser, and remitted to that local taxing entity, and not at the place of business of the retailer, or the place of business from which the retailer's agent or employee works.

(3) For the purposes of any local tax imposed by an ordinance or under the local sales tax law on charges for mobile telecommunications services, all taxes of mobile telecommunications service shall be imposed as provided in the Mobile Telecommunications Sourcing Act, 4 U.S.C. Sections 116 through 124, as amended.

13. Local sales taxes shall not be imposed on the seller of motor vehicles, trailers, boats, and outboard motors required to be titled under the laws of the state of Missouri, but shall be collected from the purchaser by the director of revenue at the time application is made for a certificate of title, if the address of the applicant is within a taxing entity imposing a local sales tax under the local sales tax law.

14. The director of revenue and any of his deputies, assistants and employees who have any duties or responsibilities in connection with the collection, deposit, transfer, transmittal, disbursement, safekeeping, accounting, or recording of funds which come into the hands of the director of revenue under the provisions of the local sales tax law shall enter a surety bond or bonds payable to any and all taxing entities in whose behalf such funds have been collected under the local sales tax law in the amount of one hundred thousand dollars for each such tax; but the director of revenue may enter into a blanket bond covering himself and all such deputies, assistants and employees. The cost of any premium for such bonds shall be paid by the director of revenue from the share of the collections under the sales tax law retained by the director of revenue for the benefit of the state.

15. The director of revenue shall annually report on his management of each trust fund which is created under the local sales tax law and administration of each local sales tax imposed under the local sales tax law. He shall provide each taxing entity imposing one or more local sales taxes authorized by the local sales tax law with a detailed accounting of the source of all funds received by him for the taxing entity. Notwithstanding any other provisions of law, the state auditor shall annually audit each trust fund. A copy of the director's report and annual audit shall be forwarded to each taxing entity imposing one or more local sales taxes.

16. Within the boundaries of any taxing entity where one or more local sales taxes have been imposed, if any person is delinquent in the payment of the amount required to be paid by him under the local sales tax law or in the event a determination has been made against him for taxes and penalty under the local sales tax law, the limitation for bringing suit for the collection of the delinquent tax and penalty shall be the same as that provided in sections 144.010 to 144.525. Where the director of revenue has determined that suit must be filed against any person for the collection of delinquent taxes due the state under the state sales tax law, and where such person is also delinquent in payment of taxes under the local sales tax law, the director of revenue shall notify the taxing entity in the event any person fails or refuses to pay the amount of any local sales tax due so that appropriate action may be taken by the taxing entity.

17. Where property is seized by the director of revenue under the provisions of any law authorizing seizure of the property of a taxpayer who is delinquent in payment of the tax imposed by the state sales tax law, and where such taxpayer is also delinquent in payment of any tax imposed by the local sales tax law, the director of revenue shall permit the taxing entity to join in any sale of property to pay the delinquent taxes and penalties due the state and to the taxing entity under the local sales tax law. The proceeds from such sale shall first be applied to all sums due the state, and the remainder, if any, shall be applied to all sums due such taxing entity.

18. If a local sales tax has been in effect for at least one year under the provisions of the local sales tax law and voters approve reimposition of the same local sales tax at the same rate at an election as provided for in the local sales tax law prior to the date such tax is due to expire, the tax so reimposed shall become effective the first day of the first calendar quarter after the director receives a certified copy of the ordinance, order or resolution accompanied by a map clearly showing the boundaries thereof and the results of such election, provided that such ordinance, order or resolution and all necessary accompanying materials are received by the director at least thirty

days prior to the expiration of such tax. Any administrative cost or expense incurred by the state as a result of the provisions of this subsection shall be paid by the city or county reimposing such tax."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

House Amendment No. 5

AMEND House Committee Substitute for Senate Bill No. 773, Page 6, Section 67.3005, Line 45, by inserting after all of said section and line the following:

"135.760. 1. This section shall be known and may be cited as the "Missouri Earned Income Tax Credit Act".

2. For purposes of this section, the following terms mean:

(1) "Department", the department of revenue;

(2) "Eligible taxpayer", a resident individual with a filing status of single, head of household, widowed, or married filing combined who is subject to the tax imposed under chapter 143, excluding withholding tax imposed under sections 143.191 to 143.265, and who is allowed a federal earned income tax credit under Section 32 of the Internal Revenue Code of 1986, as amended;

(3) "Tax credit", a credit against the tax otherwise due under chapter 143, excluding withholding tax imposed under sections 143.191 to 143.265.

3. For all tax years beginning on or after January 1, 2019, an eligible taxpayer shall be allowed a tax credit in an amount equal to twenty percent of the amount such taxpayer would receive under the federal earned income tax credit. The tax credit allowed by this section shall be claimed by such taxpayer at the time such taxpayer files a return and shall be applied against the income tax liability imposed by chapter 143 after reduction for all other credits allowed thereon. If the amount of the credit exceeds the tax liability, the difference shall not be refunded to the taxpayer and shall not be carried forward to any subsequent tax year.

4. Notwithstanding the provision of subsection 4 of section 32.057 to the contrary, the department shall determine whether any taxpayer filing a report or return with the department who did not apply for the credit authorized under this section may qualify for the credit and, if so determines a taxpayer may qualify for the credit, shall notify such taxpayer of his or her potential eligibility. In making a determination of eligibility under this section, the department shall use any appropriate and available data including, but not limited to, data available from the Internal Revenue Service, the U.S. Department of Treasury, and state income tax returns from previous tax years.

5. The department shall prepare an annual report containing statistical information regarding the tax credits issued under this section for the previous tax year, including the total amount of revenue expended on the earned income tax credit, the number of credits claimed, and the average value of the credits issued to taxpayers whose earned income falls within various income ranges determined by the department.

6. The department shall contract with one or more nonprofit group to provide notice of the earned income tax credit to eligible taxpayers. The department shall require evidence of the effectiveness of the nonprofit group, the connection with the community in which the group operates, and the ability to contact taxpayers that are unlikely to claim the federal earned income tax credit including, but not limited to, non-English speakers, the elderly, tenants, and very low-income taxpayers who do not file tax returns annually. The department shall give preference to nonprofit groups with members in low- and moderate-income areas, to nonprofit groups with at least fifty-one percent of its board of directors having low to moderate incomes and residing in target communities, and to nonprofit groups that have a record of effective door-to-door outreach for similar community projects.

7. The director of the department shall promulgate rules and regulations to administer the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2018, shall be invalid and void."; and

"143.121. 1. The Missouri adjusted gross income of a resident individual shall be the taxpayer's federal adjusted gross income subject to the modifications in this section.

2. There shall be added to the taxpayer's federal adjusted gross income:

(1) The amount of any federal income tax refund received for a prior year which resulted in a Missouri income tax benefit;

(2) Interest on certain governmental obligations excluded from federal gross income by Section 103 of the Internal Revenue Code (**26 U.S.C. Section 103, as amended**). The previous sentence shall not apply to interest on obligations of the state of Missouri or any of its political subdivisions or authorities and shall not apply to the interest described in subdivision (1) of subsection 3 of this section. The amount added pursuant to this subdivision shall be reduced by the amounts applicable to such interest that would have been deductible in computing the taxable income of the taxpayer except only for the application of Section 265 of the Internal Revenue Code (**26 U.S.C. Section 265, as amended**). The reduction shall only be made if it is at least five hundred dollars;

(3) The amount of any deduction that is included in the computation of federal taxable income pursuant to Section 168 of the Internal Revenue Code (**26 U.S.C. Section 168**) as amended by the Job Creation and Worker Assistance Act of 2002 to the extent the amount deducted relates to property purchased on or after July 1, 2002, but before July 1, 2003, and to the extent the amount deducted exceeds the amount that would have been deductible pursuant to Section 168 of the Internal Revenue Code of 1986 (**26 U.S.C. Section 168**) as in effect on January 1, 2002;

(4) The amount of any deduction that is included in the computation of federal taxable income for net operating loss allowed by Section 172 of the Internal Revenue Code of 1986 (**26 U.S.C. Section 172**), as amended, other than the deduction allowed by Section [~~172(b)(1)(G)~~] **172(b)(1)(F)** and Section [~~172(i)~~] **172(h)** of the Internal Revenue Code of 1986 (**26 U.S.C. Section 172**), as amended, for a net operating loss the taxpayer claims in the tax year in which the net operating loss occurred or carries forward for a period of more than twenty years and carries backward for more than two years. Any amount of net operating loss taken against federal taxable income but disallowed for Missouri income tax purposes pursuant to this subdivision after June 18, 2002, may be carried forward and taken against any income on the Missouri income tax return for a period of not more than twenty years from the year of the initial loss; and

(5) For nonresident individuals in all taxable years ending on or after December 31, 2006, the amount of any property taxes paid to another state or a political subdivision of another state for which a deduction was allowed on such nonresident's federal return in the taxable year unless such state, political subdivision of a state, or the District of Columbia allows a subtraction from income for property taxes paid to this state for purposes of calculating income for the income tax for such state, political subdivision of a state, or the District of Columbia.

3. There shall be subtracted from the taxpayer's federal adjusted gross income the following amounts to the extent included in federal adjusted gross income:

(1) Interest or dividends on obligations of the United States and its territories and possessions or of any authority, commission or instrumentality of the United States to the extent exempt from Missouri income taxes pursuant to the laws of the United States. The amount subtracted pursuant to this subdivision shall be reduced by any interest on indebtedness incurred to carry the described obligations or securities and by any expenses incurred in the production of interest or dividend income described in this subdivision. (2) The portion of any gain, from the sale or other disposition of property having a higher adjusted basis to the taxpayer for Missouri income tax purposes than for federal income tax purposes on December 31, 1972, that does not exceed such difference in basis. If a gain is considered a long-term capital gain for federal income tax purposes, the modification shall be limited to one-half of such portion of the gain;

(3) The amount necessary to prevent the taxation pursuant to this chapter of any annuity or other amount of income or gain which was properly included in income or gain and was taxed pursuant to the laws of Missouri for a taxable year prior to January 1, 1973, to the taxpayer, or to a decedent by reason of whose death the taxpayer acquired the right to receive the income or gain, or to a trust or estate from which the taxpayer received the income or gain;

(7) The amount that would have been deducted in the computation of federal taxable income pursuant to Section 168 of the Internal Revenue Code (**26 U.S.C. Section 168**) as in effect on January 1, 2002, to the extent that amount relates to property purchased on or after July 1, 2002, but before July 1, 2003, and to the extent that amount exceeds the amount actually deducted pursuant to Section 168 of the Internal Revenue Code (**26 U.S.C. Section 168**) as amended by the Job Creation and Worker Assistance Act of 2002;

(8) For all tax years beginning on or after January 1, 2005, the amount of any income received for military service while the taxpayer serves in a combat zone which is included in federal adjusted gross income and not otherwise excluded therefrom. As used in this section, "combat zone" means any area which the President of the United States by Executive Order designates as an area in which Armed Forces of the United States are or have engaged in combat. Service is performed in a combat zone only if performed on or after the date designated by the President by Executive Order as the date of the commencing of combat activities in such zone, and on or before the date designated by the President by Executive Order as the date of the termination of combatant activities in such zone;

(9) For all tax years ending on or after July 1, 2002, with respect to qualified property that is sold or otherwise disposed of during a taxable year by a taxpayer and for which an additional modification was made under subdivision (3) of subsection 2 of this section, the amount by which additional modification made under subdivision (3) of subsection 2 of this section on qualified property has not been recovered through the additional subtractions provided in subdivision (7) of this subsection; and

(10) For all tax years beginning on or after January 1, 2014, the amount of any income received as payment from any program which provides compensation to agricultural producers who have suffered a loss as the result of a disaster or emergency, including the:

4. There shall be added to or subtracted from the taxpayer's federal adjusted gross income the taxpayer's share of the Missouri fiduciary adjustment provided in section 143.351.

5. There shall be added to or subtracted from the taxpayer's federal adjusted gross income the modifications provided in section 143.411.

6. In addition to the modifications to a taxpayer's federal adjusted gross income in this section, to calculate Missouri adjusted gross income there shall be subtracted from the taxpayer's federal adjusted gross income any gain recognized pursuant to Section 1033 of the Internal Revenue Code of 1986 (**26 U.S.C. Section 1033**), as amended, arising from compulsory or involuntary conversion of property as a result of condemnation or the imminence thereof.

7. (1) As used in this subsection, "qualified health insurance premium" means the amount paid during the tax year by such taxpayer for any insurance policy primarily providing health care coverage for the taxpayer, the taxpayer's spouse, or the taxpayer's dependents.

(2) In addition to the subtractions in subsection 3 of this section, one hundred percent of the amount of qualified health insurance premiums shall be subtracted from the taxpayer's federal adjusted gross income to the extent the amount paid for such premiums is included in federal taxable income. The taxpayer shall provide the department of revenue with proof of the amount of qualified health insurance premiums paid.

8. (1) Beginning January 1, 2014, in addition to the subtractions provided in this section, one hundred percent of the cost incurred by a taxpayer for a home energy audit conducted by an entity certified by the department of natural resources under section 640.153 or the implementation of any energy efficiency recommendations made in such an audit shall be subtracted from the taxpayer's federal adjusted gross income to the extent the amount paid for any such activity is included in federal taxable income. (3) Any deduction claimed under this subsection shall be claimed for the tax year in which the qualified home energy audit was conducted or in which the implementation of the energy efficiency recommendations occurred. If implementation of the energy efficiency recommendations occurred during more than one year, the deduction may be claimed in more than one year, subject to the limitations provided under subdivision (2) of this subsection.

(4) A deduction shall not be claimed for any otherwise eligible activity under this subsection if such activity qualified for and received any rebate or other incentive through a state-sponsored energy program or through an electric corporation, gas corporation, electric cooperative, or municipally owned utility.

House Amendment No. 7

AMEND House Committee Substitute for Senate Bill No. 773, Page 6, Section 67.3005, Line 45, by inserting after all of said line the following:

"99.805. As used in sections 99.800 to 99.865, unless the context clearly requires otherwise, the following terms shall mean:

(1) "Blighted area", an area which, by reason of the predominance of defective or inadequate street layout, insanitary or unsafe conditions, deterioration of site improvements, ~~[improper subdivision or obsolete platting,]~~ or the existence of conditions which endanger life or property by fire and other causes, or any combination of such factors, retards the provision of housing accommodations or constitutes an economic or social liability or a menace to the public health, safety, ~~[morals,]~~ or welfare in its present condition and use;

(2) "Collecting officer", the officer of the municipality responsible for receiving and processing payments in lieu of taxes or economic activity taxes from taxpayers or the department of revenue;

(3) "Conservation area", any improved area within the boundaries of a redevelopment area located within the territorial limits of a municipality in which fifty percent or more of the structures in the area have an age of thirty-five years or more. Such an area is not yet a blighted area but is detrimental to the public health, safety, morals, or welfare and may become a blighted area because of any one or more of the following factors: dilapidation; obsolescence; deterioration; illegal use of individual structures; presence of structures below minimum code standards; abandonment; excessive vacancies; overcrowding of structures and community facilities; lack of ventilation, light or sanitary facilities; inadequate utilities; excessive land coverage; deleterious land use or layout; depreciation of physical maintenance; and lack of community planning. A conservation area shall meet at least three of the factors provided in this subdivision for projects approved on or after December 23, 1997. **For all redevelopment plans and projects approved on or after January 1, 2020, in retail areas, a conservation area shall meet the dilapidation standard as one of the three factors required under this subdivision;**

(4) "Economic activity taxes", the total additional revenue from taxes which are imposed by a municipality and other taxing districts, and which are generated by economic activities within a redevelopment area over the amount of such taxes generated by economic activities within such redevelopment area in the calendar year prior to the adoption of the ordinance designating such a redevelopment area, while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, licenses, fees or special assessments. For redevelopment projects or redevelopment plans approved after December 23, 1997, if a retail establishment relocates within one year from one facility to another facility within the same county and the governing body of the municipality finds that the relocation is a direct beneficiary of tax increment financing, then for purposes of this definition, the economic activity taxes generated by the retail establishment shall equal the total additional revenues from economic activity taxes which are imposed by a municipality or other taxing district over the amount of economic activity taxes generated by the retail establishment in the calendar year prior to its relocation to the redevelopment area;

(5) "Economic development area", any area or portion of an area located within the territorial limits of a municipality, which does not meet the requirements of subdivisions (1) and (3) of this section, and in which the governing body of the municipality finds that redevelopment will not be solely used for development of commercial businesses which unfairly compete in the local economy and is in the public interest because it will:

- (a) Discourage commerce, industry or manufacturing from moving their operations to another state; or
- (b) Result in increased employment in the municipality; or
- (c) Result in preservation or enhancement of the tax base of the municipality;

(6) "Gambling establishment", an excursion gambling boat as defined in section 313.800 and any related business facility including any real property improvements which are directly and solely related to such business facility, whose sole purpose is to provide goods or services to an excursion gambling boat and whose majority ownership interest is held by a person licensed to conduct gambling games on an excursion gambling boat or licensed to operate an excursion gambling boat as provided in sections 313.800 to 313.850. This subdivision shall be applicable only to a redevelopment area designated by ordinance adopted after December 23, 1997;

(7) "Greenfield area", any vacant, unimproved, or agricultural property that is located wholly outside the incorporated limits of a city, town, or village, or that is substantially surrounded by contiguous properties with agricultural zoning classifications or uses unless said property was annexed into the incorporated limits of a city, town, or village ten years prior to the adoption of the ordinance approving the redevelopment plan for such greenfield area;

(8) "Municipality", a city, village, or incorporated town or any county of this state. For redevelopment areas or projects approved on or after December 23, 1997, municipality applies only to cities, villages, incorporated towns or counties established for at least one year prior to such date;

(9) "Obligations", bonds, loans, debentures, notes, special certificates, or other evidences of indebtedness issued by a municipality to carry out a redevelopment project or to refund outstanding obligations;

(10) "Ordinance", an ordinance enacted by the governing body of a city, town, or village or a county or an order of the governing body of a county whose governing body is not authorized to enact ordinances;

(11) "Payment in lieu of taxes", those estimated revenues from real property in the area selected for a redevelopment project, which revenues according to the redevelopment project or plan are to be used for a private use, which taxing districts would have received had a municipality not adopted tax increment allocation financing, and which would result from levies made after the time of the adoption of tax increment allocation financing during the time the current equalized value of real property in the area selected for the redevelopment project exceeds the total initial equalized value of real property in such area until the designation is terminated pursuant to subsection 2 of section 99.850;

(12) "Redevelopment area", an area designated by a municipality, in respect to which the municipality has made a finding that there exist conditions which cause the area to be classified as a blighted area, a conservation area, an economic development area, an enterprise zone pursuant to sections 135.200 to 135.256, or a combination thereof, which area includes only those parcels of real property directly and substantially benefitted by the proposed redevelopment project;

(13) "Redevelopment plan", the comprehensive program of a municipality for redevelopment intended by the payment of redevelopment costs to reduce or eliminate those conditions, the existence of which qualified the redevelopment area as a blighted area, conservation area, economic development area, or combination thereof, and to thereby enhance the tax bases of the taxing districts which extend into the redevelopment area. Each redevelopment plan shall conform to the requirements of section 99.810;

(14) "Redevelopment project", any development project within a redevelopment area in furtherance of the objectives of the redevelopment plan; any such redevelopment project shall include a legal description of the area selected for the redevelopment project;

(15) "Redevelopment project costs" include the sum total of all reasonable or necessary costs incurred or estimated to be incurred, and any such costs incidental to a redevelopment plan or redevelopment project, as applicable. Such costs include, but are not limited to, the following:

- (a) Costs of studies, surveys, plans, and specifications;
- (b) Professional service costs, including, but not limited to, architectural, engineering, legal, marketing, financial, planning or special services. Except the reasonable costs incurred by the commission established in section 99.820 for the administration of sections 99.800 to 99.865, such costs shall be allowed only as an initial expense which, to be recoverable, shall be included in the costs of a redevelopment plan or project;
- (c) Property assembly costs, including, but not limited to:
 - a. Acquisition of land and other property, real or personal, or rights or interests therein;
 - b. Demolition of buildings; and
 - c. The clearing and grading of land;

- (h) All or a portion of a taxing district's capital costs resulting from the redevelopment project necessarily incurred or to be incurred in furtherance of the objectives of the redevelopment plan and project, to the extent the municipality by written agreement accepts and approves such costs;

(i) Relocation costs to the extent that a municipality determines that relocation costs shall be paid or are required to be paid by federal or state law;

(j) Payments in lieu of taxes;

(16) **"Retail area", a proposed redevelopment area for which most of the projected tax increment financing revenue will be generated from retail businesses, which shall be businesses that primarily sell or offer to sell goods to a buyer primarily for the buyer's personal, family, or household use and not primarily for business, commercial, or agricultural use;**

(17) **"Retail infrastructure projects", highways, roads, streets, bridges, sewers, traffic control systems and devices, water distribution and supply systems, curbing, sidewalks, storm water and drainage systems, and any other similar public improvements, but in no case shall retail infrastructure projects include buildings;**

(18) "Special allocation fund", the fund of a municipality or its commission which contains at least two separate segregated accounts for each redevelopment plan, maintained by the treasurer of the municipality or the treasurer of the commission into which payments in lieu of taxes are deposited in one account, and economic activity taxes and other revenues are deposited in the other account;

~~[(49)]~~ (21) "Vacant land", any parcel or combination of parcels of real property not used for industrial, commercial, or residential buildings.

99.810. 1. Each redevelopment plan shall set forth in writing a general description of the program to be undertaken to accomplish the objectives and shall include, but need not be limited to, the estimated redevelopment project costs, the anticipated sources of funds to pay the costs, evidence of the commitments to finance the project costs, the anticipated type and term of the sources of funds to pay costs, the anticipated type and terms of the obligations to be issued, the most recent equalized assessed valuation of the property within the redevelopment area which is to be subjected to payments in lieu of taxes and economic activity taxes pursuant to section 99.845, an estimate as to the equalized assessed valuation after redevelopment, and the general land uses to apply in the redevelopment area. No redevelopment plan shall be adopted by a municipality without findings that:

(1) The redevelopment area on the whole is a blighted area, a conservation area, or an economic development area, and has not been subject to growth and development through investment by private enterprise and would not reasonably be anticipated to be developed without the adoption of tax increment financing. Such a finding shall include, but not be limited to, a **study conducted by a party other than the proponent of a redeveloped plan, which includes a** detailed description of the factors that qualify the redevelopment area or project pursuant to this subdivision and an affidavit, signed by the developer or developers and submitted with the redevelopment plan, attesting that the provisions of this subdivision have been met;

(2) The redevelopment plan conforms to the comprehensive plan for the development of the municipality as a whole;

(3) The estimated dates, which shall not be more than twenty-three years from the adoption of the ordinance approving a redevelopment project within a redevelopment area, of completion of any redevelopment project and retirement of obligations incurred to finance redevelopment project costs have been stated, provided that no ordinance approving a redevelopment project shall be adopted later than ten years from the adoption of the ordinance approving the redevelopment plan under which such project is authorized and provided that no property for a redevelopment project shall be acquired by eminent domain later than five years from the adoption of the ordinance approving such redevelopment project;

(4) A plan has been developed for relocation assistance for businesses and residences;

(5) A cost-benefit analysis showing the economic impact of the plan on each taxing district which is at least partially within the boundaries of the redevelopment area. The analysis shall show the impact on the economy if the project is not built, and is built pursuant to the redevelopment plan under consideration. The cost-benefit analysis shall include a fiscal impact study on every affected political subdivision, and sufficient information from the developer for the commission established in section 99.820 to evaluate whether the project as proposed is financially feasible;

(6) A finding that the plan does not include the initial development or redevelopment of any gambling establishment, provided however, that this subdivision shall be applicable only to a redevelopment plan adopted for a redevelopment area designated by ordinance after December 23, 1997.

2. **Tax increment allocation financing shall not be adopted under sections 99.800 to 99.866 in a retail area unless such financing is exclusively utilized to fund retail infrastructure projects or unless such area is a blighted area or conservation area. The provisions of this subsection shall not apply to any tax increment allocation financing project or plan approved before August 28, 2018, nor any amendment to tax increment allocation financing projects and plans approved before August 28, 2018, provided that such an amendment does not add buildings of new construction in excess of twenty-five percent of the scope of the original redevelopment agreement.**

3. By the last day of February each year, each commission shall report to the director of economic development the name, address, phone number and primary line of business of any business which relocates to the district. The director of the department of economic development shall compile and report the same to the governor, the speaker of the house and the president pro tempore of the senate on the last day of April each year.

99.825. 1. (1) Prior to the adoption of an ordinance proposing the designation of a redevelopment area, or approving a redevelopment plan or redevelopment project, the commission shall fix a time and place for a public

hearing as required in subsection 4 of section 99.820 and notify each taxing district located wholly or partially within the boundaries of the proposed redevelopment area, plan or project.

(2) At the public hearing any interested person or affected taxing district may file with the commission written objections to, or comments on, and may be heard orally in respect to, any issues embodied in the notice. The commission shall hear and consider all protests, objections, comments and other evidence presented at the hearing. The hearing may be continued to another date without further notice other than a motion to be entered upon the minutes fixing the time and place of the subsequent hearing; provided, if the commission is created under ~~subsection 3 of~~ section 99.820, the hearing shall not be continued for more than thirty days beyond the date on which it is originally opened unless such longer period is requested by the chief elected official of the municipality creating the commission and approved by a majority of the commission.

(3) Prior to the conclusion of the hearing, changes may be made in the redevelopment plan, redevelopment project, or redevelopment area, provided that each affected taxing district is given written notice of such changes at least seven days prior to the conclusion of the hearing. After the public hearing but prior to the adoption of an ordinance approving a redevelopment plan or redevelopment project, or designating a redevelopment area, changes may be made to the redevelopment plan, redevelopment projects or redevelopment areas without a further hearing, if such changes do not enlarge the exterior boundaries of the redevelopment area or areas, and do not substantially affect the general land uses established in the redevelopment plan or substantially change the nature of the redevelopment projects, provided that notice of such changes shall be given by mail to each affected taxing district and by publication in a newspaper of general circulation in the area of the proposed redevelopment not less than ten days prior to the adoption of the changes by ordinance.

(4) After the adoption of an ordinance approving a redevelopment plan or redevelopment project, or designating a redevelopment area, no ordinance shall be adopted altering the exterior boundaries, affecting the general land uses established pursuant to the redevelopment plan or changing the nature of the redevelopment project without complying with the procedures provided in this section pertaining to the initial approval of a redevelopment plan or redevelopment project and designation of a redevelopment area.

(5) Within ten days of the adoption of an ordinance approving a redevelopment plan or redevelopment project, or designating a redevelopment area, the commission created under section 99.820 shall notify each board or body that oversees a taxing district that is partially or wholly located within the redevelopment area of the approval of the ordinance.

(6) Hearings with regard to a redevelopment project, redevelopment area, or redevelopment plan may be held simultaneously.

(7) Notwithstanding any other provision of law to the contrary, in addition to a public hearing, the governing body of a city, town, or village shall, for a thirty-day period, establish a forum for the public to comment on the proposed district. The forum may be digital, physical, or both. Comments shall be recorded and delivered to the governing body before the governing body votes on the proposed district.

(8) A city, town, or village shall post the following information on its official internet website accessible by the public and, during the thirty-day comment period, on conspicuous signs located throughout the redevelopment area:

- (a) The boundaries of the proposed district by street location, or other readily identifiable means if no street location exists, and a map illustrating the proposed boundaries;**
- (b) The date, time, and place of the public hearing;**
- (c) A statement that a copy of the petition is available for review at the office of the municipal clerk during regular business hours; and**
- (d) A statement that all interested persons shall be given an opportunity to be heard at the public hearing.**

If a city, town, or village does not have an official internet website, it shall make the above information reasonably available in its most prominent building of governance.

2. If, after concluding the hearing required under this section, the commission makes a recommendation under section 99.820 in opposition to a proposed redevelopment plan, redevelopment project, or designation of a redevelopment area, or any amendments thereto, a municipality desiring to approve such project, plan, designation, or amendments shall do so only upon a two-thirds majority vote of the governing body of such municipality. For plans, projects, designations, or amendments approved by a municipality over the recommendation in opposition by the commission formed under ~~subsection 3 of~~ section 99.820, the economic activity taxes and payments in lieu of

taxes generated by such plan, project, designation, or amendment shall be restricted to paying only those redevelopment project costs contained in subparagraphs b. and c. of paragraph (c) of subdivision (15) of section 99.805 per redevelopment project.

3. Tax incremental financing projects within an economic development area shall apply to and fund only the following infrastructure projects: highways, roads, streets, bridges, sewers, traffic control systems and devices, water distribution and supply systems, curbing, sidewalks and any other similar public improvements, but in no case shall it include buildings.

99.843. Notwithstanding the provisions of sections 99.800 to 99.865 to the contrary, no new tax increment financing project shall be authorized in any greenfield area, as such term is defined in section 99.805~~[-that is located within a city not within a county or any county subject to the authority of the East West Gateway Council of Governments. Municipalities not subject to the authority of the East West Gateway Council of Governments may authorize tax increment finance projects in greenfield areas].~~

99.845. 1. A municipality, either at the time a redevelopment project is approved or, in the event a municipality has undertaken acts establishing a redevelopment plan and redevelopment project and has designated a redevelopment area after the passage and approval of sections 99.800 to 99.865 but prior to August 13, 1982, which acts are in conformance with the procedures of sections 99.800 to 99.865, may adopt tax increment allocation financing by passing an ordinance providing that after the total equalized assessed valuation of the taxable real property in a redevelopment project exceeds the certified total initial equalized assessed valuation of the taxable real property in the redevelopment project, the ad valorem taxes, and payments in lieu of taxes, if any, arising from the levies upon taxable real property in such redevelopment project by taxing districts and tax rates determined in the manner provided in subsection 2 of section 99.855 each year after the effective date of the ordinance until redevelopment costs have been paid shall be divided as follows:

(1) That portion of taxes, penalties and interest levied upon each taxable lot, block, tract, or parcel of real property which is attributable to the initial equalized assessed value of each such taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid by the county collector to the respective affected taxing districts in the manner required by law in the absence of the adoption of tax increment allocation financing;

(2) (a) Payments in lieu of taxes attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project and any applicable penalty and interest over and above the initial equalized assessed value of each such unit of property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid to the municipal treasurer who shall deposit such payment in lieu of taxes into a special fund called the "Special Allocation Fund" of the municipality for the purpose of paying redevelopment costs and obligations incurred in the payment thereof. Beginning August 28, 2014, if the voters in a taxing district vote to approve an increase in such taxing district's levy rate for ad valorem tax on real property, any additional revenues generated within an existing redevelopment project area that are directly attributable to the newly voter-approved incremental increase in such taxing district's levy rate shall not be considered payments in lieu of taxes subject to deposit into a special allocation fund without the consent of such taxing district. Revenues will be considered directly attributable to the newly voter-approved incremental increase to the extent that they are generated from the difference between the taxing district's actual levy rate currently imposed and the maximum voter-approved levy rate at the time that the redevelopment project was adopted. Payments in lieu of taxes which are due and owing shall constitute a lien against the real estate of the redevelopment project from which they are derived and shall be collected in the same manner as the real property tax, including the assessment of penalties and interest where applicable. The municipality may, in the ordinance, pledge the funds in the special allocation fund for the payment of such costs and obligations and provide for the collection of payments in lieu of taxes, the lien of which may be foreclosed in the same manner as a special assessment lien as provided in section 88.861. No part of the current equalized assessed valuation of each lot, block, tract, or parcel of property in the area selected for the redevelopment project attributable to any increase above the total initial equalized assessed value of such properties shall be used in calculating the general state school aid formula provided for in section 163.031 until such time as all redevelopment costs have been paid as provided for in this section and section 99.850.

(b) Notwithstanding any provisions of this section to the contrary, for purposes of determining the limitation on indebtedness of local government pursuant to Article VI, Section 26(b) of the Missouri Constitution, the current equalized assessed value of the property in an area selected for redevelopment attributable to the increase above the total initial equalized assessed valuation shall be included in the value of taxable tangible property as shown on the last completed assessment for state or county purposes.

(c) The county assessor shall include the current assessed value of all property within the taxing district in the aggregate valuation of assessed property entered upon the assessor's book and verified pursuant to section 137.245, and such value shall be utilized for the purpose of the debt limitation on local government pursuant to Article VI, Section 26(b) of the Missouri Constitution;

(3) For purposes of this section, "levies upon taxable real property in such redevelopment project by taxing districts" shall not include the blind pension fund tax levied under the authority of Article III, Section 38(b) of the Missouri Constitution, or the merchants' and manufacturers' inventory replacement tax levied under the authority of subsection 2 of Section 6 of Article X of the Missouri Constitution, except in redevelopment project areas in which tax increment financing has been adopted by ordinance pursuant to a plan approved by vote of the governing body of the municipality taken after August 13, 1982, and before January 1, 1998;

(4) The board or body that oversees a taxing district, as that term is defined under section 99.805, may elect to have fifty percent of the property or sales taxes levied by such district excluded from a tax increment allocation financing project or plan by passing a resolution by two-thirds majority no later than sixty days after the project or plan is adopted or approved by ordinance. The vote may occur before the ordinance is adopted. At least ten days prior to the vote on the resolution, the board shall post notice of and hold a public hearing. If the resolution passes, the board shall notify the director of revenue, the county collector, and every other taxing district in the redevelopment area. If the resolution passes, subdivision (2) of this subsection shall not apply to fifty percent of the tax levied by the taxing district, and fifty percent of the revenue from such tax shall be allocated to the district and shall not be allocated to redevelopment costs and obligations; and

(5) A school board of a school district may elect to have fifty percent of the portion of property tax revenue allocated to the school district by a county or municipality excluded from a tax increment allocation financing project or plan by passing a resolution by two-thirds majority no later than sixty days after the project or plan is adopted or approved by ordinance. The vote may occur before the ordinance is adopted. At least ten days prior to the vote on the resolution, the board shall post notice of and hold a public hearing. If the resolution passes, the board shall notify the director of revenue, the county collector, and every other taxing district in the redevelopment area. If the resolution passes, subdivision (2) of this subsection shall not apply to fifty percent of the percentage of property tax revenue equal to the average percentage of property tax revenue allocated to the school district over the preceding five years, and such percentage of revenue attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract, or parcel of real property within the redevelopment project area shall be allocated to the school district and shall not be allocated to redevelopment costs and obligations.

2. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after July 12, 1990, and prior to August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest imposed by the municipality, or other taxing districts, which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, licenses, fees or special assessments other than payments in lieu of taxes and any penalty and interest thereon, or, effective January 1, 1998, taxes levied pursuant to section 94.660, for the purpose of public transportation, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund. Any provision of an agreement, contract or covenant entered into prior to July 12, 1990, between a municipality and any other political subdivision which provides for an appropriation of other municipal revenues to the special allocation fund shall be and remain enforceable.

3. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest which are imposed by the municipality or other taxing districts, and which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, taxes levied for the purpose of public

transportation pursuant to section 94.660, taxes imposed on sales pursuant to subsection 2 of section 67.1712 for the purpose of operating and maintaining a metropolitan park and recreation district, licenses, fees or special assessments other than payments in lieu of taxes and penalties and interest thereon, any sales tax imposed by a county with a charter form of government and with more than six hundred thousand but fewer than seven hundred thousand inhabitants, for the purpose of sports stadium improvement or levied by such county under section 238.410 for the purpose of the county transit authority operating transportation facilities, or for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after August 28, 2013, taxes imposed on sales under and pursuant to section 67.700 or 650.399 for the purpose of emergency communication systems, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund. Beginning August 28, 2014, if the voters in a taxing district vote to approve an increase in such taxing district's sales tax or use tax, other than the renewal of an expiring sales or use tax, any additional revenues generated within an existing redevelopment project area that are directly attributable to the newly voter-approved incremental increase in such taxing district's levy rate shall not be considered economic activity taxes subject to deposit into a special allocation fund without the consent of such taxing district.

4. Beginning January 1, 1998, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance and which have complied with subsections 4 to 12 of this section, in addition to the payments in lieu of taxes and economic activity taxes described in subsections 1, 2 and 3 of this section, up to fifty percent of the new state revenues, as defined in subsection 8 of this section, estimated for the businesses within the project area and identified by the municipality in the application required by subsection 10 of this section, over and above the amount of such taxes reported by businesses within the project area as identified by the municipality in their application prior to the approval of the redevelopment project by ordinance, while tax increment financing remains in effect, may be available for appropriation by the general assembly as provided in subsection 10 of this section to the department of economic development supplemental tax increment financing fund, from the general revenue fund, for distribution to the treasurer or other designated financial officer of the municipality with approved plans or projects.

5. The treasurer or other designated financial officer of the municipality with approved plans or projects shall deposit such funds in a separate segregated account within the special allocation fund established pursuant to section 99.805.

6. No transfer from the general revenue fund to the Missouri supplemental tax increment financing fund shall be made unless an appropriation is made from the general revenue fund for that purpose. No municipality shall commit any state revenues prior to an appropriation being made for that project. For all redevelopment plans or projects adopted or approved after December 23, 1997, appropriations from the new state revenues shall not be distributed from the Missouri supplemental tax increment financing fund into the special allocation fund unless the municipality's redevelopment plan ensures that one hundred percent of payments in lieu of taxes and fifty percent of economic activity taxes generated by the project shall be used for eligible redevelopment project costs while tax increment financing remains in effect. This account shall be separate from the account into which payments in lieu of taxes are deposited, and separate from the account into which economic activity taxes are deposited.

7. In order for the redevelopment plan or project to be eligible to receive the revenue described in subsection 4 of this section, the municipality shall comply with the requirements of subsection 10 of this section prior to the time the project or plan is adopted or approved by ordinance. The director of the department of economic development and the commissioner of the office of administration may waive the requirement that the municipality's application be submitted prior to the redevelopment plan's or project's adoption or the redevelopment plan's or project's approval by ordinance.

8. For purposes of this section, "new state revenues" means:

(1) The incremental increase in the general revenue portion of state sales tax revenues received pursuant to section 144.020, excluding sales taxes that are constitutionally dedicated, taxes deposited to the school district trust fund in accordance with section 144.701, sales and use taxes on motor vehicles, trailers, boats and outboard motors and future sales taxes earmarked by law. In no event shall the incremental increase include any amounts attributable to retail sales unless the municipality or authority has proven to the Missouri development finance board and the department of economic development and such entities have made a finding that the sales tax increment attributable to retail sales is from new sources which did not exist in the state during the baseline year. The incremental increase in the general revenue portion of state sales tax revenues for an existing or relocated facility shall be the amount that current state sales tax revenue exceeds the state sales tax revenue in the base year as stated in the redevelopment plan as provided in subsection 10 of this section; or

(2) The state income tax withheld on behalf of new employees by the employer pursuant to section 143.221 at the business located within the project as identified by the municipality. The state income tax

withholding allowed by this section shall be the municipality's estimate of the amount of state income tax withheld by the employer within the redevelopment area for new employees who fill new jobs directly created by the tax increment financing project.

9. Subsection 4 of this section shall apply only to the following:

(a) Suffered from generally declining population or property taxes over the twenty-year period immediately preceding the area's designation as a project area by ordinance; or

(b) Was a historic hotel located in a county of the first classification without a charter form of government with a population according to the most recent federal decennial census in excess of one hundred fifty thousand and containing a portion of a city with a population according to the most recent federal decennial census in excess of three hundred fifty thousand;

(3) Blighted areas consisting solely of the site of a former insurance company national service center containing a minimum of one hundred acres located in any county with a charter form of government and with more than nine hundred fifty thousand inhabitants.

10. The initial appropriation of up to fifty percent of the new state revenues authorized pursuant to subsection 4 of this section shall not be made to or distributed by the department of economic development to a municipality until all of the following conditions have been satisfied:

(1) The director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee have approved a tax increment financing application made by the municipality for the appropriation of the new state revenues. The municipality shall include in the application the following items in addition to the items in section 99.810:

Upon approval of the application, the director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee shall issue a certificate of approval. The department of economic development may request the appropriation following application approval;
- (3) The appropriation shall be either a portion of the estimate of the incremental increase in the general revenue portion of state sales tax revenues in the redevelopment area or a portion of the estimate of the state income tax withheld by the employer on behalf of new employees who fill new jobs created in the redevelopment area as indicated in the municipality's application, approved by the director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee. At no time shall the annual amount of the new state revenues approved for disbursements from the Missouri supplemental tax increment financing fund exceed thirty-two million dollars; provided, however, that such thirty-two million dollar cap shall not apply to redevelopment plans or projects initially listed by name in the applicable appropriations bill after August 28, 2015, which involve either:

- (a) A former automobile manufacturing plant; or
- (b) The retention of a federal employer employing over two thousand geospatial intelligence jobs.

At no time shall the annual amount of the new state revenues for disbursements from the Missouri supplemental tax increment financing fund for redevelopment plans and projects eligible under the provisions of paragraph (a) of this subdivision exceed four million dollars in the aggregate. At no time shall the annual amount of the new state revenues for disbursements from the Missouri supplemental tax increment financing fund for redevelopment plans and projects eligible under the provisions of paragraph (b) of this subdivision exceed twelve million dollars in the aggregate. To the extent a redevelopment plan or project independently meets the eligibility criteria set forth in both paragraphs (a) and (b) of this subdivision, then at no such time shall the annual amount of new state revenues for disbursements from the Missouri supplemental tax increment financing fund for such eligible redevelopment plan or project exceed twelve million dollars in the aggregate;

(4) Redevelopment plans and projects receiving new state revenues shall have a duration of up to fifteen years, unless prior approval for a longer term is given by the director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee; except that, in no case shall the duration exceed twenty-three years.

11. 12. There is hereby established within the state treasury a special fund to be known as the "Missouri Supplemental Tax Increment Financing Fund", to be administered by the department of economic development. The department shall annually distribute from the Missouri supplemental tax increment financing fund the amount of the new state revenues as appropriated as provided in the provisions of subsection 4 of this section if and only if the conditions of subsection 10 of this section are met. Such amounts shall be recovered from new state revenues deposited into the Missouri supplemental tax increment financing fund created under this section.

14. For redevelopment plans or projects approved by ordinance that result in net new jobs from the relocation of a national headquarters from another state to the area of the redevelopment project, the economic activity taxes and new state tax revenues shall not be based on a calculation of the incremental increase in taxes as compared to the base year or prior calendar year for such redevelopment project, rather the incremental increase shall be the amount of total taxes generated from the net new jobs brought in by the national headquarters from another state. In no event shall this subsection be construed to allow a redevelopment project to receive an appropriation in excess of up to fifty percent of the new state revenues.

15. Notwithstanding any other provision of the law to the contrary, the adoption of any tax increment financing authorized under sections 99.800 to 99.865 shall not supersede, alter, or reduce in any way a property tax levied under section 205.971."; and

(5) **"Reliever airport", any land and improvements, exclusive of structures, on privately owned airports that qualify as reliever airports under the National Plan of Integrated Airports System that may receive federal airport improvement project funds through the Federal Aviation Administration;**

(6) "Tangible personal property" includes every tangible thing being the subject of ownership or part ownership whether animate or inanimate, other than money, and not forming part or parcel of real property as herein defined, but does not include household goods, furniture, wearing apparel and articles of personal use and adornment, as defined by the state tax commission, owned and used by a person in his home or dwelling place.

137.016. 1. As used in Section 4(b) of Article X of the Missouri Constitution, the following terms mean:

(1) "Residential property", all real property improved by a structure which is used or intended to be used for residential living by human occupants, vacant land in connection with an airport, land used as a golf course, manufactured home parks, bed and breakfast inns in which the owner resides and uses as a primary residence with

six or fewer rooms for rent, and time-share units as defined in section 407.600, except to the extent such units are actually rented and subject to sales tax under subdivision (6) of subsection 1 of section 144.020, but residential property shall not include other similar facilities used primarily for transient housing. For the purposes of this section, “transient housing” means all rooms available for rent or lease for which the receipts from the rent or lease of such rooms are subject to state sales tax pursuant to subdivision (6) of subsection 1 of section 144.020;

(2) “Agricultural and horticultural property”, all real property used for agricultural purposes and devoted primarily to the raising and harvesting of crops; to the feeding, breeding and management of livestock which shall include breeding, showing, and boarding of horses; to dairying, or to any other combination thereof; and buildings and structures customarily associated with farming, agricultural, and horticultural uses. Agricultural and horticultural property shall also include land devoted to and qualifying for payments or other compensation under a soil conservation or agricultural assistance program under an agreement with an agency of the federal government. Agricultural and horticultural property shall further include ~~land and improvements, exclusive of structures, on privately owned airports that qualify as reliever airports under the National Plan of Integrated Airports System, to receive federal airport improvement project funds through the Federal Aviation Administration]~~ **any reliever airport**. Real property classified as forest croplands shall not be agricultural or horticultural property so long as it is classified as forest croplands and shall be taxed in accordance with the laws enacted to implement Section 7 of Article X of the Missouri Constitution. Agricultural and horticultural property shall also include any sawmill or planing mill defined in the U.S. Department of Labor’s Standard Industrial Classification (SIC) Manual under Industry Group 242 with the SIC number 2421;

(3) “Utility, industrial, commercial, railroad and other real property”, all real property used directly or indirectly for any commercial, mining, industrial, manufacturing, trade, professional, business, or similar purpose, including all property centrally assessed by the state tax commission but shall not include floating docks, portions of which are separately owned and the remainder of which is designated for common ownership and in which no one person or business entity owns more than five individual units. All other real property not included in the property listed in subclasses (1) and (2) of Section 4(b) of Article X of the Missouri Constitution, as such property is defined in this section, shall be deemed to be included in the term “utility, industrial, commercial, railroad and other real property”.

2. Pursuant to Article X of the state constitution, any taxing district may adjust its operating levy to recoup any loss of property tax revenue, except revenues from the surtax imposed pursuant to Article X, Subsection 2 of Section 6 of the constitution, as the result of changing the classification of structures intended to be used for residential living by human occupants which contain five or more dwelling units if such adjustment of the levy does not exceed the highest tax rate in effect subsequent to the 1980 tax year. For purposes of this section, loss in revenue shall include the difference between the revenue that would have been collected on such property under its classification prior to enactment of this section and the amount to be collected under its classification under this section. The county assessor of each county or city not within a county shall provide information to each taxing district within its boundaries regarding the difference in assessed valuation of such property as the result of such change in classification.

3. All reclassification of property as the result of changing the classification of structures intended to be used for residential living by human occupants which contain five or more dwelling units shall apply to assessments made after December 31, 1994.

4. Where real property is used or held for use for more than one purpose and such uses result in different classifications, the county assessor shall allocate to each classification the percentage of the true value in money of the property devoted to each use; except that, where agricultural and horticultural property, as defined in this section, also contains a dwelling unit or units, the farm dwelling, appurtenant residential-related structures and up to five acres immediately surrounding such farm dwelling shall be residential property, as defined in this section. **This subsection shall not apply to any reliever airport.**

5. All real property which is vacant, unused, or held for future use; which is used for a private club, a not-for-profit or other nonexempt lodge, club, business, trade, service organization, or similar entity; or for which a determination as to its classification cannot be made under the definitions set out in subsection 1 of this section, shall be classified according to its immediate most suitable economic use, which use shall be determined after consideration of:

- (1) Immediate prior use, if any, of such property;
- (2) Location of such property;
- (3) Zoning classification of such property; except that, such zoning classification shall not be considered conclusive if, upon consideration of all factors, it is determined that such zoning classification does not reflect the immediate most suitable economic use of the property;

- (4) Other legal restrictions on the use of such property;
- (5) Availability of water, electricity, gas, sewers, street lighting, and other public services for such property;
- (6) Size of such property;
- (7) Access of such property to public thoroughfares; and
- (8) Any other factors relevant to a determination of the immediate most suitable economic use of such property.

6. All lands classified as forest croplands shall not, for taxation purposes, be classified as subclass (1), subclass (2), or subclass (3) real property, as such classes are prescribed in Section 4(b) of Article X of the Missouri Constitution and defined in this section, but shall be taxed in accordance with the laws enacted to implement Section 7 of Article X of the Missouri Constitution.

137.017. 1. For general property assessment purposes, the true value in money of land which is in use as agricultural and horticultural property, as defined in section 137.016, shall be that value which such land has for agricultural or horticultural use. The true value of buildings or other structures customarily associated with farming, agricultural, and horticultural uses, excluding residential dwellings and related land, shall be added to the use value of the agricultural and horticultural land to determine the value of the agricultural and horticultural property under sections 137.017 to 137.021.

2. After it has been established that the land is actually agricultural and horticultural property, as defined in section 137.016, and is being valued and assessed accordingly, the land shall remain in this category as long as the owner of the land complies with the provisions of sections 137.017 to 137.021.

3. Continuance of valuation and assessment for general property taxation under the provisions of sections 137.017 to 137.021 shall depend upon continuance of the land being used as agricultural and horticultural property, as defined in section 137.016, and compliance with the other requirements of sections 137.017 to 137.021 and not upon continuance in the same owner of title to the land.

4. For general property assessment purposes, the true value in money of vacant and unused land which is classified as agricultural and horticultural property under subsection 3 of section 137.016 shall be its fair market value. **This subsection shall not apply to any reliever airport.**

5. For general property assessment purposes, the true value in money of a reliever airport shall be that value which such land has for agricultural or horticultural use."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Matthiesen, **House Amendment No. 9** was adopted.

Representative Eggleston offered **House Amendment No. 10.**

House Amendment No. 10

AMEND House Committee Substitute for Senate Bill No. 773, Page 1, Section A, Line 3, by inserting after all of said section and line the following:

"33.543. 1. There is hereby created in the state treasury the "General Revenue Fund". All moneys received by this state shall be deposited in the state treasury to the credit of the general revenue fund, unless required by statute or constitutional provision to be deposited in some other specifically named fund.

2. Notwithstanding any other provisions of law to the contrary, no moneys held in the general revenue fund shall be expended or appropriated for the construction, maintenance, promotion, or operation of a professional sports stadium or facility including, but not limited to, a professional auto racing, baseball, basketball, football, hockey, or soccer facility. Any statute authorizing the use of the general revenue fund for bond financing or other appropriations contrary to this subsection and passed prior to the effective date of this section is null and void. However, this section shall not be interpreted to prohibit bond funding authorized under the Constitution of Missouri, including bond funds that were established by vote of the people as amendments to the Constitution of Missouri.

3. After the effective date of this statute, no political subdivision of this state shall expend or appropriate public funds for the construction, maintenance, promotion, or operation of a professional sports stadium or facility including, but not limited to, a professional auto racing, baseball, basketball, football, hockey, or soccer facility unless the voters of such political subdivision authorize the funding or bond issuance by popular vote. The ballot language approving such funding or bond issuance shall specifically describe the proposed sports stadium or facility in such a way that the funding or bond issuance could not be used for any other facility.

4. The provisions of subsections 2 and 3 of this section shall become effective immediately upon the adoption of a substantially similar measure by twenty-nine of the following thirty-two states and district: Alabama, Arizona, California, Colorado, Delaware, District of Columbia, Florida, Georgia, Illinois, Indiana, Kansas, Kentucky, Louisiana, Maryland, Massachusetts, Michigan, Minnesota, Nevada, New Jersey, New York, North Carolina, Ohio, Oklahoma, Oregon, Pennsylvania, Rhode Island, South Carolina, Tennessee, Texas, Utah, Virginia, Washington, and Wisconsin.

5. The satisfaction of the provisions of subsection 4 shall be determined by the attorney general. The attorney general shall notify the revisor of statutes when, in the attorney general's opinion, the requisite number of states have adopted substantially similar measures.

6. The ultimate question of whether the requirements of subsection 4 of this section are satisfied, thereby triggering the effectiveness of subsections 2 and 3 of this section, shall be subject to de novo judicial review, and any citizen of this state may bring an action in court to challenge the use of public moneys in violation of this section. If a violation is found, then the court shall immediately enjoin all spending in violation of this section and may order such restitution or other remedies as the court deems just and proper.

7. (1) It shall be against public policy for this state or any political subdivision thereof to pass any subsidy, tax abatement, tax credit, tax deduction, or tax exemption that incentivizes the construction, maintenance, promotion, or operation of a professional sports stadium or facility.

(2) Any enabling statute authorizing a political subdivision to issue a subsidy, tax abatement, tax credit, tax deduction, or tax exemption in violation of this section is superceded so that no such tax credits shall issue after the effective date of this section.

(3) Any statute authorizing a subsidy, tax abatement, tax credit, tax deduction, or tax exemption in violation of this section shall specifically cite or repeal this section of law and shall otherwise be interpreted as not superceding this section even if it is later in time or more specific in content.

(4) Nothing in this section shall be interpreted to breach any existing contract or inhibit bond financing and payment for any project approved prior to the effective date of this act."; and

Further amend said bill, Page 16, Section 143.451, Line 244, by inserting after all of said section and line the following:

"Section B. The enactment of section 33.543 shall be effective immediately following the notice to the revisor of statutes by the attorney general that the requisite number of states and districts have adopted substantially similar measures as provided under section 33.543."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Representative Brattin offered **House Amendment No. 11**.

House Amendment No. 11

AMEND House Committee Substitute for Senate Bill No. 773, Page 6, Section 67.3005, Line 45, by inserting immediately after all of said section and line the following:

"135.820. Any taxpayer that is found to have knowingly provided misleading or false information resulting in the award of any tax credit provided for under law shall have such tax credit subject to recapture, and shall be ineligible to receive any further tax credits under such tax credit program for a period of ten years."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Brattin, **House Amendment No. 11** was adopted.

Representative Roberts offered **House Amendment No. 12**.

House Amendment No. 12

AMEND House Committee Substitute for Senate Bill No. 773, Page 6, Section 67.3005, Line 45, by inserting after all of said section and line the following:

"143.117. 1. As used in this section, the following terms mean:

(1) "Deduction", an amount subtracted from the taxpayer's Missouri adjusted gross income to determine Missouri taxable income for the tax year in which such deduction is claimed;

(2) "Firearm training", any firearm education and training course, firearm certification course, or firearm safety course that teaches proper and safe firearm handling. Firearm training shall not include cartridge reloading courses;

(3) "Taxpayer", an individual subject to the state income tax under chapter 143.

2. In addition to all deductions listed in this chapter, for all tax years beginning on or after January 1, 2019, a taxpayer shall be allowed a deduction up to one hundred fifty dollars for the costs of up to eight hours of firearm training the taxpayer completed during the tax year.

3. The department of revenue may promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2018, shall be invalid and void.

4. Under section 23.253 of the Missouri sunset act:

(1) The program authorized under this section shall automatically sunset on December thirty-first six years after the effective date of this section unless reauthorized by an act of the general assembly;

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset on December thirty-first twelve years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the program authorized under this section is sunset."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

On motion of Representative Roberts, **House Amendment No. 12** was adopted.

Representative Lavender offered **House Amendment No. 13**.

House Amendment No. 13

AMEND House Committee Substitute for Senate Bill No. 773, Page 16, Section 143.451, Line 244, by inserting immediately after said line the following:

"144.900. 1. Notwithstanding any other provision of law, any seller who does not have a physical presence in this state who sells tangible personal property or products transferred electronically shall be subject to this chapter, shall remit sales tax, and shall follow all applicable procedures and requirements as if the seller had a physical presence in the state, provided that in either the previous or current calendar year the seller has:

- (1) At least one hundred thousand dollars in gross revenue from sales in this state; or
- (2) At least two hundred or more separate transactions in this state.

2. A taxpayer complying with this section and section 144.901, voluntarily or otherwise, may only seek a recovery of taxes, penalties, or interest by following the recovery procedures under section 136.035. However, no claim shall be granted on the basis that the taxpayer lacked a physical presence in the state and complied with this section voluntarily while complying with the injunction of section 144.901. Nothing in this section limits the ability of any taxpayer to obtain a refund for any other reason, including overpayment or erroneous payment.

3. No seller who remits sales tax voluntarily or otherwise under this section shall be liable to a purchaser who claims that the sales tax was over-collected because a provision of this section is later deemed unlawful.

4. Nothing in this section shall affect the obligation of any purchaser from this state to remit use tax as to any applicable transaction in which the seller does not collect and remit or remit an offsetting sales tax.

144.901. 1. Notwithstanding any other provision of law and regardless if the state initiates an audit or other tax collection procedure, the state may bring a declaratory judgment action in any circuit court to establish that the obligation to remit sales tax is applicable and valid under state and federal law against any person who the state believes meets the criteria of section 144.900. The circuit court shall act on this declaratory judgment action as expeditiously as possible. The court shall presume that the matter shall be fully resolved through a motion to dismiss or a motion for summary judgment. Attorney's fees shall not be awarded in any action brought under section 144.900.

2. The filing of the declaratory judgment action by the state shall operate as an injunction during the pendency of the action, prohibiting any state entity from enforcing the obligation in section 144.900 against any taxpayer who does not affirmatively consent or otherwise remit the sales tax on a voluntary basis. The injunction shall not apply if there is a previous judgment against a taxpayer that establishes the validity of the taxpayer's obligation under section 144.900.

3. Any appeal from the decision with respect to the cause of action under section 144.900 shall only be made to the state supreme court. The appeal shall be heard as expeditiously as possible.

4. If an injunction under this section is lifted or dissolved, in general or with respect to a specific taxpayer, the state shall assess and apply the obligation established under section 144.900 from that date forward to any taxpayer affected by the injunction."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

(19) Administering, or causing or permitting to be administered, nitrous oxide gas in any amount to himself or herself, or to another unless as an adjunctive measure to patient management;

(20) Being unable to practice as a dentist, specialist or hygienist with reasonable skill and safety to patients by reasons of professional incompetency, or because of illness, drunkenness, excessive use of drugs, narcotics, chemicals, or as a result of any mental or physical condition. In enforcing this subdivision the board shall, after a hearing before the board, upon a finding of probable cause, require the dentist or specialist or hygienist to submit to a reexamination for the purpose of establishing his or her competency to practice as a dentist, specialist or hygienist, which reexamination shall be conducted in accordance with rules adopted for this purpose by the board, including rules to allow the examination of the dentist's, specialist's or hygienist's professional competence by at least three dentists or fellow specialists, or to submit to a mental or physical examination or combination thereof by at least three physicians. One examiner shall be selected by the dentist, specialist or hygienist compelled to take examination, one selected by the board, and one shall be selected by the two examiners so selected. Notice of the physical or mental examination shall be given by personal service or registered mail. Failure of the dentist, specialist or hygienist to submit to the examination when directed shall constitute an admission of the allegations against him or her, unless the failure was due to circumstances beyond his or her control. A dentist, specialist or hygienist whose right to practice has been affected pursuant to this subdivision shall, at reasonable intervals, be afforded an opportunity to demonstrate that he or she can resume competent practice with reasonable skill and safety to patients.

(a) In any proceeding pursuant to this subdivision, neither the record of proceedings nor the orders entered by the board shall be used against a dentist, specialist or hygienist in any other proceeding. Proceedings pursuant to this subdivision shall be conducted by the board without the filing of a complaint with the administrative hearing commission;

(b) When the board finds any person unqualified because of any of the grounds set forth in this subdivision, it may enter an order imposing one or more of the following: denying his or her application for a license; permanently withholding issuance of a license; administering a public or private reprimand; placing on probation, suspending or limiting or restricting his or her license to practice as a dentist, specialist or hygienist for a period of not more than five years; revoking his or her license to practice as a dentist, specialist or hygienist;

requiring him or her to submit to the care, counseling or treatment of physicians designated by the dentist, specialist or hygienist compelled to be treated; or requiring such person to submit to identification, intervention, treatment or rehabilitation by the well-being committee as provided in section 332.327. For the purpose of this subdivision, "license" includes the certificate of registration, or license, or both, issued by the board.

3. After the filing of such complaint, the proceedings shall be conducted in accordance with the provisions of chapter 621. Upon a finding by the administrative hearing commission that the grounds, provided in subsection 2, for disciplinary action are met, the board may, singly or in combination:

(1) Censure or place the person or firm named in the complaint on probation on such terms and conditions as the board deems appropriate for a period not to exceed five years; or

(2) Suspend the license, certificate or permit for a period not to exceed three years; or

(3) Revoke the license, certificate, or permit. In any order of revocation, the board may provide that the person shall not apply for licensure for a period of not less than one year following the date of the order of revocation; or

(4) Cause the person or firm named in the complaint to make restitution to any patient, or any insurer or third-party payer who shall have paid in whole or in part a claim or payment for which they should be reimbursed, where restitution would be an appropriate remedy, including the reasonable cost of follow-up care to correct or complete a procedure performed or one that was to be performed by the person or firm named in the complaint; or

(5) Request the attorney general to bring an action in the circuit court of competent jurisdiction to recover a civil penalty on behalf of the state in an amount to be assessed by the court.

4. If the board concludes that a dentist or dental hygienist has committed an act or is engaging in a course of conduct that would be grounds for disciplinary action and constitutes a clear and present danger to the public health and safety, the board may file a complaint before the administrative hearing commission requesting an expedited hearing and specifying the conduct that gives rise to the danger and the nature of the proposed restriction or suspension of the dentist's or dental hygienist's license. Within fifteen days after service of the complaint on the dentist or dental hygienist, the administrative hearing commission shall conduct a preliminary hearing to determine whether the alleged conduct of the dentist or dental hygienist appears to constitute a clear and present danger to the public health and safety that justifies that the dentist's or dental hygienist's license be immediately restricted or suspended. The burden of proving that a dentist or dental hygienist is a clear and present danger to the public health and safety shall be upon the Missouri dental board. The administrative hearing commission shall issue its decision immediately after the hearing and shall either grant to the board the authority to suspend or restrict the license or dismiss the action.

5. If the administrative hearing commission grants temporary authority to the board to restrict or suspend a dentist's or dental hygienist's license, the dentist or dental hygienist named in the complaint may request a full hearing before the administrative hearing commission. A request for a full hearing shall be made within thirty days after the administrative hearing commission issues a decision. The administrative hearing commission shall, if requested by a dentist or dental hygienist named in the complaint, set a date to hold a full hearing under chapter 621 regarding the activities alleged in the initial complaint filed by the board. The administrative hearing commission shall set the date for full hearing within ninety days from the date its decision was issued. Either party may request continuances, which shall be granted by the administrative hearing commission upon a showing of good cause by either party or consent of both parties. If a request for a full hearing is not made within thirty days, the authority to impose discipline becomes final and the board shall set the matter for hearing in accordance with section 621.110.

6. If the administrative hearing commission dismisses without prejudice the complaint filed by the board under subsection 4 of this section or dismisses the action based on a finding that the board did not meet its burden of proof establishing a clear and present danger, such dismissal shall not bar the board from initiating a subsequent action on the same grounds in accordance with this chapter and chapters 536 and 621.

7. Notwithstanding any other provisions of section 332.071 or of this section, a currently licensed dentist in Missouri may enter into an agreement with individuals and organizations to provide dental health care, provided such agreement does not permit or compel practices that violate any provision of this chapter.

8. At all proceedings for the enforcement of these or any other provisions of this chapter the board shall, as it deems necessary, select, in its discretion, either the attorney general or one of the attorney general's assistants designated by the attorney general or other legal counsel to appear and represent the board at each stage of such proceeding or trial until its conclusion.

9. If at any time when any discipline has been imposed pursuant to this section or pursuant to any provision of this chapter, the licensee removes himself or herself from the state of Missouri, ceases to be currently licensed pursuant to the provisions of this chapter, or fails to keep the Missouri dental board advised of his or her

current place of business and residence, the time of his or her absence, or unlicensed status, or unknown whereabouts shall not be deemed or taken as any part of the time of discipline so imposed.”; and

Further amend the title and enacting clause accordingly.

Senate Amendment No. 5

AMEND Senate Substitute for Senate Committee Substitute for House Bill No. 1719, Page 191, Section 337.718, Line 27, by inserting after all of said line the following:

“338.315. 1. Except as otherwise provided by the board by rule, it shall be unlawful for any pharmacist, pharmacy owner or person employed by a pharmacy to knowingly purchase or receive any legend drugs under 21 U.S.C. Section 353 from other than a licensed or registered drug distributor, **drug outsourcer, third-party logistics provider**, or licensed pharmacy. Any person who violates the provisions of this section shall, upon conviction, be adjudged guilty of a class A misdemeanor. Any subsequent conviction shall constitute a class E felony.

2. Notwithstanding any other provision of law to the contrary, the sale, purchase, or trade of a prescription drug by a pharmacy to other pharmacies is permissible if the total dollar volume of such sales, purchases, or trades are in compliance with the rules of the board and do not exceed five percent of the pharmacy’s total annual prescription drug sales.

3. Pharmacies shall establish and maintain inventories and records of all transactions regarding the receipt and distribution or other disposition of legend drugs. Such records shall be maintained for two years and be readily available upon request by the board or its representatives.

4. The board shall promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2012, shall be invalid and void.

338.330. As used in sections 338.300 to 338.370, the following terms mean:

(1) **“Drug outsourcer”, an outsourcing facility as defined by 21 U.S.C. Section 353b of the federal Drug Quality and Security Act;**

~~[(4)]~~ (5) **“Third-party logistics provider”, an entity that provides or coordinates warehousing or other logistics services of a product on behalf of a drug manufacturer, wholesale drug distributor, or dispenser of a legend drug, but does not take ownership of the product, nor has responsibility to direct the sale or disposition of the product;**

(6) “Wholesale drug distributor”, anyone engaged in the delivery or distribution of legend drugs from any location and who is involved in the actual, constructive or attempted transfer of a drug or drug-related device in this state, other than to the ultimate consumer. This shall include, but not be limited to, drug wholesalers, repackagers and manufacturers which are engaged in the delivery or distribution of drugs in this state, with facilities located in this state or in any other state or jurisdiction. A wholesale drug distributor shall not include any common carrier or individual hired solely to transport legend drugs. Any locations where drugs are delivered on a consignment basis, as defined by the board, shall be exempt from licensure as a drug distributor, and those standards of practice required of a drug distributor but shall be open for inspection by board of pharmacy representatives as provided for in section 338.360.

338.333. 1. Except as otherwise provided by the board of pharmacy by rule in the event of an emergency or to alleviate a supply shortage, no person or distribution outlet shall act as a wholesale drug distributor ~~[or]~~, pharmacy distributor, **drug outsourcer, or third-party logistics provider** without first obtaining license to do so from the Missouri board of pharmacy and paying the required fee. The board may grant temporary licenses when the wholesale drug distributor ~~[or]~~, pharmacy distributor, **drug outsourcer, or third-party logistics provider** first applies for a license to operate within the state. Temporary licenses shall remain valid until such time as the board shall find that the applicant meets or fails to meet the requirements for regular licensure. No license shall be issued or renewed for a wholesale drug distributor ~~[or]~~, pharmacy distributor, **drug outsourcer, or third-party logistics provider** to operate unless the same shall be operated in a manner prescribed by law and according to the rules and regulations promulgated by the board of pharmacy with respect thereto. Separate licenses shall be required for each distribution site owned or operated by a wholesale drug distributor ~~[or]~~, pharmacy distributor, **drug outsourcer, or third-party logistics provider**, unless such drug distributor ~~[or]~~, pharmacy distributor, **drug outsourcer, or third-party logistics provider** meets the requirements of section 338.335.

2. An agent or employee of any licensed or registered wholesale drug distributor ~~[or]~~, pharmacy distributor, **drug outsourcer, or third-party logistics provider** need not seek licensure under this section and may lawfully possess pharmaceutical drugs, if ~~[he]~~ **the agent or employee** is acting in the usual course of his **or her** business or employment.

3. The board may permit out-of-state wholesale drug distributors, **drug outsourcers, third-party logistics provider**, or out-of-state pharmacy distributors to be licensed as required by sections 338.210 to 338.370 on the basis of reciprocity to the extent that ~~[an out-of-state wholesale drug distributor or out-of-state pharmacy distributor]~~ **the entity** both:

(1) Possesses a valid license granted by another state pursuant to legal standards comparable to those which must be met by a wholesale drug distributor ~~[or]~~, pharmacy distributor, **drug outsourcers, or third-party logistics provider** of this state as prerequisites for obtaining a license under the laws of this state; and

(2) Distributes into Missouri from a state which would extend reciprocal treatment under its own laws to a wholesale drug distributor ~~[or]~~, pharmacy distributor, **drug outsourcers, or third-party logistics provider** of this state.

338.337. It shall be unlawful for any out-of-state wholesale drug distributor ~~[or]~~, out-of-state pharmacy acting as a distributor, **drug outsourcers, or third-party logistics provider** to do business in this state without first obtaining a license to do so from the board of pharmacy and paying the required fee, except as otherwise provided by section 338.335 and this section. Application for an out-of-state wholesale drug distributor's, **drug outsourcer's, or out-of-state third-party logistics provider's** license under this section shall be made on a form furnished by the board. The issuance of a license under sections 338.330 to 338.370 shall not change or affect tax liability imposed by the Missouri department of revenue on any ~~[out-of-state wholesale drug distributor or out-of-state pharmacy]~~ **entity**. Any out-of-state wholesale drug distributor that is a drug manufacturer and which produces and distributes from a facility which has been inspected and approved by the Food and Drug Administration, maintains current approval by the federal Food and Drug Administration, and has provided a copy of the most recent Food and Drug Administration Establishment Inspection Report to the board, and which is licensed by the state in which the distribution facility is located, or, if located within a foreign jurisdiction, is authorized and in good standing to operate as a drug manufacturer within such jurisdiction, need not be licensed as provided in this section but such out-of-state distributor shall register its business name and address with the board of pharmacy and pay a filing fee in an amount established by the board.

338.340. No person acting as principal or agent for any out-of-state wholesale drug distributor ~~[or]~~, out-of-state pharmacy distributor, **drug outsourcer, or out-of-state third-party logistics provider** shall sell or distribute drugs in this state unless the ~~[wholesale drug distributor or pharmacy distributor]~~ **entity** has obtained a license pursuant to the provisions of sections 338.330 to 338.370.”; and

Further amend the title and enacting clause accordingly.

In which the concurrence of the House is respectfully requested.

Any applicant for a license, who does not possess a valid license issued pursuant to the laws of this state, another state, or a country which has a reciprocal agreement with the state of Missouri regarding the exchange of licenses pursuant to section 302.172 shall be examined as herein provided. Any person who has failed to renew such person's license on or before the date of its expiration or within six months thereafter must take the complete examination. Any active member of the Armed Forces, their adult dependents or any active member of the Peace Corps may apply for a renewal license without examination of any kind, unless otherwise required by sections 302.700 to 302.780, provided the renewal application shows that the previous license had not been suspended or revoked. Any person honorably discharged from the Armed Forces of the United States who held a valid license prior to being inducted may apply for a renewal license within sixty days after such person's honorable discharge without submitting to any examination of such person's ability to safely operate a motor vehicle over the highways of this state unless otherwise required by sections 302.700 to 302.780, other than the vision test provided in section 302.175, unless the facts set out in the renewal application or record of convictions on the expiring license, or the records of the director show that there is good cause to authorize the director to require the applicant to submit to the complete examination. No applicant for a renewal license shall be required to submit to any examination of his or her ability to safely operate a motor vehicle over the highways of this state unless otherwise required by sections 302.700 to 302.780 or regulations promulgated thereunder, other than a test of the applicant's ability to understand highway signs regulating, warning or directing traffic and the vision test provided in section 302.175, unless the facts set out in the renewal application or record of convictions on the expiring license, or the records of the director show that there is good cause to authorize the director to require the applicant to submit to the complete examination. The examination shall be made available in each county. Reasonable notice of the time and place of the examination shall be given the applicant by the person or officer designated to conduct it. The complete examination shall include a test of the applicant's natural or corrected vision as prescribed in section 302.175, the applicant's ability to understand highway signs regulating, warning or directing traffic, the applicant's practical knowledge of the traffic laws of this state, and an actual demonstration of ability to exercise due care in the operation of a motor vehicle of the classification for which the license is sought. If the director has reasonable grounds to believe that an applicant is suffering from some known physical or mental ailment which ordinarily would interfere with the applicant's fitness to operate a motor vehicle

safely upon the highways, the director may require that the examination include a physical or mental examination by a licensed physician of the applicant's choice, at the applicant's expense, to determine the fact. The director shall prescribe regulations to ensure uniformity in the examinations and in the grading thereof and shall prescribe and furnish all forms to the members of the highway patrol and to other persons authorized to conduct examinations as may be necessary to enable the officer or person to properly conduct the examination. The records of the examination shall be forwarded to the director who shall not issue any license hereunder if in the director's opinion the applicant is not qualified to operate a motor vehicle safely upon the highways of this state.

3. The director of revenue shall delegate the power to conduct the examinations required for a license or permit to any member of the highway patrol or any person employed by the highway patrol. The powers delegated to any examiner may be revoked at any time by the director of revenue upon notice.

4. Further amend said bill, Page 27, Section 301.145, Line 17, by inserting after all of said section and line the following:

"301.147. 1. Notwithstanding the provisions of section 301.020 to the contrary, beginning July 1, 2000, the director of revenue may provide owners of motor vehicles, other than commercial motor vehicles licensed in excess of fifty-four thousand pounds gross weight, the option of biennially registering motor vehicles. Any vehicle manufactured as an even-numbered model year vehicle shall be renewed each even-numbered calendar year and any such vehicle manufactured as an odd-numbered model year vehicle shall be renewed each odd-numbered calendar year, subject to the following requirements:

(1) The fee collected at the time of biennial registration shall include the annual registration fee plus a pro rata amount for the additional twelve months of the biennial registration;

(2) Presentation of all documentation otherwise required by law for vehicle registration including, but not limited to, a personal property tax receipt or certified statement for the preceding year that no such taxes were due as set forth in section 301.025, proof of ~~[a motor vehicle safety inspection and]~~ any applicable emission inspection conducted within sixty days prior to the date of application and proof of insurance as required by section 303.026.

2. The director of revenue may prescribe rules and regulations for the effective administration of this section. The director is authorized to adopt those rules that are reasonable and necessary to accomplish the limited duties specifically delegated within this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is promulgated pursuant to the authority delegated in this section shall become effective only if it has been promulgated pursuant to the provisions of chapter 536. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after July 1, 2000, shall be invalid and void.

3. The director of revenue shall have the authority to stagger the registration period of motor vehicles other than commercial motor vehicles licensed in excess of twelve thousand pounds gross weight. Once the owner of a motor vehicle chooses the option of biennial registration, such registration must be maintained for the full twenty-four month period.

301.190. 1. No certificate of registration of any motor vehicle or trailer, or number plate therefor, shall be issued by the director of revenue unless the applicant therefor shall make application for and be granted a certificate of ownership of such motor vehicle or trailer, or shall present satisfactory evidence that such certificate has been previously issued to the applicant for such motor vehicle or trailer. Application shall be made within thirty days after the applicant acquires the motor vehicle or trailer, unless the motor vehicle was acquired under section 301.213 in which case the applicant shall make application within thirty days after receiving title from the dealer, upon a blank form furnished by the director of revenue and shall contain the applicant's identification number, a full description of the motor vehicle or trailer, the vehicle identification number, and the mileage registered on the odometer at the time of transfer of ownership, as required by section 407.536, together with a statement of the applicant's source of title and of any liens or encumbrances on the motor vehicle or trailer, provided that for good cause shown the director of revenue may extend the period of time for making such application. When an owner wants to add or delete a name or names on an application for certificate of ownership of a motor vehicle or trailer that would cause it to be inconsistent with the name or names listed on the notice of lien, the owner shall provide the director with documentation evidencing the lienholder's authorization to add or delete a name or names on an application for certificate of ownership.

2. The director of revenue shall use reasonable diligence in ascertaining whether the facts stated in such application are true and shall, to the extent possible without substantially delaying processing of the application, review any odometer information pertaining to such motor vehicle that is accessible to the director of revenue. If satisfied that the applicant is the lawful owner of such motor vehicle or trailer, or otherwise entitled to have the same registered in his name, the director shall thereupon issue an appropriate certificate over his signature and sealed with the seal of his office, procured and used for such purpose. The certificate shall contain on its face a complete description, vehicle identification number, and other evidence of identification of the motor vehicle or trailer, as the director of revenue may deem necessary, together with the odometer information required to be put on the face of the certificate pursuant to section 407.536, a statement of any liens or encumbrances which the application may show to be thereon, and, if ownership of the vehicle has been transferred, the name of the state issuing the transferor's title and whether the transferor's odometer mileage statement executed pursuant to section 407.536 indicated that the true mileage is materially different from the number of miles shown on the odometer, or is unknown.

3. The director of revenue shall appropriately designate on the current and all subsequent issues of the certificate the words "Reconstructed Motor Vehicle", "Motor Change Vehicle", "Specially Constructed Motor Vehicle", or "Non-USA-Std Motor Vehicle", as defined in section 301.010. Effective July 1, 1990, on all original and all subsequent issues of the certificate for motor vehicles as referenced in subsections 2 and 3 of section 301.020, the director shall print on the face thereof the following designation: "Annual odometer updates may be available from the department of revenue.". On any duplicate certificate, the director of revenue shall reprint on the face thereof the most recent of either:

(1) The mileage information included on the face of the immediately prior certificate and the date of purchase or issuance of the immediately prior certificate; or

(2) Any other mileage information provided to the director of revenue, and the date the director obtained or recorded that information.

4. The certificate of ownership issued by the director of revenue shall be manufactured in a manner to prohibit as nearly as possible the ability to alter, counterfeit, duplicate, or forge such certificate without ready detection. In order to carry out the requirements of this subsection, the director of revenue may contract with a nonprofit scientific or educational institution specializing in the analysis of secure documents to determine the most effective methods of rendering Missouri certificates of ownership nonalterable or noncounterfeitable.

5. The fee for each original certificate so issued shall be eight dollars and fifty cents, in addition to the fee for registration of such motor vehicle or trailer. If application for the certificate is not made within thirty days after the vehicle is acquired by the applicant, or where the motor vehicle was acquired under section 301.213 and the applicant fails to make application within thirty days after receiving title from the dealer, a delinquency penalty fee of twenty-five dollars for the first thirty days of delinquency and twenty-five dollars for each thirty days of delinquency thereafter, not to exceed a total of two hundred dollars, but such penalty may be waived by the director for a good cause shown. If the director of revenue learns that any person has failed to obtain a certificate within thirty days after acquiring a motor vehicle or trailer, or where the motor vehicle was acquired under section 301.213

and the applicant fails to make application within thirty days after receiving title from the dealer, or has sold a vehicle without obtaining a certificate, he shall cancel the registration of all vehicles registered in the name of the person, either as sole owner or as a co-owner, and shall notify the person that the cancellation will remain in force until the person pays the delinquency penalty fee provided in this section, together with all fees, charges and payments which the person should have paid in connection with the certificate of ownership and registration of the vehicle. The certificate shall be good for the life of the motor vehicle or trailer so long as the same is owned or held by the original holder of the certificate and shall not have to be renewed annually.

6. Any applicant for a certificate of ownership requesting the department of revenue to process an application for a certificate of ownership in an expeditious manner requiring special handling shall pay a fee of five dollars in addition to the regular certificate of ownership fee.

7. It is unlawful for any person to operate in this state a motor vehicle or trailer required to be registered under the provisions of the law unless a certificate of ownership has been applied for as provided in this section.

8. Before an original Missouri certificate of ownership is issued, an inspection of the vehicle and a verification of vehicle identification numbers shall be made by the Missouri state highway patrol on vehicles for which there is a current title issued by another state if a Missouri salvage certificate of title has been issued for the same vehicle but no prior inspection and verification has been made in this state, except that if such vehicle has been inspected in another state by a law enforcement officer in a manner comparable to the inspection process in this state and the vehicle identification numbers have been so verified, the applicant shall not be liable for the twenty-five dollar inspection fee if such applicant submits proof of inspection and vehicle identification number verification to the director of revenue at the time of the application. The applicant, who has such a title for a vehicle on which no prior inspection and verification have been made, shall pay a fee of twenty-five dollars for such verification and inspection, payable to the director of revenue at the time of the request for the application, which shall be deposited in the state treasury to the credit of the state highways and transportation department fund.

9. Each application for an original Missouri certificate of ownership for a vehicle which is classified as a reconstructed motor vehicle, specially constructed motor vehicle, kit vehicle, motor change vehicle, non-USA-std motor vehicle, or other vehicle as required by the director of revenue shall be accompanied by a vehicle examination certificate issued by the Missouri state highway patrol, or other law enforcement agency as authorized by the director of revenue. The vehicle examination shall include a verification of vehicle identification numbers and a determination of the classification of the vehicle. The owner of a vehicle which requires a vehicle examination certificate shall present the vehicle for examination and obtain a completed vehicle examination certificate prior to submitting an application for a certificate of ownership to the director of revenue. Notwithstanding any provision of the law to the contrary, an owner presenting a motor vehicle which has been issued a salvage title and which is ten years of age or older to a vehicle examination described in this subsection in order to obtain a certificate of ownership with the designation prior salvage motor vehicle shall not be required to repair or restore the vehicle to its original appearance in order to pass or complete the vehicle examination. The fee for the vehicle examination application shall be twenty-five dollars and shall be collected by the director of revenue at the time of the request for the application and shall be deposited in the state treasury to the credit of the state highways and transportation department fund. If the vehicle is also to be registered in Missouri, ~~[the safety inspection required in chapter 307 and]~~ the emissions inspection required under chapter 643 shall be completed and the fees required by section 307.365 and section 643.315 shall be charged to the owner.

10. When an application is made for an original Missouri certificate of ownership for a motor vehicle previously registered or titled in a state other than Missouri ~~[or as required by section 301.020]~~, it shall be accompanied by a current inspection form certified by a duly authorized official inspection station as described in chapter 307. The completed form shall certify that the manufacturer's identification number for the vehicle has been inspected, that it is correctly displayed on the vehicle and shall certify the reading shown on the odometer at the time of inspection. The inspection station shall collect the same fee as authorized in section 307.365 for making the inspection, and the fee shall be deposited in the same manner as provided in section 307.365. If the vehicle is also to be registered in Missouri, ~~[the safety inspection required in chapter 307 and]~~ the emissions inspection required under chapter 643 shall be completed and only the fees required by section 307.365 and section 643.315 shall be charged to the owner. This section shall not apply to vehicles being transferred on a manufacturer's statement of origin.

11. Motor vehicles brought into this state in a wrecked or damaged condition or after being towed as an abandoned vehicle pursuant to another state's abandoned motor vehicle procedures shall, in lieu of the inspection required by subsection 10 of this section, be inspected by the Missouri state highway patrol in accordance with subsection 9 of this section. If the inspection reveals the vehicle to be in a salvage or junk condition, the director

shall so indicate on any Missouri certificate of ownership issued for such vehicle. Any salvage designation shall be carried forward on all subsequently issued certificates of title for the motor vehicle.

12. When an application is made for an original Missouri certificate of ownership for a motor vehicle previously registered or titled in a state other than Missouri, and the certificate of ownership has been appropriately designated by the issuing state as a reconstructed motor vehicle, motor change vehicle, specially constructed motor vehicle, or prior salvage vehicle, the director of revenue shall appropriately designate on the current Missouri and all subsequent issues of the certificate of ownership the name of the issuing state and such prior designation. The absence of any prior designation shall not relieve a transferor of the duty to exercise due diligence with regard to such certificate of ownership prior to the transfer of a certificate. If a transferor exercises any due diligence with regard to a certificate of ownership, the legal transfer of a certificate of ownership without any designation that is subsequently discovered to have or should have had a designation shall be a transfer free and clear of any liabilities of the transferor associated with the missing designation.

13. When an application is made for an original Missouri certificate of ownership for a motor vehicle previously registered or titled in a state other than Missouri, and the certificate of ownership has been appropriately designated by the issuing state as non-USA-std motor vehicle, the director of revenue shall appropriately designate on the current Missouri and all subsequent issues of the certificate of ownership the words "Non-USA-Std Motor Vehicle".

14. The director of revenue and the superintendent of the Missouri state highway patrol shall make and enforce rules for the administration of the inspections required by this section.

15. Each application for an original Missouri certificate of ownership for a vehicle which is classified as a reconstructed motor vehicle, manufactured forty or more years prior to the current model year, and which has a value of three thousand dollars or less shall be accompanied by:

(1) A proper affidavit submitted by the owner explaining how the motor vehicle or trailer was acquired and, if applicable, the reasons a valid certificate of ownership cannot be furnished;

(2) Photocopies of receipts, bills of sale establishing ownership, or titles, and the source of all major component parts used to rebuild the vehicle;

(3) A fee of one hundred fifty dollars in addition to the fees described in subsection 5 of this section. Such fee shall be deposited in the state treasury to the credit of the state highways and transportation department fund; and

(4) An inspection certificate, other than a motor vehicle examination certificate required under subsection 9 of this section, completed and issued by the Missouri state highway patrol, or other law enforcement agency as authorized by the director of revenue. The inspection performed by the highway patrol or other authorized local law enforcement agency shall include a check for stolen vehicles.

The department of revenue shall issue the owner a certificate of ownership designated with the words "Reconstructed Motor Vehicle" and deliver such certificate of ownership in accordance with the provisions of this chapter. Notwithstanding subsection 9 of this section, no owner of a reconstructed motor vehicle described in this subsection shall be required to obtain a vehicle examination certificate issued by the Missouri state highway patrol.

301.191. 1. When an application is made for an original Missouri certificate of ownership for a previously untitled trailer [~~sixteen feet or more in length~~] which is stated to be homemade, the applicant shall present a certificate of inspection as provided in this section. No certificate of ownership shall be issued for such a homemade trailer if no certificate of inspection is presented.

2. As used in this section, "homemade" means made by a person who is not a manufacturer using readily distinguishable manufacturers' identifying numbers or a statement of origin.

3. Every person constructing a homemade trailer [~~sixteen feet or more in length~~] shall obtain an inspection from the sheriff of his or her county of residence or from the Missouri state highway patrol prior to applying for a certificate of ownership. If the person constructing the trailer sells or transfers the trailer prior to applying for a certificate of ownership, the sheriff's or the Missouri state highway patrol's certificate of inspection shall be transferred with the trailer.

4. A fee of [~~ten~~] **twenty-five** dollars shall be paid for the inspection. If the inspection is completed by the sheriff, the proceeds from the inspections shall be deposited by the sheriff within thirty days into the county law enforcement fund if one exists; otherwise into the county general revenue fund. If the inspection is completed by the Missouri state highway patrol, the applicant shall pay the [~~ten~~] **twenty-five** dollar inspection fee to the director of revenue at the time of application for a certificate of ownership for the homemade trailer. The fee shall be deposited in the state treasury to the credit of the state highway fund.

5. The sheriff or Missouri state highway patrol shall inspect the trailer and certify it if the trailer appears to be homemade. The sheriff or Missouri state highway patrol may request the owner to provide any documents or

other evidence showing that the trailer was homemade. When a trailer is certified by the sheriff, the sheriff may stamp a permanent identifying number in the tongue of the frame. The certificate of inspection shall be on a form designed and provided by the director of revenue.

6. Upon presentation of the certificate of inspection and all applicable documents and fees including the identification plate fee provided in section 301.380, the director of revenue shall issue a readily distinguishable manufacturers' identifying number plate. The identification number plate shall be affixed to the tongue of the trailer's frame.

7. The sheriff or Missouri state highway patrol may seize any trailer which has been stolen or has identifying numbers obliterated or removed. The sheriff or Missouri state highway patrol may hold the trailer as evidence while an investigation is conducted. The trailer shall be returned if no related criminal charges are filed within thirty days or when the charges are later dropped or dismissed or when the owner is acquitted.

301.380. 1. Whenever the original, manufacturer's, or other distinguishing number on any motor vehicle, trailer or motor vehicle tire has been destroyed, removed, covered, altered, defaced or is otherwise nonexistent, the director of revenue, upon application, payment of a fee of seven dollars and fifty cents, and satisfactory proof of ownership by the owner, shall issue a certificate authorizing the owner to place a special number designated by the director of revenue upon the vehicle, trailer or tire.

2. In order to properly calculate the sales tax due, in the case of a trailer which is alleged to have been made by someone who is not a manufacturer using readily distinguishable manufacturers' identifying numbers or a certificate of origin, the person seeking the special number authorized by the provisions of this section shall secure a ~~[written statement from a motor vehicle inspection station]~~ **vehicle examination certificate issued by the Missouri state highway patrol, or other law enforcement agency as authorized by the director of revenue**, that the trailer has been examined and that it is not one made by a regular manufacturer. **The person seeking the special number authorized by the provisions of this section shall pay a fee of twenty-five dollars for such examination certificate, payable to the director of revenue, which shall be deposited into the state treasury to the credit of the state highways and transportation department fund.** The superintendent of the state highway patrol shall provide such forms for ~~[inspection stations, and the person, firm, or corporation seeking the examination shall pay a regular inspection fee for the examination. The proceeds of the fee shall be distributed in the same manner as regular inspection fees are distributed]~~ **law enforcement agencies performing such inspections.** This subsection shall not apply to trailers inspected under section 301.191.

3. The director of revenue shall designate the special numbers consecutively beginning with the number one preceded by the letters "DR" and followed by the letters "Mo" for each make of motor vehicle, trailer or motor vehicle tire, or if the make be unknown, the number shall also be preceded by the letter "X".

4. When such number has been placed upon the motor vehicle or motor or engine thereof, or trailer or motor vehicle tire, it shall be the lawful number of the same for the purpose of identification, registration, and all other purposes of this chapter, and the owner may sell and transfer such property under the special number. No person shall destroy, remove, cover, alter or deface any such special number.

Every inspection for which a fee is charged shall be a complete inspection, and upon completion of the inspection, if any defects are found the owner of the vehicle shall be furnished a list of the defects and a receipt for the fee paid for the inspection. If the owner of a vehicle decides to have any necessary repairs or corrections made at the official inspection station, the owner shall be furnished a written estimate of the cost of such repairs before such repairs or corrections are made by the official inspection station. 307.375. 1. The owner of every bus used to transport children to or from school in addition to any other inspection required by law shall submit the vehicle to an official **school bus** inspection station, and obtain a certificate of inspection, sticker, seal or other device annually, but the inspection of the vehicle shall not be made more than sixty days prior to operating the vehicle during the school year. The inspection shall ~~[in addition to the inspection of the mechanism and equipment required for all motor vehicles under the provisions of sections 307.350 to 307.390.]~~ include **a determination that the brakes, lighting equipment, signaling devices, steering mechanisms, horns, mirrors, windshield wipers, tires, wheels, exhaust system, glazing, air pollution control devices, and fuel system of the bus are in proper condition and, in addition, include** an inspection to ascertain that the following items are correctly fitted, adjusted, and in good working condition:

- (1) All mirrors, including crossview, inside, and outside;

2. In addition to the inspection required by subsection 1 of this section, the Missouri state highway patrol shall conduct an inspection after February first of each school year of all vehicles required to be marked as school buses under section 304.050. This inspection shall be conducted by the Missouri highway patrol in cooperation with the department of elementary and secondary education and shall include, as a minimum, items in subsection 1 of this section and the following:

(1) The driver seat belts;

(2) The heating and defrosting systems;

(3) The reflectors;

(4) The bus steps;

(5) The aisles;

(6) The frame.

3. If, upon inspection, conditions which violate the standards in subsection 2 of this section are found, the owner or operator shall have them corrected in ten days and notify the superintendent of the Missouri state highway patrol or those persons authorized by the superintendent. If the defects or unsafe conditions found constitute an immediate danger, the bus shall not be used until corrections are made and the superintendent of the Missouri state highway patrol or those persons authorized by the superintendent are notified.

4. The Missouri highway patrol may inspect any school bus at any time and if such inspection reveals a deficiency affecting the safe operation of the bus, the provisions of subsection 3 of this section shall be applicable.

5. ~~[Notwithstanding the provisions of section 307.390 to the contrary,]~~ A violation of this section shall be a class C misdemeanor.

6. The superintendent of the Missouri state highway patrol shall prescribe the standards and equipment necessary for an official school bus inspection station and the qualifications for persons who conduct the inspections. The Missouri state highway patrol shall establish standards and procedures to be followed when conducting the inspections required under this section and shall prescribe rules and regulations for the operation of the school bus inspection stations.

307.385. The superintendent of the Missouri state highway patrol may notify the director of revenue and the director of revenue shall suspend the registration of any vehicle which the superintendent of the Missouri state highway patrol determines, after a written notice, is not equipped as required by law or for which a certificate required by sections ~~[307.350]~~ **307.360** to 307.390 has not been obtained.

307.390. 1. Any person who violates any provision of sections ~~[307.350]~~ **307.360** to 307.390 is guilty of a misdemeanor and upon conviction shall be punished as provided by law.

2. The superintendent of the Missouri state highway patrol may assign qualified persons who are not highway patrol officers to investigate and enforce motor vehicle safety inspection laws and regulations pursuant to sections ~~[307.350]~~ **307.360** to 307.390 and sections 643.300 to 643.355. A person assigned by the superintendent pursuant to the authority granted by this subsection shall be designated a motor vehicle inspector and shall have limited powers to issue a uniform complaint and summons for a violation of the motor vehicle inspection laws and regulations. A motor vehicle inspector shall not have authority to exercise the power granted in this subsection until such inspector successfully completes training provided by, and to the satisfaction of, the superintendent.

643.303. 1. Beginning September 1, 2007, emissions inspections required by sections 643.300 to 643.355 shall be conducted through a decentralized emissions program that meets the requirements of this section. Prior to September 1, 2007, the air conservation commission shall develop a decentralized emissions inspection program that allows official inspection stations to conduct on-board diagnostic emission inspections of 1996 model year and newer motor vehicles equipped with on-board diagnostic systems meeting the federal Environmental Protection Agency On-Board Diagnostics II (OBDII) standards. The decentralized emissions inspection program shall, at a minimum, provide for the following:

(1) The periodic inspection of certain motor vehicles as required under section 643.315;

(2) The certification and operation of official emissions inspection stations and the licensing of emission inspectors;

(3) The testing of motor vehicles through on-board diagnostic testing technologies;

(4) The training, certification, and supervision of emission inspectors and other personnel; and

(5) Procedures for certifying test results and for reporting and maintaining relevant data records.

2. In addition to any other criteria established by the commission under section 643.320 or by rule, the decentralized emissions inspection program shall allow any official inspection station located in an area described in subsection 1 of section 643.305 otherwise qualified by the Missouri state highway patrol to conduct motor vehicle ~~[safety]~~ inspections under section 307.360 to conduct on-board diagnostic emission inspections. Any motor vehicle ~~[safety]~~ inspection station that desires to conduct emissions inspections shall submit an application for a certificate of authorization to the commission as provided for under section 643.320. Other individuals, corporations, or entities ~~[that do not conduct motor vehicle safety inspections]~~ may conduct emission inspections provided they meet the qualifications set forth in sections 643.300 to 643.355 and ~~[the]~~ rules promulgated by the commission. Applications shall be made upon a form designated by the commission and shall contain such information as may be required by the commission. A certificate of authorization issued under section 643.320 to conduct emission inspections shall be issued only after the commission has made a determination that the applicant's proposed inspection station will be properly equipped, has the necessary licensed emission inspectors to conduct inspections, and meets all other requirements of sections 643.300 to 643.355 or rules promulgated to carry out the provisions of those sections.

3. The decentralized emissions inspection program shall allow any official **emissions** inspection station that is certified to conduct an on-board diagnostic emission inspection under sections 643.300 to 643.355 to repair motor vehicles in order to bring such vehicles into compliance with sections 643.300 to 643.355, if such station and personnel meet the qualifications to conduct emission repairs as set forth in sections 643.300 to 643.355. An official emission inspection station may elect to be an emissions test-only station or may elect to conduct both emission inspections and repairs.

4. The commission is authorized to begin certification of official **emissions** inspection stations prior to September 1, 2007, in order to implement the decentralized emissions inspection program. Prior to January 1, 2007, the department of natural resources shall issue a report to the general assembly and the governor regarding the progress of implementing the decentralized emissions inspection program. The report shall include, but not be limited to, a summary describing how many inspection stations or individuals the department expects to participate in the program and how many inspection stations or individuals will be qualified by September 1, 2007, to conduct such emissions inspections.

5. The commission may, as a part of implementing the decentralized emissions inspection program, use remote sensing devices to collect information regarding the vehicle fleet emissions characteristics and registration compliance within the area described in subsection 1 of section 643.305. The decentralized emissions inspection program established by the commission may also include a clean screen program that utilizes remote sensing devices. Owners of eligible vehicles who comply with clean screen/remote sensing procedures shall be deemed to have complied with the mandatory inspection requirements for the next inspection cycle. As used in this subsection, the term "clean screen program" shall mean a procedure or system that utilizes remote sensing technologies to determine whether a motor vehicle has acceptable emission levels and then allows the motor vehicle owner to bypass the emissions inspection test required under section 643.315.

6. The decentralized emissions inspection program may include a gas cap pressure test and a visual inspection component~~[-, and such tests may be included as part of the motor vehicle safety inspection test under section 307.350].~~

7. As used in sections 643.300 to 643.355, "decentralized emissions inspection program" means an emissions inspection program under which a certified emissions inspector conducts emissions inspection testing at an official inspection station.

8. The decentralized emission inspection program shall satisfy the requirements established by regulation of the United States Environmental Protection Agency.

9. The decentralized emissions inspection program established by the commission and sections 643.300 to 643.355 shall not be construed to be a new program as described in section 23.253, and the decentralized emissions inspection program shall not be subject to the sunset mandate prescribed by sections 23.250 to 23.298.

10. No later than July 1, 2007, the department of natural resources and the Missouri highway patrol shall enter into an interagency agreement covering all aspects of the administration and enforcement of sections 643.300 to 643.355.

11. No later than July 1, 2007, the air conservation commission shall promulgate rules for the implementation of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are

nonseverable and if any of the powers vested with the general assembly under chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2006, shall be invalid and void.

12. Prior to September 1, 2007, the department of natural resources shall actively promote participation in the decentralized emissions inspection program among qualified motor vehicle dealers, service stations, and other individuals. After the implementation of the decentralized emission inspection program, the department shall monitor participation in such program. In determining whether there are a sufficient number of individuals conducting motor vehicle emission inspections under the decentralized program, the department shall attempt to ensure, through promotional efforts, that no more than twenty percent of all persons residing in the affected nonattainment area reside farther than five miles from the nearest inspection station.

643.315. 1. Except as provided in sections 643.300 to 643.355, all motor vehicles which are domiciled, registered or primarily operated in an area for which the commission has established a motor vehicle emissions inspection program pursuant to sections 643.300 to 643.355 shall be inspected and approved prior to sale or transfer; provided that, if such vehicle is inspected and approved prior to sale or transfer, such vehicle shall not be subject to another emissions inspection for ninety days after the date of sale or transfer of such vehicle. In addition, any such vehicle manufactured as an even-numbered model year vehicle shall be inspected and approved under the emissions inspection program established pursuant to sections 643.300 to 643.355 in each even-numbered calendar year and any such vehicle manufactured as an odd-numbered model year vehicle shall be inspected and approved under the emissions inspection program established pursuant to sections 643.300 to 643.355 in each odd-numbered calendar year. All motor vehicles subject to the inspection requirements of sections 643.300 to 643.355 shall display a valid emissions inspection sticker, and when applicable, a valid emissions inspection certificate shall be presented at the time of registration or registration renewal of such motor vehicle. The department of revenue shall require evidence of ~~the safety and~~ emission inspection and approval required by this section in issuing the motor vehicle annual registration in conformity with the procedure required by ~~sections 307.350 to 307.390 and~~ sections 643.300 to 643.355. The director of revenue may verify that a successful ~~safety and~~ emissions inspection was completed via electronic means.

2. The inspection requirement of subsection 1 of this section shall apply to all motor vehicles except:

(1) Motor vehicles with a manufacturer's gross vehicle weight rating in excess of eight thousand five hundred pounds;

(2) Motorcycles and motortricycles if such vehicles are exempted from the motor vehicle emissions inspection under federal regulation and approved by the commission by rule;

(3) Model year vehicles manufactured prior to 1996;

(4) Vehicles which are powered exclusively by electric or hydrogen power or by fuels other than gasoline which are exempted from the motor vehicle emissions inspection under federal regulation and approved by the commission by rule;

(5) Motor vehicles registered in an area subject to the inspection requirements of sections 643.300 to 643.355 which are domiciled and operated exclusively in an area of the state not subject to the inspection requirements of sections 643.300 to 643.355, but only if the owner of such vehicle presents to the department an affidavit that the vehicle will be operated exclusively in an area of the state not subject to the inspection requirements of sections 643.300 to 643.355 for the next twenty-four months, and the owner applies for and receives a waiver which shall be presented at the time of registration or registration renewal;

(6) New and unused motor vehicles, of model years of the current calendar year and of any calendar year within two years of such calendar year, which have an odometer reading of less than six thousand miles at the time of original sale by a motor vehicle manufacturer or licensed motor vehicle dealer to the first user;

(7) Historic motor vehicles registered pursuant to section 301.131;

(8) School buses;

(9) Heavy-duty diesel-powered vehicles with a gross vehicle weight rating in excess of eight thousand five hundred pounds;

(10) New motor vehicles that have not been previously titled and registered, for the four-year period following their model year of manufacture~~[-provided the odometer reading for such motor vehicles are under forty thousand miles at their first required biennial safety inspection conducted under sections 307.350 to 307.390; otherwise such motor vehicles shall be subject to the emissions inspection requirements of subsection 1 of this section during the same period that the biennial safety inspection is conducted];~~

(11) Motor vehicles that are driven fewer than twelve thousand miles between biennial ~~[safety inspections]~~ **registration periods**; and

(12) Qualified plug-in electric drive vehicles. For the purposes of this section, "qualified plug-in electric drive vehicle" shall mean a plug-in electric drive vehicle that is made by a manufacturer, has not been modified from

original manufacturer specifications, and can operate solely on electric power and is capable of recharging its battery from an on-board generation source and an off-board electricity source.

3. The commission may, by rule, allow inspection reciprocity with other states having equivalent or more stringent testing and waiver requirements than those established pursuant to sections 643.300 to 643.355.

4. (1) At the time of sale, a licensed motor vehicle dealer, as defined in section 301.550, may choose to sell a motor vehicle subject to the inspection requirements of sections 643.300 to 643.355 either:

- (a) With prior inspection and approval as provided in subdivision (2) of this subsection; or
- (b) Without prior inspection and approval as provided in subdivision (3) of this subsection.

(2) If the dealer chooses to sell the vehicle with prior inspection and approval, the dealer shall disclose, in writing, prior to sale, whether the vehicle obtained approval by meeting the emissions standards established pursuant to sections 643.300 to 643.355 or by obtaining a waiver pursuant to section 643.335. A vehicle sold pursuant to this subdivision by a licensed motor vehicle dealer shall be inspected and approved within the one hundred twenty days immediately preceding the date of sale, and, for the purpose of registration of such vehicle, such inspection shall be considered timely.

(3) If the dealer chooses to sell the vehicle without prior inspection and approval, the purchaser may return the vehicle within ten days of the date of purchase, provided that the vehicle has no more than one thousand additional miles since the time of sale, if the vehicle fails, upon inspection, to meet the emissions standards specified by the commission and the dealer shall have the vehicle inspected and approved without the option for a waiver of the emissions standard and return the vehicle to the purchaser with a valid emissions certificate and sticker within five working days or the purchaser and dealer may enter into any other mutually acceptable agreement. If the dealer chooses to sell the vehicle without prior inspection and approval, the dealer shall disclose conspicuously on the sales contract and bill of sale that the purchaser has the option to return the vehicle within ten days, provided that the vehicle has no more than one thousand additional miles since the time of sale, to have the dealer repair the vehicle and provide an emissions certificate and sticker within five working days if the vehicle fails, upon inspection, to meet the emissions standards established by the commission, or enter into any mutually acceptable agreement with the dealer. A violation of this subdivision shall be an unlawful practice as defined in section 407.020. ~~[No emissions inspection shall be required pursuant to sections 643.300 to 643.360 for the sale of any motor vehicle which may be sold without a certificate of inspection and approval, as provided pursuant to subsection 2 of section 307.380.]~~

~~[307.350. 1. The owner of every motor vehicle as defined in section 301.010 which is required to be registered in this state, except:-~~

~~(1) Motor vehicles, for the five year period following their model year of manufacture, excluding prior salvage vehicles immediately following a rebuilding process and vehicles subject to the provisions of section 307.380;-~~

~~(2) Those motor vehicles which are engaged in interstate commerce and are proportionately registered in this state with the Missouri highway reciprocity commission, although the owner may request that such vehicle be inspected by an official inspection station, and a peace officer may stop and inspect such vehicles to determine whether the mechanical condition is in compliance with the safety regulations established by the United States Department of Transportation; and-~~

~~(3) Historic motor vehicles registered pursuant to section 301.131;-~~

~~(4) Vehicles registered in excess of twenty four thousand pounds for a period of less than twelve months; shall submit such vehicles to a biennial inspection of their mechanism and equipment in accordance with the provisions of sections 307.350 to 307.390 and obtain a certificate of inspection and approval and a sticker, seal, or other device from a duly authorized official inspection station. The inspection, except the inspection of school buses which shall be made at the time provided in section 307.375, shall be made at the time prescribed in the rules and regulations issued by the superintendent of the Missouri state highway patrol; but the inspection of a vehicle shall not be made more than sixty days prior to the date of application for registration or within sixty days of when a vehicle's registration is transferred. Any vehicle manufactured as an even numbered model year vehicle shall be inspected and approved pursuant to the safety inspection program established pursuant to sections 307.350 to 307.390 in each even-numbered calendar year and any such vehicle manufactured as an odd numbered model-~~

year vehicle shall be inspected and approved pursuant to sections 307.350 to 307.390 in each odd-numbered year. The certificate of inspection and approval shall be a sticker, seal, or other device or combination thereof, as the superintendent of the Missouri state highway patrol prescribes by regulation and shall be displayed upon the motor vehicle or trailer as prescribed by the regulations established by him. The replacement of certificates of inspection and approval which are lost or destroyed shall be made by the superintendent of the Missouri state highway patrol under regulations prescribed by him.

2. For the purpose of obtaining an inspection only, it shall be lawful to operate a vehicle over the most direct route between the owner's usual place of residence and an inspection station of such owner's choice, notwithstanding the fact that the vehicle does not have a current state registration license. It shall also be lawful to operate such a vehicle from an inspection station to another place where repairs may be made and to return the vehicle to the inspection station notwithstanding the absence of a current state registration license.

3. No person whose motor vehicle was duly inspected and approved as provided in this section shall be required to have the same motor vehicle again inspected and approved for the sole reason that such person wishes to obtain a set of any special personalized license plates available pursuant to section 301.144 or a set of any license plates available pursuant to section 301.142, prior to the expiration date of such motor vehicle's current registration.

4. Notwithstanding the provisions of section 307.390, violation of this section shall be deemed an infraction.]

[307.355. 1. No state registration license to operate the type of vehicle required to be inspected by section 307.350 may be transferred or issued during a biennial registration year in which the vehicle is required to be inspected unless the application is accompanied by a certificate of inspection and approval issued no more than sixty days prior to the date of application, or in the case of school buses, which will be required to be inspected annually as provided in section 307.375, except:

(1) The director of revenue may transfer or issue a state registration license to the type of vehicle required to be inspected by section 307.350 without a certificate of inspection and approval accompanying the application if the director has satisfactory evidence that the vehicle was not in the state of Missouri at any time during the sixty days prior to the date of application; however, the owner of every such vehicle must submit the vehicle for inspection and obtain a certificate of inspection and approval within ten days after the vehicle is first returned to the state of Missouri;

(2) The director of revenue shall renew a vehicle's registration license without a certificate of inspection and approval accompanying the application if satisfactory documentary evidence is presented at the time of application that the license being renewed was properly transferred within a six-month period prior to the expiration of the license being renewed or that the vehicle for which the registration is being issued was issued a registration for a period of less than one year for the registration period just expiring.

2. If due to interstate operation a commercial motor vehicle as defined in section 301.010 or a trailer of the type required to be inspected is required to obtain full fee registration in this and any other state during the same calendar year, no Missouri certificate of inspection and approval is required if the vehicle bears evidence that a current valid inspection sticker or decal was issued by such other state in which the vehicle is registered; provided that the sticker or decal issued by such other state is valid for the registration period in this state.

3. After a commercial motor vehicle as defined in section 301.010 has been registered for the current year, no certificate of inspection and approval is required when a local

commercial motor vehicle license is changed to a beyond local commercial motor vehicle license or when the licensed gross weight is changed during the licensed period.]

~~[307.380. 1. At the seller's expense every vehicle of the type required to be inspected by section 307.350, whether new or used, shall immediately prior to sale be fully inspected regardless of any current certificate of inspection and approval, and an appropriate new certificate of inspection and approval, sticker, seal or other device shall be obtained.—~~

~~2. Nothing contained in the provisions of this section shall be construed to prohibit a dealer or any other person from selling a vehicle without a certificate of inspection and approval if the vehicle is sold for junk, salvage, or for rebuilding, or for vehicles sold at public auction or from dealer to dealer. The purchaser of any vehicle which is purchased for junk, salvage, or for rebuilding, shall give to the seller an affidavit, on a form prescribed by the superintendent of the Missouri state highway patrol, stating that the vehicle is being purchased for one of the reasons stated herein. No vehicle of the type required to be inspected by section 307.350 which is purchased as junk, salvage, or for rebuilding shall again be registered in this state until the owner has submitted the vehicle for inspection and obtained an official certificate of inspection and approval, sticker, seal or other device for such vehicle.—~~

Representative Tate offered **House Amendment No. 6.**

House Amendment No. 6

AMEND House Committee Substitute for Senate Substitute for Senate Bill No. 881, Page 5, Section 21.795, Line 120, by inserting after all of said line the following:

"70.370. Within sixty days after this section becomes effective, the governor by and with the advice and consent of the senate shall appoint three commissioners to enter into a compact on behalf of the state of Missouri with the state of Illinois. If the senate is not in session at the time for making any appointment, the governor shall make a temporary appointment as in case of a vacancy. Any two of the commissioners so appointed together with the attorney general of the state of Missouri may act to enter into the following compact:

COMPACT BETWEEN MISSOURI AND ILLINOIS CREATING THE BI-STATE DEVELOPMENT AGENCY AND THE BI-STATE METROPOLITAN DISTRICT

The states of Missouri and Illinois enter into the following agreement:
ARTICLE I

They agree to and pledge each to the other faithful cooperation in the future planning and development of the bi-state metropolitan district, holding in high trust for the benefit of its people and of the nation the special blessings and natural advantages thereof.

ARTICLE II

To that end the two states create a district to be known as the "Bi-State Metropolitan Development District" (herein referred to as "The District") which shall embrace the following territory: The City of St. Louis and the counties of St. Louis ~~and~~, St. Charles ~~and~~, Jefferson, **and Franklin** in Missouri[-] and the counties of Madison, St. Clair, and Monroe in Illinois.

ARTICLE III

There is created "The Bi-State Development Agency of the Missouri-Illinois Metropolitan District" (herein referred to as "The Bi-State Agency") which shall be a body corporate and politic. The bi-state agency shall have the following powers:

(1) To plan, construct, maintain, own and operate bridges, tunnels, airports and terminal facilities and to plan and establish policies for sewage and drainage facilities;

(2) To make plans for submission to the communities involved for coordination of streets, highways, parkways, parking areas, terminals, water supply and sewage and disposal works, recreational and conservation facilities and projects, land use pattern and other matters in which joint or coordinated action of the communities within the areas will be generally beneficial;

(3) To charge and collect fees for use of the facilities owned and operated by it;

(4) To issue bonds upon the security of the revenues to be derived from such facilities; and, or upon any property held or to be held by it;

(5) To receive for its lawful activities any contributions or moneys appropriated by municipalities, counties, state or other political subdivisions or agencies; or by the federal government or any agency or officer thereof;

(6) To disburse funds for its lawful activities, and fix salaries and wages of its officers and employees;

(7) To perform all other necessary and incidental functions; and

(8) To exercise such additional powers as shall be conferred on it by the legislature of either state concurred in by the legislature of the other or by act of Congress.

No property now or hereafter vested in or held by either state, or by any county, city, borough, village, township or other political subdivision, shall be taken by the bi-state agency without the authority or consent of such state, county, city, borough, village, township or other political subdivision, nor shall anything herein impair or invalidate in any way any bonded indebtedness of such state, county, city, borough, village, township or other political subdivision, nor impair the provisions of law regulating the payment into sinking funds of revenues derived from municipal property, or dedicating the revenues derived from any municipal property to a specific purpose.

Unless and until otherwise provided, it shall make an annual report to the governor of each state, setting forth in detail the operations and transactions conducted by it pursuant to this agreement and any legislation thereunder.

Nothing contained in this compact shall impair the powers of any municipality to develop or improve terminal or other facilities.

The bi-state agency shall from time to time make plans for the development of the district; and when such plans are duly approved by the legislatures of the two states, they shall be binding upon both states with the same force and effect as if incorporated in this compact.

The bi-state agency may from time to time make recommendations to the legislatures of the two states or to the Congress of the United States, based upon study and analysis, for the improvement of transportation, terminal, and other facilities in the district.

The bi-state agency may petition any interstate commerce commission (or like body), public service commission, public utilities commission (or like body), or any other federal, municipal, state or local authority, administrative, judicial or legislative, having jurisdiction in the premises, for the adoption and execution of any physical improvements, change in method, rate of transportation, system of handling freight, warehousing, docking, lightering, or transfer of freight, which, in the opinion of the bi-state agency, may be designed to improve or better the handling of commerce in and through the district, or improve terminal and transportation facilities therein. It may intervene in any proceeding affecting the commerce of the district.

ARTICLE IV

The bi-state agency shall consist of ten commissioners, five of whom shall be resident voters of the state of Missouri and five of whom shall be resident voters of the state of Illinois. All commissioners shall reside within the bi-state district, the Missouri members to be chosen by the state of Missouri and the Illinois members by the state of Illinois in the manner and for the terms fixed by the legislature of each state except as herein provided.

ARTICLE V

The bi-state agency shall elect from its number a chairman, a vice chairman, and may appoint such officers and employees as it may require for the performance of its duties, and shall fix and determine their qualifications and duties.

Until otherwise determined by the legislatures of the two states no action of the bi-state agency shall be binding unless taken at a meeting at which at least three members from each state are present, and unless a majority of the members from each state present at such meeting shall vote in favor thereof. Each state reserves the right hereafter to provide by law for the exercise of the veto power by the governor thereof over any action of any commissioner appointed therefrom.

Until otherwise determined by the action of the legislature of the two states, the bi-state agency shall not incur any obligations for salaries, office or other administrative expenses, prior to the making of appropriations adequate to meet the same.

The bi-state agency is hereby authorized to make suitable rules and regulations not inconsistent with the constitution or laws of the United States or of either state, or of any political subdivision thereof, and subject to the exercise of the power of Congress, for the improvement of the district, which when concurred in or authorized by the legislatures of both states, shall be binding and effective upon all persons and corporations affected thereby.

The two states shall provide penalties for violations of any order, rule or regulation of the bi-state agency, and for the manner of enforcing same.

ARTICLE VI

The bi-state agency is authorized and directed to proceed with the development of the district in accordance with the articles of this compact as rapidly as may be economically practicable and is vested with all necessary and appropriate powers not inconsistent with the constitution or the laws of the United States or of either state, to effectuate the same, except the power to levy taxes or assessments.

It shall render such advice, suggestion and assistance to all municipal officials as will permit all local and municipal improvements, so far as practicable, to fit in with the plan.

ARTICLE VII

In witness thereof, we have hereunto set our hands and seals under authority vested in us by law.

House Amendment No. 7

AMEND House Committee Substitute for Senate Substitute for Senate Bill No. 881, Page 11, Section 71.015, Line 148, by inserting immediately after all of said section and line the following:

"137.010. The following words, terms and phrases when used in laws governing taxation and revenue in the state of Missouri shall have the meanings ascribed to them in this section, except when the context clearly indicates a different meaning:

(1) "Grain and other agricultural crops in an unmanufactured condition" shall mean grains and feeds including, but not limited to, soybeans, cow peas, wheat, corn, oats, barley, kafir, rye, flax, grain sorghums, cotton, and such other products as are usually stored in grain and other elevators and on farms; but excluding such grains and other agricultural crops after being processed into products of such processing, when packaged or sacked. The term "processing" shall not include hulling, cleaning, drying, grating, or polishing;

(2) "Hydroelectric power generating equipment", very-low-head turbine generators with a nameplate generating capacity of at least four hundred kilowatts but not more than six hundred kilowatts and machinery and equipment used directly in the production, generation, conversion, storage, or conveyance of hydroelectric power to land-based devices and appurtenances used in the transmission of electrical energy;

(3) "Intangible personal property", for the purpose of taxation, shall include all property other than real property and tangible personal property, as defined by this section;

(4) "Real property" includes land itself, whether laid out in town lots or otherwise, and all growing crops, buildings, structures, improvements and fixtures of whatever kind thereon, hydroelectric power generating equipment, the installed poles used in the transmission or reception of electrical energy, audio signals, video signals or similar purposes, provided the owner of such installed poles is also an owner of a fee simple interest, possessor of an easement, holder of a license or franchise, or is the beneficiary of a right-of-way dedicated for public utility purposes for the underlying land; attached wires, transformers, amplifiers, substations, and other such devices and appurtenances used in the transmission or reception of electrical energy, audio signals, video signals or similar purposes when owned by the owner of the installed poles, otherwise such items are considered personal property; and stationary property used for transportation or storage of liquid and gaseous products, including, but not limited to, petroleum products, natural gas, propane or LP gas equipment, water, and sewage;

(5) **"Reliever airport", any land and improvements, exclusive of structures, on privately owned airports that qualify as reliever airports under the National Plan of Integrated Airports System that may receive federal airport improvement project funds through the Federal Aviation Administration;**

(6) "Tangible personal property" includes every tangible thing being the subject of ownership or part ownership whether animate or inanimate, other than money, and not forming part or parcel of real property as herein defined, but does not include household goods, furniture, wearing apparel and articles of personal use and adornment, as defined by the state tax commission, owned and used by a person in his home or dwelling place.

137.016. 1. As used in Section 4(b) of Article X of the Missouri Constitution, the following terms mean:

(1) "Residential property", all real property improved by a structure which is used or intended to be used for residential living by human occupants, vacant land in connection with an airport, land used as a golf course, manufactured home parks, bed and breakfast inns in which the owner resides and uses as a primary residence with six or fewer rooms for rent, and time-share units as defined in section 407.600, except to the extent such units are actually rented and subject to sales tax under subdivision (6) of subsection 1 of section 144.020, but residential property shall not include other similar facilities used primarily for transient housing. For the purposes of this section, "transient housing" means all rooms available for rent or lease for which the receipts from the rent or lease of such rooms are subject to state sales tax pursuant to subdivision (6) of subsection 1 of section 144.020;

(2) "Agricultural and horticultural property", all real property used for agricultural purposes and devoted primarily to the raising and harvesting of crops; to the feeding, breeding and management of livestock which shall include breeding, showing, and boarding of horses; to dairying, or to any other combination thereof; and buildings and structures customarily associated with farming, agricultural, and horticultural uses. Agricultural and horticultural property shall also include land devoted to and qualifying for payments or other compensation under a soil conservation or agricultural assistance program under an agreement with an agency of the federal government. Agricultural and horticultural property shall further include ~~land and improvements, exclusive of structures, on privately owned airports that qualify as reliever airports under the National Plan of Integrated Airports System, to receive federal airport improvement project funds through the Federal Aviation Administration~~ **any reliever airport**. Real property classified as forest croplands shall not be agricultural or horticultural property so long as it is classified as forest croplands and shall be taxed in accordance with the laws enacted to implement Section 7 of Article X of the Missouri Constitution. Agricultural and horticultural property shall also include any sawmill or planing mill defined in the U.S. Department of Labor's Standard Industrial Classification (SIC) Manual under Industry Group 242 with the SIC number 2421;

(3) "Utility, industrial, commercial, railroad and other real property", all real property used directly or indirectly for any commercial, mining, industrial, manufacturing, trade, professional, business, or similar purpose, including all property centrally assessed by the state tax commission but shall not include floating docks, portions of which are separately owned and the remainder of which is designated for common ownership and in which no one person or business entity owns more than five individual units. All other real property not included in the property listed in subclasses (1) and (2) of Section 4(b) of Article X of the Missouri Constitution, as such property is defined in this section, shall be deemed to be included in the term "utility, industrial, commercial, railroad and other real property".

2. Pursuant to Article X of the state constitution, any taxing district may adjust its operating levy to recoup any loss of property tax revenue, except revenues from the surtax imposed pursuant to Article X, Subsection 2 of Section 6 of the constitution, as the result of changing the classification of structures intended to be used for residential living by human occupants which contain five or more dwelling units if such adjustment of the levy does

not exceed the highest tax rate in effect subsequent to the 1980 tax year. For purposes of this section, loss in revenue shall include the difference between the revenue that would have been collected on such property under its classification prior to enactment of this section and the amount to be collected under its classification under this section. The county assessor of each county or city not within a county shall provide information to each taxing district within its boundaries regarding the difference in assessed valuation of such property as the result of such change in classification.

3. All reclassification of property as the result of changing the classification of structures intended to be used for residential living by human occupants which contain five or more dwelling units shall apply to assessments made after December 31, 1994.

4. Where real property is used or held for use for more than one purpose and such uses result in different classifications, the county assessor shall allocate to each classification the percentage of the true value in money of the property devoted to each use; except that, where agricultural and horticultural property, as defined in this section, also contains a dwelling unit or units, the farm dwelling, appurtenant residential-related structures and up to five acres immediately surrounding such farm dwelling shall be residential property, as defined in this section. **This subsection shall not apply to any reliever airport.**

5. All real property which is vacant, unused, or held for future use; which is used for a private club, a not-for-profit or other nonexempt lodge, club, business, trade, service organization, or similar entity; or for which a determination as to its classification cannot be made under the definitions set out in subsection 1 of this section, shall be classified according to its immediate most suitable economic use, which use shall be determined after consideration of:

- (1) Immediate prior use, if any, of such property;
- (2) Location of such property;
- (3) Zoning classification of such property; except that, such zoning classification shall not be considered conclusive if, upon consideration of all factors, it is determined that such zoning classification does not reflect the immediate most suitable economic use of the property;
- (4) Other legal restrictions on the use of such property;
- (5) Availability of water, electricity, gas, sewers, street lighting, and other public services for such property;
- (6) Size of such property;
- (7) Access of such property to public thoroughfares; and
- (8) Any other factors relevant to a determination of the immediate most suitable economic use of such property.

6. All lands classified as forest croplands shall not, for taxation purposes, be classified as subclass (1), subclass (2), or subclass (3) real property, as such classes are prescribed in Section 4(b) of Article X of the Missouri Constitution and defined in this section, but shall be taxed in accordance with the laws enacted to implement Section 7 of Article X of the Missouri Constitution.

137.017. 1. For general property assessment purposes, the true value in money of land which is in use as agricultural and horticultural property, as defined in section 137.016, shall be that value which such land has for agricultural or horticultural use. The true value of buildings or other structures customarily associated with farming, agricultural, and horticultural uses, excluding residential dwellings and related land, shall be added to the use value of the agricultural and horticultural land to determine the value of the agricultural and horticultural property under sections 137.017 to 137.021.

2. After it has been established that the land is actually agricultural and horticultural property, as defined in section 137.016, and is being valued and assessed accordingly, the land shall remain in this category as long as the owner of the land complies with the provisions of sections 137.017 to 137.021.

3. Continuance of valuation and assessment for general property taxation under the provisions of sections 137.017 to 137.021 shall depend upon continuance of the land being used as agricultural and horticultural property, as defined in section 137.016, and compliance with the other requirements of sections 137.017 to 137.021 and not upon continuance in the same owner of title to the land.

4. For general property assessment purposes, the true value in money of vacant and unused land which is classified as agricultural and horticultural property under subsection 3 of section 137.016 shall be its fair market value. **This subsection shall not apply to any reliever airport.**

5. For general property assessment purposes, the true value in money of a reliever airport shall be that value which such land has for agricultural or horticultural use."; and

- (4) "Physically disabled", a natural person who is blind, as defined in section 8.700, or a natural person with medical disabilities which prohibits, limits, or severely impairs one's ability to ambulate or walk, as determined by a licensed physician or other authorized health care practitioner as follows:
 - (a) The person cannot ambulate or walk fifty or less feet without stopping to rest due to a severe and disabling arthritic, neurological, orthopedic condition, or other severe and disabling condition; or
 - (b) The person cannot ambulate or walk without the use of, or assistance from, a brace, cane, crutch, another person, prosthetic device, wheelchair, or other assistive device; or

 - (d) Uses portable oxygen; or
 - (e) Has a cardiac condition to the extent that the person's functional limitations are classified in severity as class III or class IV according to standards set by the American Heart Association; or
 - (f) A person's age, in and of itself, shall not be a factor in determining whether such person is physically disabled or is otherwise entitled to disabled license plates and/or disabled windshield hanging placards within the meaning of sections 301.141 to 301.143;
- (5) "Physician", a person licensed to practice medicine pursuant to chapter 334;
- (6) "Physician's statement", a statement personally signed by a duly authorized person which certifies that a person is disabled as defined in this section;
- (7) "Temporarily disabled person", a disabled person as defined in this section whose disability or incapacity is expected to last no more than one hundred eighty days;
- (8) "Temporary windshield placard", a placard to be issued to persons who are temporarily disabled persons as defined in this section, certification of which shall be indicated on the physician's statement;
- (9) "Windshield placard", a placard to be issued to persons who are physically disabled as defined in this section, certification of which shall be indicated on the physician's statement.

2. Other authorized health care practitioners may furnish to a disabled or temporarily disabled person a physician's statement for only those physical health care conditions for which such health care practitioner is legally authorized to diagnose and treat.

3. A physician's statement shall:

- (1) Be on a form prescribed by the director of revenue;
- (2) Set forth the specific diagnosis and medical condition which renders the person physically disabled or temporarily disabled as defined in this section;
- (3) Include the physician's or other authorized health care practitioner's license number; and
- (4) Be personally signed by the issuing physician or other authorized health care practitioner.

4. If it is the professional opinion of the physician or other authorized health care practitioner issuing the statement that the physical disability of the applicant, user, or member of the applicant's household is permanent, it shall be noted on the statement. Otherwise, the physician or other authorized health care practitioner shall note on the statement the anticipated length of the disability which period may not exceed one hundred eighty days. If the physician or health care practitioner fails to record an expiration date on the physician's statement, the director shall issue a temporary windshield placard for a period of thirty days.

5. A physician or other authorized health care practitioner who issues or signs a physician's statement so that disabled plates or a disabled windshield placard may be obtained shall maintain in such disabled person's medical chart documentation that such a certificate has been issued, the date the statement was signed, the diagnosis

or condition which existed that qualified the person as disabled pursuant to this section and shall contain sufficient documentation so as to objectively confirm that such condition exists.

6. The medical or other records of the physician or other authorized health care practitioner who issued a physician's statement shall be open to inspection and review by such practitioner's licensing board, in order to verify compliance with this section. Information contained within such records shall be confidential unless required for prosecution, disciplinary purposes, or otherwise required to be disclosed by law.

7. Owners of motor vehicles who are residents of the state of Missouri, and who are physically disabled, owners of motor vehicles operated at least fifty percent of the time by a physically disabled person, or owners of motor vehicles used to primarily transport physically disabled members of the owner's household may obtain disabled person license plates. Such owners, upon application, accompanied by the documents and fees provided for in this section, a current physician's statement which has been issued within ninety days preceding the date the application is made and proof of compliance with the state motor vehicle laws relating to registration and licensing of motor vehicles, shall be issued motor vehicle license plates for vehicles, other than commercial vehicles with a gross weight in excess of twenty-four thousand pounds, upon which shall be inscribed the international wheelchair accessibility symbol and the word "DISABLED" in addition to a combination of letters and numbers. Such license plates shall be made with fully reflective material with a common color scheme and design, shall be clearly visible at night, and shall be aesthetically attractive, as prescribed by section 301.130. **If at any time an individual who obtained disabled license plates issued under this subsection no longer occupies a residence with a physically disabled person, or no longer owns a vehicle that is operated at least fifty percent of the time by a physically disabled person, such individual shall surrender the disabled license plates to the department within thirty days of becoming ineligible for their use.**

8. The director shall further issue, upon request, to such applicant one, and for good cause shown, as the director may define by rule and regulations, not more than two, removable disabled windshield hanging placards for use when the disabled person is occupying a vehicle or when a vehicle not bearing the permanent handicap plate is being used to pick up, deliver, or collect the physically disabled person issued the disabled motor vehicle license plate or disabled windshield hanging placard.

9. No additional fee shall be paid to the director for the issuance of the special license plates provided in this section, except for special personalized license plates and other license plates described in this subsection. Priority for any specific set of special license plates shall be given to the applicant who received the number in the immediately preceding license period subject to the applicant's compliance with the provisions of this section and any applicable rules or regulations issued by the director. If determined feasible by the advisory committee established in section 301.129, any special license plate issued pursuant to this section may be adapted to also include the international wheelchair accessibility symbol and the word "DISABLED" as prescribed in this section and such plate may be issued to any applicant who meets the requirements of this section and the other appropriate provision of this chapter, subject to the requirements and fees of the appropriate provision of this chapter.

10. Any physically disabled person, or the parent or guardian of any such person, or any not-for-profit group, organization, or other entity which transports more than one physically disabled person, may apply to the director of revenue for a removable windshield placard. The placard may be used in motor vehicles which do not bear the permanent handicap symbol on the license plate. Such placards must be hung from the front, middle rearview mirror of a parked motor vehicle and may not be hung from the mirror during operation. These placards may only be used during the period of time when the vehicle is being used by a disabled person, or when the vehicle is being used to pick up, deliver, or collect a disabled person, **and shall be surrendered to the department, within thirty days, if a group, organization, or entity that obtained the removable windshield placard due to the transportation of more than one physically disabled person no longer transports more than one disabled person.** When there is no rearview mirror, the placard shall be displayed on the dashboard on the driver's side.

11. The removable windshield placard shall conform to the specifications, in respect to size, color, and content, as set forth in federal regulations published by the Department of Transportation. The removable windshield placard shall be renewed every four years. The director may stagger the expiration dates to equalize workload. Only one removable placard may be issued to an applicant who has been issued disabled person license plates. Upon request, one additional windshield placard may be issued to an applicant who has not been issued disabled person license plates.

12. A temporary windshield placard shall be issued to any physically disabled person, or the parent or guardian of any such person who otherwise qualifies except that the physical disability, in the opinion of the physician, is not expected to exceed a period of one hundred eighty days. The temporary windshield placard shall

conform to the specifications, in respect to size, color, and content, as set forth in federal regulations published by the Department of Transportation. The fee for the temporary windshield placard shall be two dollars. Upon request, and for good cause shown, one additional temporary windshield placard may be issued to an applicant. Temporary windshield placards shall be issued upon presentation of the physician's statement provided by this section and shall be displayed in the same manner as removable windshield placards. A person or entity shall be qualified to possess and display a temporary removable windshield placard for six months and the placard may be renewed once for an additional six months if a physician's statement pursuant to this section is supplied to the director of revenue at the time of renewal.

13. Application for license plates or windshield placards issued pursuant to this section shall be made to the director of revenue and shall be accompanied by a statement signed by a licensed physician or other authorized health care practitioner which certifies that the applicant, user, or member of the applicant's household is a physically disabled person as defined by this section.

14. The placard shall be renewable only by the person or entity to which the placard was originally issued. Any placard issued pursuant to this section shall only be used when the physically disabled occupant for whom the disabled plate or placard was issued is in the motor vehicle at the time of parking or when a physically disabled person is being delivered or collected. A disabled license plate and/or a removable windshield hanging placard are not transferable and may not be used by any other person whether disabled or not.

15. At the time the disabled plates or windshield hanging placards are issued, the director shall issue a registration certificate which shall include the applicant's name, address, and other identifying information as prescribed by the director, or if issued to an agency, such agency's name and address. This certificate shall further contain the disabled license plate number or, for windshield hanging placards, the registration or identifying number stamped on the placard. The validated registration receipt given to the applicant shall serve as the registration certificate.

16. The director shall, upon issuing any disabled registration certificate for license plates and/or windshield hanging placards, provide information which explains that such plates or windshield hanging placards are nontransferable, and the restrictions explaining who and when a person or vehicle which bears or has the disabled plates or windshield hanging placards may be used or be parked in a disabled reserved parking space, and the penalties prescribed for violations of the provisions of this act.

17. Every new applicant for a disabled license plate or placard shall be required to present a new physician's statement dated no more than ninety days prior to such application. Renewal applicants will be required to submit a physician's statement dated no more than ninety days prior to such application upon their first renewal occurring on or after August 1, 2005. Upon completing subsequent renewal applications, a physician's statement dated no more than ninety days prior to such application shall be required every ~~fourth~~ **eighth** year. Such physician's statement shall state the expiration date for the temporary windshield placard. If the physician fails to record an expiration date on the physician's statement, the director shall issue the temporary windshield placard for a period of thirty days. The director may stagger the requirement of a physician's statement on all renewals for the initial implementation of a ~~four-year~~ **eight-year** period.

18. The director of revenue upon receiving a physician's statement pursuant to this subsection shall check with the state board of registration for the healing arts created in section 334.120, or the Missouri state board of nursing established in section 335.021, with respect to physician's statements signed by advanced practice registered nurses, or the Missouri state board of chiropractic examiners established in section 331.090, with respect to physician's statements signed by licensed chiropractors, or with the board of optometry established in section 336.130, with respect to physician's statements signed by licensed optometrists, or the state board of podiatric medicine created in section 330.100, with respect to physician's statements signed by physicians of the foot or podiatrists to determine whether the physician is duly licensed and registered pursuant to law. If such applicant obtaining a disabled license plate or placard presents proof of disability in the form of a statement from the United States Veterans' Administration verifying that the person is permanently disabled, the applicant shall be exempt from the ~~four-year~~ **eight-year** certification requirement of this subsection for renewal of the plate or placard. Initial applications shall be accompanied by the physician's statement required by this section. Notwithstanding the provisions of paragraph (f) of subdivision (4) of subsection 1 of this section, any person seventy-five years of age or older who provided the physician's statement with the original application shall not be required to provide a physician's statement for the purpose of renewal of disabled persons license plates or windshield placards.

19. The boards shall cooperate with the director and shall supply information requested pursuant to this subsection. The director shall, in cooperation with the boards which shall assist the director, establish a list of all Missouri physicians and other authorized health care practitioners and of any other information necessary to administer this section.

20. Where the owner's application is based on the fact that the vehicle is used at least fifty percent of the time by a physically disabled person, the applicant shall submit a statement stating this fact, in addition to the physician's statement. The statement shall be signed by both the owner of the vehicle and the physically disabled person. The applicant shall be required to submit this statement with each application for license plates. No person shall willingly or knowingly submit a false statement and any such false statement shall be considered perjury and may be punishable pursuant to section 301.420.

21. The director of revenue shall retain all physicians' statements and all other documents received in connection with a person's application for disabled license plates and/or disabled windshield placards.

22. The director of revenue shall enter into reciprocity agreements with other states or the federal government for the purpose of recognizing disabled person license plates or windshield placards issued to physically disabled persons.

When a person to whom disabled person license plates or a removable or temporary windshield placard or both have been issued dies, the personal representative of the decedent or such other person who may come into or otherwise take possession of the disabled license plates or disabled windshield placard shall return the same to the director of revenue under penalty of law. Failure to return such plates or placards shall constitute a class B misdemeanor.

24. The director of revenue may order any person issued disabled person license plates or windshield placards to submit to an examination by a chiropractor, osteopath, or physician, or to such other investigation as will determine whether such person qualifies for the special plates or placards.

25. If such person refuses to submit or is found to no longer qualify for special plates or placards provided for in this section, the director of revenue shall collect the special plates or placards, and shall furnish license plates to replace the ones collected as provided by this chapter.

26. In the event a removable or temporary windshield placard is lost, stolen, or mutilated, the lawful holder thereof shall, within five days, file with the director of revenue an application and an affidavit stating such fact, in order to purchase a new placard. The fee for the replacement windshield placard shall be four dollars.

27. Fraudulent application, renewal, issuance, procurement or use of disabled person license plates or windshield placards shall be a class A misdemeanor. It is a class B misdemeanor for a physician, chiropractor, podiatrist or optometrist to certify that an individual or family member is qualified for a license plate or windshield placard based on a disability, the diagnosis of which is outside their scope of practice or if there is no basis for the diagnosis."; and

Each set of license plates shall bear the name or abbreviated name of this state, the words "SHOW-ME STATE", the month and year in which the registration shall expire, and an arrangement of numbers or letters, or both, as shall be assigned from year to year by the director of revenue. The plates shall also contain fully reflective material with a common color scheme and design for each type of license plate issued pursuant to this chapter. 2. The arrangement of letters and numbers of license plates shall be uniform throughout each classification of registration. The director may provide for the arrangement of the numbers in groups or otherwise, and for other distinguishing marks on the plates.

3. All property-carrying commercial motor vehicles to be registered at a gross weight in excess of twelve thousand pounds, all passenger-carrying commercial motor vehicles, local transit buses, school buses, trailers, semitrailers, motorcycles, motortricycles, **autocycles**, motorscooters, and driveaway vehicles shall be registered with the director of revenue as provided for in subsection 3 of section 301.030, or with the state highways and transportation commission as otherwise provided in this chapter, but only one license plate shall be issued for each such vehicle, except as provided in this subsection. The director may assess and collect an additional charge from the applicant in an amount not to exceed the fee prescribed for personalized license plates in subsection 1 of section 301.144.

4. The plates issued to manufacturers and dealers shall bear the letters and numbers as prescribed by section 301.560, and the director may place upon the plates other letters or marks to distinguish commercial motor vehicles and trailers and other types of motor vehicles.

5. No motor vehicle or trailer shall be operated on any highway of this state unless it shall have displayed thereon the license plate or set of license plates issued by the director of revenue or the state highways and transportation commission and authorized by section 301.140. Each such plate shall be securely fastened to the motor vehicle or trailer in a manner so that all parts thereof shall be plainly visible and reasonably clean so that the reflective qualities thereof are not impaired. Each such plate may be encased in a transparent cover so long as the plate is plainly visible and its reflective qualities are not impaired. Beginning January 1, 2010, the director may prescribe any additional information recorded on the tab or tabs

(2) The vehicle owner to whom a tab or set of tabs is issued shall affix and display such tab or tabs in the designated area of the license plate, no more than one per plate.

The permanent nonexpiring license plate shall be returned to the highways and transportation commission upon the sale or disposal of the vehicle by the owner to whom the permanent nonexpiring license plate is issued, or the plate may be transferred to a replacement commercial motor vehicle when the owner files a supplemental application with the Missouri highways and transportation commission for the registration of such replacement commercial motor vehicle. Upon payment of the annual registration fee, the highways and transportation commission shall issue a certificate of registration or other suitable evidence of payment of the annual fee, and such evidence of payment shall be carried at all times in the vehicle for which it is issued.

(6) Upon the sale or disposal of any vehicle permanently registered under this section, or upon the termination of a lease of any such vehicle, the permanent nonexpiring plate issued for such vehicle shall be returned to the highways and transportation commission and shall not be valid for operation of such vehicle, or the plate may be transferred to a replacement vehicle when the owner files a supplemental application with the Missouri highways and transportation commission for the registration of such replacement vehicle. If a vehicle which is permanently registered under this section is sold, wrecked or otherwise disposed of, or the lease terminated, the registrant shall be given credit for any unused portion of the annual registration fee when the vehicle is replaced by the purchase or lease of another vehicle during the registration year.

7. The director of revenue and the highways and transportation commission may prescribe rules and regulations for the effective administration of this section. No rule or portion of a rule promulgated under the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of section 536.024.

8. Notwithstanding the provisions of any other law to the contrary, owners of motor vehicles other than apportioned motor vehicles or commercial motor vehicles licensed in excess of twenty-four thousand pounds gross weight may apply for special personalized license plates. Vehicles licensed for twenty-four thousand pounds that display special personalized license plates shall be subject to the provisions of subsections 1 and 2 of section 301.030. On and after August 28, 2016, owners of motor vehicles, other than apportioned motor vehicles or commercial motor vehicles licensed in excess of twenty-four thousand pounds gross weight, may apply for any preexisting or hereafter statutorily created special personalized license plates.

9. No later than January 1, 2019, the director of revenue shall commence the reissuance of new license plates of such design as approved by the advisory committee under section 301.125 consistent with the terms, conditions, and provisions of section 301.125 and this chapter. Except as otherwise provided in this section, in addition to all other fees required by law, applicants for registration of vehicles with license plates that expire during the period of reissuance, applicants for registration of trailers or semitrailers with license plates that expire during the period of reissuance and applicants for registration of vehicles that are to be issued new license plates during the period of reissuance shall pay the cost of the plates required by this subsection. The additional cost prescribed in this subsection shall not be charged to persons receiving special license plates issued under section 301.073 or 301.443. Historic motor vehicle license plates registered pursuant to section 301.131 and specialized license plates are exempt from the provisions of this subsection. Except for new, replacement, and transfer applications, permanent nonexpiring license plates issued to commercial motor vehicles and trailers registered under section 301.041 are exempt from the provisions of this subsection."; and

3. All of such books and records shall be kept open to public inspection during reasonable business hours.

4. The governor may cause the records of the department of revenue to be audited by the state auditor at any time."; and

Further amend said bill, Page 32, Section 302.170, Line 163, by inserting after all of said section and line the following:

"304.005. 1. House Amendment No. 12

AMEND House Committee Substitute for Senate Substitute for Senate Bill No. 881, Page 5, Section 21.795, Line 120, by inserting after all of said section and line the following:

"68.075. 1. This section shall be known and may be cited as the "Advanced Industrial Manufacturing Zones Act".

2. As used in this section, the following terms shall mean:

(1) "AIM zone", an area identified through a resolution passed by the port authority board of commissioners appointed under section 68.045 that is being developed or redeveloped for any purpose so long as any infrastructure and building built or improved is in the development area. The port authority board of commissioners shall file an annual report indicating the established AIM zones with the department of revenue;

(2) "County average wage", the average wage in each county as determined by the Missouri department of economic development for the most recently completed full calendar year. However, if the computed county average wage is above the statewide average wage, the statewide average wage shall be deemed the county average wage for such county for the purpose of determining eligibility;

(3) "New job", the number of full-time employees located at the project facility that exceeds the project facility base employment less any decrease in the number of full-time employees at related facilities below the related facility base employment. No job that was created prior to the date of the notice of intent shall be deemed a new job. An employee that spends less than fifty percent of the employee's work time at the facility is still considered to be located at a facility if the employee receives his or her directions and control from that facility, is on the facility's payroll, one hundred percent of the employee's income from such employment is Missouri income, and the employee is paid at or above the county average wage;

(4) **"Related facility", a facility operated by a company or a related company prior to the establishment of the AIM zone in question located within any port district, as defined under section 68.015, which is directly related to the operations of the facility within the new AIM zone.**

3. Any port authority located in this state may establish an AIM zone. Such zone may only include the area within the port authority's jurisdiction, ownership, or control, and may include any such area. The port authority shall determine the boundaries for each AIM zone, and more than one AIM zone may exist within the port authority's jurisdiction or under the port authority's ownership or control, and may be expanded or contracted by resolution of the port authority board of commissioners.

4. Fifty percent of the state tax withholdings imposed by sections 143.191 to 143.265 on new jobs within such zone after development or redevelopment has commenced shall not be remitted to the general revenue fund of the state of Missouri. Such moneys shall be deposited into the port authority AIM zone fund established under subsection 5 of this section for the purpose of continuing to expand, develop, and redevelop AIM zones identified by the port authority board of commissioners and may be used for managerial, engineering, legal, research, promotion, planning, satisfaction of bonds issued under section 68.040, and any other expenses.

5. There is hereby created in the state treasury the "Port Authority AIM Zone Fund", which shall consist of money collected under this section. The state treasurer shall be custodian of the fund and shall approve disbursements from the fund in accordance with sections 30.170 and 30.180 to the port authorities from which the funds were collected, less the pro-rata portion appropriated by the general assembly to be used solely for the administration of this section which shall not exceed ten percent of the total amount collected within the zones of a port authority. Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

6. The port authority shall approve any projects that begin construction and disperse any money collected under this section. The port authority shall submit an annual budget for the funds to the department of economic development explaining how and when such money will be spent.

7. The provision of section 23.253 notwithstanding, no AIM zone may be established after August 28, 2023. Any AIM zone created prior to that date shall continue to exist and be coterminous with the retirement of all debts incurred under subsection 4 of this section. No debts may be incurred or reauthorized using AIM zone revenue after August 28, 2023."; and

JOURNAL OF THE HOUSE

Second Regular Session, 99th GENERAL ASSEMBLY

SEVENTY-SIXTH DAY, THURSDAY, MAY 17, 2018

The House met pursuant to adjournment.

Representative Curtman in the Chair.

Prayer by Dr. Charles R. Curtman.

Heavenly Father,

You have told us in Your Word, in 2 Samuel 23:3, that *He that ruleth over men, must be just, ruling in the fear of God*. With this in mind, we are gathered here this morning to recognize You and to call upon Your name to help this legislative body in the work that they have to do not only today but also in the days ahead.

Help this legislative body to be ever more conscious and concerned about the challenges that are present now in a culture that has become one of death, deceitfulness and moral degradation at every level, a culture that celebrates its denial of You; the place You have held in our past, and the place You should have in the life of our nation and in the state of Missouri today.

Help this body to have and demonstrate the wisdom and courage it needs for conducting the business that is before them today not with regard to personal or party interest but with a desire to uphold and advance the interests of the people of Missouri in a way that will be pleasing to You.

And in closing this prayer, Lord, I ask that You will help each individual here to not think just in the moment or in terms of this legislative session but in terms of their being people who need to have their lives ennobled every day by acts that redound to Your glory and to the good of the people they have been elected to serve. Help them to see and seize the unusual opportunity they have been given during this steadily closing window of time that we call their “term in office” to deport themselves as statesmen and not as politicians. Help them to become better men and women during the time that they spend in this place today.

Above all, I pray that You will help everyone in this assembly to enjoy the relationship and expectation that all are promised who have placed their faith in the death, burial, and resurrection of Your son, Jesus Christ.

All of this I ask very gratefully in His name...Amen

The Pledge of Allegiance to the flag was recited.

The Journal of the seventy-fifth day was approved as printed by the following vote:

AMEND Senate Bill No. 884, Page 1, Section A, Line 2, by inserting after all of said section and line the following:

"32.200. The "Multistate Tax Compact" is hereby enacted into law and entered into with all jurisdictions legally joining therein, in the form substantially as follows:

MULTISTATE TAX COMPACT

Article I

The purposes of this compact are to:

1. Facilitate proper determination of state and local tax liability of multistate taxpayers, including the equitable apportionment of tax bases and settlement of apportionment disputes.
2. Promote uniformity or compatibility in significant components of tax systems.
3. Facilitate taxpayer convenience and compliance in the filing of tax returns and in other phases of tax administration.
4. Avoid duplicative taxation.

Article II

As used in this compact:

1. "State" means a state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, or any territory or possession of the United States.
2. "Subdivision" means any governmental unit or special district of a state.
3. "Taxpayer" means any corporation, partnership, firm, association, governmental unit or agency or person acting as a business entity in more than one state.
4. "Income tax" means a tax imposed on or measured by net income including any tax imposed on or measured by an amount arrived at by deducting expenses from gross income, one or more forms of which expenses are not specifically and directly related to particular transactions.
5. "Capital stock tax" means a tax measured in any way by the capital of a corporation considered in its entirety.
6. "Gross receipts tax" means a tax, other than a sales tax, which is imposed on or measured by the gross volume of business, in terms of gross receipts or in other terms, and in the determination of which no deduction is allowed which would constitute the tax an income tax.
7. "Sales tax" means a tax imposed with respect to the transfer for a consideration of ownership, possession or custody of tangible personal property or the rendering of services measured by the price of the tangible personal property transferred or services rendered and which is required by state or local law to be separately stated from the sales price by the seller, or which is customarily separately stated from the sales price, but does not include a tax imposed exclusively on the sale of a specifically identified commodity or article or class of commodities or articles.
8. "Use tax" means a nonrecurring tax, other than a sales tax, which
 - (a) is imposed on or with respect to the exercise or enjoyment of any right or power over tangible personal property incident to the ownership, possession or custody of that property or the leasing of that property from another including any consumption, keeping, retention, or other use of tangible personal property; and
 - (b) is complementary to a sales tax.
9. "Tax" means an income tax, capital stock tax, gross receipts tax, sales tax, use tax, and any other tax which has a multistate impact, except that the provisions of articles III, IV and V of this compact shall apply only to the taxes specifically designated therein and the provisions of article IX of this compact shall apply only in respect to determinations pursuant to article IV.

Article III

1. Any taxpayer subject to an income tax whose income is subject to apportionment and allocation for tax purposes pursuant to the laws of a party state or pursuant to the laws of subdivisions in two or more party states may elect to apportion and allocate his income in the manner provided by the laws of such state or by the laws of such states and subdivisions without reference to this compact, or may elect to apportion and allocate in accordance with article IV; **except that for tax years beginning on or after January 1, 2020, any taxpayer subject to the tax imposed by section 143.071 shall apportion and allocate in accordance with the provisions of Chapter 143 and shall not apportion or allocate in accordance with article IV.** This election for any tax year may be made in all party states or subdivisions thereof or in any one or more of the party states or subdivisions thereof without reference to the election made in the others. For the purposes of this paragraph, taxes imposed by subdivisions shall be considered separately from state taxes and the apportionment and allocation also may be applied to the entire tax base. In no instance wherein article IV is employed for all subdivisions of a state may the sum of all apportionments and allocations to subdivisions within a state be greater than the apportionment and allocation that would be assignable to that state if the apportionment or allocation were being made with respect to a state income tax.

2. Each party state or any subdivision thereof which imposes an income tax shall provide by law that any taxpayer required to file a return, whose only activities within the taxing jurisdiction consist of sales and do not include owning or renting real estate or tangible personal property, and whose dollar volume of gross sales made during the tax year within the state or subdivision, as the case may be, is not in excess of \$100,000 may elect to report and pay any tax due on the basis of a percentage of such volume, and shall adopt rates which shall produce a tax which reasonably approximates the tax otherwise due. The multistate tax commission, not more than once in five years, may adjust the \$100,000 figure in order to reflect such changes as may occur in the real value of the dollar, and such adjusted figure, upon adoption by the commission, shall replace the \$100,000 figure specifically provided herein. Each party state and subdivision thereof may make the same election available to taxpayers additional to those specified in this paragraph.

3. Nothing in this article relates to the reporting or payment of any tax other than an income tax.

Article IV

1. As used in this article, unless the context otherwise requires:

(1) "Business income" means income arising from transactions and activity in the regular course of the taxpayer's trade or business and includes income from tangible and intangible property if the acquisition, management, and disposition of the property constitute integral parts of the taxpayer's regular trade or business operations.

(2) "Commercial domicile" means the principal place from which the trade or business of the taxpayer is directed or managed.

(3) "Compensation" means wages, salaries, commissions and any other form of remuneration paid to employees for personal services.

(4) "Financial organization" means any bank, trust company, savings bank, industrial bank, land bank, safe deposit company, private banker, savings and loan association, credit union, cooperative bank, small loan company, sales finance company, investment company, or any type of insurance company.

(5) "Nonbusiness income" means all income other than business income.

(6) "Public utility" means any business entity

(a) which owns or operates any plant, equipment, property, franchise, or license for the transmission of communications, transportation of goods or persons, except by pipeline, or the production, transmission, sale, delivery, or furnishing of electricity, water or steam; and

(b) whose rates of charges for goods or services have been established or approved by a federal, state or local government or governmental agency.

(7) "Sales" means all gross receipts of the taxpayer not allocated under paragraphs of this article.

(8) "State" means any state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, any territory or possession of the United States, and any foreign country or political subdivision thereof.

(9) "This state" means the state in which the relevant tax return is filed or, in the case of application of this article, to the apportionment and allocation of income for local tax purposes, the subdivision or local taxing district in which the relevant tax return is filed.

2. Any taxpayer having income from business activity which is taxable both within and without this state, other than activity as a financial organization or public utility or the rendering of purely personal services by an individual, shall allocate and apportion his net income as provided in this article. If a taxpayer has income from business activity as a public utility but derives the greater percentage of his income from activities subject to this article, the taxpayer may elect to allocate and apportion his entire net income as provided in this article.

3. For purposes of allocation and apportionment of income under this article, a taxpayer is taxable in another state if

(1) in that state he is subject to a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business, or a corporate stock tax; or

(2) that state has jurisdiction to subject the taxpayer to a net income tax regardless of whether, in fact, the state does or does not.

4. Rents and royalties from real or tangible personal property, capital gains, interest, dividends or patent or copyright royalties, to the extent that they constitute nonbusiness income, shall be allocated as provided in paragraphs 5 through 8 of this article.

5. (1) Net rents and royalties from real property located in this state are allocable to this state.

(2) Net rents and royalties from tangible personal property are allocable to this state:

(a) if and to the extent that the property is utilized in this state; or

(b) in their entirety if the taxpayer's commercial domicile is in this state and the taxpayer is not organized under the laws of or taxable in the state in which the property is utilized.

(3) The extent of utilization of tangible personal property in a state is determined by multiplying the rents and royalties by a fraction, the numerator of which is the number of days of physical location of the property in the state during the rental or royalty period in the taxable year and the denominator of which is the number of days of physical location of the property everywhere during all rental or royalty periods in the taxable year. If the physical location of the property during the rental or royalty period is unknown or unascertainable by the taxpayer, tangible personal property is utilized in the state in which the property was located at the time the rental or royalty payer obtained possession.

6. (1) Capital gains and losses from sales of real property located in this state are allocable to this state.

(2) Capital gains and losses from sales of tangible personal property are allocable to this state if

(a) the property had a situs in this state at the time of the sale; or

(b) the taxpayer's commercial domicile is in this state and the taxpayer is not taxable in the state in which the property had a situs.

(3) Capital gains and losses from sales of intangible personal property are allocable to this state if the taxpayer's commercial domicile is in this state.

7. Interest and dividends are allocable to this state if the taxpayer's commercial domicile is in this state.

8. (1) Patent and copyright royalties are allocable to this state:

(a) if and to the extent that the patent or copyright is utilized by the payer in this state; or

(b) if and to the extent that the patent copyright is utilized by the payer in a state in which the taxpayer is not taxable and the taxpayer's commercial domicile is in this state.

(2) A patent is utilized in a state to the extent that it is employed in production, fabrication, manufacturing, or other processing in the state or to the extent that a patented product is produced in the state. If the basis of receipts from patent royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the patent is utilized in the state in which the taxpayer's commercial domicile is located.

(3) A copyright is utilized in a state to the extent that printing or other publication originates in the state. If the basis of receipts from copyright royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the copyright is utilized in the state in which the taxpayer's commercial domicile is located.

9. All business income shall be apportioned to this state by multiplying the income by a fraction, the numerator of which is the property factor plus the payroll factor plus the sales factor, and the denominator of which is three.

10. The property factor is a fraction, the numerator of which is the average value of the taxpayer's real and tangible personal property owned or rented and used in this state during the tax period and the denominator of which is the average value of all the taxpayer's real and tangible personal property owned or rented and used during the tax period.

11. Property owned by the taxpayer is valued at its original cost. Property rented by the taxpayer is valued at eight times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the taxpayer less any annual rental rate received by the taxpayer from subrentals.

12. The average value of property shall be determined by averaging the values at the beginning and ending of the tax period but the tax administrator may require the averaging of monthly values during the tax period if reasonably required to reflect properly the average value of the taxpayer's property.

13. The payroll factor is a fraction, the numerator of which is the total amount paid in this state during the tax period by the taxpayer for compensation and the denominator of which is the total compensation paid everywhere during the tax period.

14. Compensation is paid in this state if:

(1) the individual's service is performed entirely within the state;

(2) the individual's service is performed both within and without the state, but the service performed without the state is incidental to the individual's service within the state; or

(3) some of the service is performed in the state; and

(a) the base of operations or, if there is no base of operations, the place from which the service is directed or controlled is in the state; or

(b) the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual's residence is in this state.

15. The sales factor is a fraction, the numerator of which is the total sales of the taxpayer in this state during the tax period, and the denominator of which is the total sales of the taxpayer everywhere during the tax period.

16. Sales of tangible personal property are in this state if:

(1) the property is delivered or shipped to a purchaser, other than the United States government, within this state regardless of the f.o.b. point or other conditions of the sale; or

(2) the property is shipped from an office, store, warehouse, factory, or other place of storage in this state; and

(a) the purchaser is the United States government; or

(b) the taxpayer is not taxable in the state of the purchaser.

17. Sales, other than sales of tangible personal property, are in this state if:

(1) the income-producing activity is performed in this state; or

(2) the income-producing activity is performed both in and outside this state and a greater proportion of the income-producing activity is performed in this state than in any other state, based on costs of performance.

18. If the allocation and apportionment provisions of this article do not fairly represent the extent of the taxpayer's business activity in this state, the taxpayer may petition for or the tax administrator may require, in respect to all or any part of the taxpayer's business activity, if reasonable:

(1) separate accounting;

(2) the exclusion of any one or more of the factors;

(3) the inclusion of one or more additional factors which will fairly represent the taxpayer's business activity in this state; or

(4) the employment of any other method to effectuate an equitable allocation and apportionment of the taxpayer's income.

Article V

1. Each purchaser liable for a use tax on tangible personal property shall be entitled to full credit for the combined amount or amounts of legally imposed sales or use taxes paid by him with respect to the same property to another state and any subdivision thereof. The credit shall be applied first against the amount of any use tax due the state, and any unused portion of the credit shall then be applied against the amount of any use tax due a subdivision.

2. Whenever a vendor receives and accepts in good faith from a purchaser a resale or other exemption certificate or other written evidence of exemption authorized by the appropriate state or subdivision taxing authority, the vendor shall be relieved of liability for a sales or use tax with respect to the transaction.

Article VI

1. (a) The multistate tax commission is hereby established. It shall be composed of one "member" from each party state who shall be the head of the state agency charged with the administration of the types of taxes to which this compact applies. If there is more than one such agency the state shall provide by law for the selection of the commission member from the heads of the relevant agencies. State law may provide that a member of the commission be represented by an alternate but only if there is on file with the commission written notification of the designation and identity of the alternate. The attorney general of each party state or his designee, or other counsel if the laws of the party state specifically provide, shall be entitled to attend the meetings of the commission, but shall not vote. Such attorneys general, designees, or other counsel shall receive all notices of meetings required under paragraph 1 (e) of this article.

(b) Each party state shall provide by law for the selection of representatives from its subdivisions affected by this compact to consult with the commission member from that state.

(c) Each member shall be entitled to one vote. The commission shall not act unless a majority of the members are present, and no action shall be binding unless approved by a majority of the total number of members.

(d) The commission shall adopt an official seal to be used as it may provide.

(e) The commission shall hold an annual meeting and such other regular meetings as its bylaws may provide and such special meetings as its executive committee may determine. The commission bylaws shall specify the dates of the annual and any other regular meetings, and shall provide for the giving of notice of annual, regular and special meetings. Notices of special meetings shall include the reasons therefor and an agenda of the items to be considered.

(f) The commission shall elect annually, from among its members, a chairman, a vice chairman and a treasurer. The commission shall appoint an executive director who shall serve at its pleasure, and it shall fix his duties and compensation. The executive director shall be secretary of the commission. The commission shall make provision for the bonding of such of its officers and employees as it may deem appropriate.

(g) Irrespective of the civil service, personnel or other merit system laws of any party state, the executive director shall appoint or discharge such personnel as may be necessary for the performance of the functions of the commission and shall fix their duties and compensation. (l) The commission annually shall make to the governor and legislature of each party state a report covering its activities for the preceding year. Any donation or grant accepted by the commission or services borrowed shall be reported in the annual report of the commission, and shall include the nature, amount and conditions, if any, of the donation, gift, grant or services borrowed and the identity of the donor or lender. The commission may make additional reports as it may deem desirable.

2. (a) To assist in the conduct of its business when the full commission is not meeting, the commission shall have an executive committee of seven members, including the chairman, vice chairman, treasurer and four other members elected annually by the commission. The executive committee, subject to the provisions of this compact and consistent with the policies of the commission, shall function as provided in the bylaws of the commission.

(b) The commission may establish advisory and technical committees, membership on which may include private persons and public officials, in furthering any of its activities. Such committees may consider any matter of concern to the commission, including problems of special interest to any party state and problems dealing with particular types of taxes.

In determining such amounts, the commission shall employ such available public sources of information as, in its judgment, present the most equitable and accurate comparisons among the party states. Each of the commission's budgets of estimated expenditures and requests for appropriations shall indicate the sources used in obtaining information employed in applying the formula contained in this paragraph.

(c) The commission shall not pledge the credit of any party state. The commission may meet any of its obligations in whole or in part with funds available to it under paragraph 1 (i) of this article; provided that the commission takes specific action setting aside such funds prior to incurring any obligation to be met in whole or in part in such manner. Except where the commission makes use of funds available to it under paragraph 1 (i), the commission shall not incur any obligation prior to the allotment of funds by the party states adequate to meet the same.

Article VII

1. Whenever any two or more party states, or subdivisions of party states, have uniform or similar provisions of law relating to an income tax, capital stock tax, gross receipts tax, sales or use tax, the commission may adopt uniform regulations for any phase of the administration of such law, including assertion of jurisdiction to tax, or prescribing uniform tax forms. The commission may also act with respect to the provisions of article IV of this compact.

2. Prior to the adoption of any regulation, the commission shall:

(a) As provided in its bylaws, hold at least one public hearing on due notice to all affected party states and subdivisions thereof and to all taxpayers and other persons who have made timely request of the commission for advance notice of its regulation-making proceedings.

(b) Afford all affected party states and subdivisions and interested persons an opportunity to submit relevant written data and views, which shall be considered fully by the commission.

3. The commission shall submit any regulations adopted by it to the appropriate officials of all party states and subdivisions to which they might apply. Each such state and subdivision shall consider any such regulation for adoption in accordance with its own laws and procedures.

Article VIII

1. This article shall be in force only in those party states that specifically provide therefor by statute.

2. Any party state or subdivision thereof desiring to make or participate in an audit of any accounts, books, papers, records or other documents may request the commission to perform the audit on its behalf. In responding to the request, the commission shall have access to and may examine, at any reasonable time, such accounts, books, papers, records, and other documents and any relevant property or stock of merchandise. The commission may enter into agreements with party states or their subdivisions for assistance in performance of the audit. The commission shall make charges, to be paid by the state or local government or governments for which it performs the service, for any audits performed by it in order to reimburse itself for the actual costs incurred in making the audit.

3. The commission may require the attendance of any person within the state where it is conducting an audit or part thereof at a time and place fixed by it within such state for the purpose of giving testimony with respect to any account, book, paper, document, other record, property or stock of merchandise being examined in connection with the audit. If the person is not within the jurisdiction, he may be required to attend for such purpose at any time and place fixed by the commission within the state of which he is a resident; provided that such state has adopted this article.

4. The commission may apply to any court having power to issue compulsory process for orders in aid of its powers and responsibilities pursuant to this article and any and all such courts shall have jurisdiction to issue such orders. Failure of any person to obey any such order shall be punishable as contempt of the issuing court. If the party or subject matter on account of which the commission seeks an order is within the jurisdiction of the court to which application is made, such application may be to a court in the state or subdivision on behalf of which the audit is being made or a court in the state in which the object of the order being sought is situated. The provisions of this paragraph apply only to courts in a state that has adopted this article.

5. The commission may decline to perform any audit requested if it finds that its available personnel or other resources are insufficient for the purpose or that, in the terms requested, the audit is impracticable of satisfactory performance. If the commission, on the basis of its experience, has reason to believe that an audit of a particular taxpayer, either at a particular time or on a particular schedule, would be of interest to a number of party states or their subdivisions, it may offer to make the audit or audits, the offer to be contingent on sufficient participation therein as determined by the commission.

6. Information obtained by any audit pursuant to this article shall be confidential and available only for tax purposes to party states, their subdivisions or the United States. Availability of information shall be in accordance with the laws of the states or subdivisions on whose account the commission performs the audit, and only through the appropriate agencies or officers of such states or subdivisions. Nothing in this article shall be construed to require any taxpayer to keep records for any period not otherwise required by law.

7. Other arrangements made or authorized pursuant to law for cooperative audit by or on behalf of the party states or any of their subdivisions are not superseded or invalidated by this article.

8. In no event shall the commission make any charge against a taxpayer for an audit.

9. As used in this article, "tax" in addition to the meaning ascribed to it in article II, means any tax or license fee imposed in whole or in part for revenue purposes.

Article IX

1. Whenever the commission finds a need for settling disputes concerning apportionments and allocations by arbitration, it may adopt a regulation placing this article in effect, notwithstanding the provisions of article VII.

2. The commission shall select and maintain an arbitration panel composed of officers and employees of state and local governments and private persons who shall be knowledgeable and experienced in matters of tax law and administration.

3. Whenever a taxpayer who has elected to employ article IV, or whenever the laws of the party state or subdivision thereof are substantially identical with the relevant provisions of article IV, the taxpayer, by written notice to the commission and to each party state or subdivision thereof that would be affected, may secure arbitration of an apportionment or allocation, if he is dissatisfied with the final administrative determination of the tax agency of the state or subdivision with respect thereto on the ground that it would subject him to double or multiple taxation by two or more party states or subdivisions thereof. Each party state and subdivision thereof hereby consents to the arbitration as provided herein, and agrees to be bound thereby.

4. The arbitration board shall be composed of one person selected by the taxpayer, one by the agency or agencies involved, and one member of the commission's arbitration panel. If the agencies involved are unable to agree on the person to be selected by them, such person shall be selected by lot from the total membership of the arbitration panel. The two persons selected for the board in the manner provided by the foregoing provisions of this paragraph shall jointly select the third member of the board. If they are unable to agree on the selection, the third member shall be selected by lot from among the total membership of the arbitration panel. No member of a board selected by lot shall be qualified to serve if he is an officer or employee or is otherwise affiliated with any party to the arbitration proceeding. Residence within the jurisdiction of a party to the arbitration proceeding shall not constitute affiliation within the meaning of this paragraph.

5. The board may sit in any state or subdivision party to the proceeding, in the state of the taxpayer's incorporation, residence or domicile, in any state where the taxpayer does business, or in any place that it finds most appropriate for gaining access to evidence relevant to the matter before it.

6. The board shall give due notice of the times and places of its hearings. The parties shall be entitled to be heard, to present evidence, and to examine and cross-examine witnesses. The board shall act by majority vote.

7. The board shall have power to administer oaths, take testimony, subpoena and require the attendance of witnesses and the production of accounts, books, papers, records, and other documents, and issue commissions to take testimony. Subpoenas may be signed by any member of the board. In case of failure to obey a subpoena, and upon application by the board, any judge of a court of competent jurisdiction of the state in which the board is sitting or in which the person to whom the subpoena is directed may be found may make an order requiring compliance with the subpoena, and the court may punish failure to obey the order as a contempt. The provisions of this paragraph apply only in states that have adopted this article.

8. Unless the parties otherwise agree the expenses and other costs of the arbitration shall be assessed and allocated among the parties by the board in such manner as it may determine. The commission shall fix a schedule of compensation for members of arbitration boards and of other allowable expenses and costs. No officer or employee of a state or local government who serves as a member of a board shall be entitled to compensation therefor unless he is required on account of his service to forego the regular compensation attaching to his public employment, but any such board member shall be entitled to expenses.

9. The board shall determine the disputed apportionment or allocation and any matters necessary thereto. The determinations of the board shall be final for purposes of making the apportionment or allocation, but for no other purpose.

10. The board shall file with the commission and with each tax agency represented in the proceeding: the determination of the board; the board's written statement of its reasons therefor; the record of the board's proceedings; and any other documents required by the arbitration rules of the commission to be filed.

11. The commission shall publish the determinations of boards together with the statements of the reasons therefor.

12. The commission shall adopt and publish rules of procedure and practice and shall file a copy of such rules and of any amendment thereto with the appropriate agency or officer in each of the party states.

13. Nothing contained herein shall prevent at any time a written compromise of any matter or matters in dispute, if otherwise lawful, by the parties to the arbitration proceeding.

Article X

1. This compact shall enter into force when enacted into law by any seven states. Thereafter, this compact shall become effective as to any other state upon its enactment thereof. The commission shall arrange for notification of all party states whenever there is a new enactment of the compact.

2. Any party state may withdraw from this compact by enacting a statute repealing the same. No withdrawal shall affect any liability already incurred by or chargeable to a party state prior to the time of such withdrawal.

3. No proceeding commenced before an arbitration board prior to the withdrawal of a state and to which the withdrawing state or any subdivision thereof is a party shall be discontinued or terminated by the withdrawal, nor shall the board thereby lose jurisdiction over any of the parties to the proceeding necessary to make a binding determination therein.

Article XI

Nothing in this compact shall be construed to:

(a) Affect the power of any state or subdivision thereof to fix rates of taxation, except that a party state shall be obligated to implement article III 2 of this compact.

(b) Apply to any tax or fixed fee imposed for the registration of a motor vehicle or any tax on motor fuel, other than a sales tax; provided that the definition of "tax" in article VIII 9 may apply for the purposes of that article and the commission's powers of study and recommendation pursuant to article VI 3 may apply.

(c) Withdraw or limit the jurisdiction of any state or local court or administrative officer or body with respect to any person, corporation or other entity or subject matter, except to the extent that such jurisdiction is expressly conferred by or pursuant to this compact upon another agency or body.

(d) Supersede or limit the jurisdiction of any court of the United States.

Article XII

This compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this compact shall be severable and if any phrase, clause, sentence or provision of this compact is declared to be contrary to the constitution of any state or of the United States or the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this compact and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby. If this compact shall be held contrary to the constitution of any state participating therein, the compact shall remain in full force and effect as to the remaining party states and in full force and effect as to the state affected as to all severable matters.

(d) "Investment company", any person registered under the federal Investment Company Act of 1940, as amended from time to time, (the act) or a company which would be required to register as an investment company under the act except that such person is exempt to such registration pursuant to Section 80a-3(c)(1) of the act;

(e) "Investment funds service corporation" includes any corporation or S corporation doing business in the state which derives more than fifty percent of its gross income in the ordinary course of business from the provision directly or indirectly of management, distribution or administration services to or on behalf of an investment company or from trustees, sponsors and participants of employee benefit plans which have accounts in an investment company. An investment funds service corporation shall include any corporation or S corporation providing management services as an investment advisory firm registered under Section 203 of the Investment Advisors Act of 1940, as amended from time to time, regardless of the percentage of gross revenues consisting of fees from management services provided to or on behalf of an investment company;

(f) "Management services" include but are not limited to, the rendering of investment advice directly or indirectly to an investment company making determinations as to when sales and purchases of securities are to be made on behalf of the investment company, or the selling or purchasing of securities constituting assets of an investment company, and related activities, but only where such activity or activities are performed:

a. Pursuant to a contract with the investment company entered into pursuant to 15 U.S.C. Section 80a-15(a), as from time to time amended;

b. For a person that has entered into such contract with the investment company; or

c. For a person that is affiliated with a person that has entered into such contract with an investment company;

(g) "Qualifying sales", gross income derived from the provision directly or indirectly of management, distribution or administration services to or on behalf of an investment company or from trustees, sponsors and participants of employee benefit plans which have accounts in an investment company. For purposes of this section, "gross income" is defined as that amount of income earned from qualifying sources without deduction of expenses related to the generation of such income;

(h) "Residence", presumptively the fund shareholder's mailing address on the records of the investment company. If, however, the investment company or the investment funds service corporation has actual knowledge that the fund shareholder's primary residence or principal place of business is different than the fund shareholder's mailing address such presumption shall not control. To the extent an investment funds service corporation does not have access to the records of the investment company, the investment funds service corporation may employ reasonable methods to determine the investment company fund shareholder's residence.

(5) Notwithstanding other provisions of law to the contrary, qualifying sales of an investment funds service corporation, or S corporation, shall be considered wholly in this state only to the extent that the fund shareholders of the investment companies, to which the investment funds service corporation, or S corporation, provide services, are resided in this state. Wholly in this state qualifying sales of an investment funds service corporation, or S corporation, shall be determined as follows:

(a) By multiplying the investment funds service corporation's total dollar amount of qualifying sales from services provided to each investment company by a fraction, the numerator of which shall be the average of the number of shares owned by the investment company's fund shareholders resided in this state at the beginning of and at the end of the investment company's taxable year that ends with or within the investment funds service

corporation's taxable year, and the denominator of which shall be the average of the number of shares owned by the investment company's fund shareholders everywhere at the beginning of and at the end of the investment company's taxable year that ends with or within the investment funds service corporation's taxable year;

(b) A separate computation shall be made to determine the wholly in this state qualifying sales from each investment company. The qualifying sales for each investment company shall be multiplied by the respective percentage of each fund, as calculated pursuant to paragraph (a) of this subdivision. The product of this equation shall result in the wholly in this state qualifying sales. The qualifying sales for each investment company which are not wholly in this state will be considered wholly without this state;

(c) To the extent an investment funds service corporation has sales which are not qualifying sales, those nonqualified sales shall be apportioned to this state based on the methodology utilized by the investment funds service corporation without regard to this subdivision.

3. Any corporation described in subdivision (1) of subsection 1 of section 143.441 organized in this state or granted a permit to operate in this state for the transportation or care of passengers shall report its gross earnings within the state on intrastate business and shall also report its gross earnings on all interstate business done in this state which report shall be subject to inquiry for the purpose of determining the amount of income to be included in Missouri taxable income. The previous sentence shall not apply to a railroad.

4. A corporation described in subdivision (2) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income arising from all sources in this state and all income from each transportation service wholly within this state, from each service where the only lines of such corporation used are those in this state, and such proportion of revenue from each service where the facilities of such corporation in this state and in another state or states are used, as the mileage used over the lines of such corporation in the state shall bear to the total mileage used over the lines of such corporation. The taxpayer may elect to compute the portion of income from all sources within this state in the following manner:

(1) The income from all sources shall be determined as provided;

(2) The amount of investment of such corporation on December thirty-first of each year in this state in fixed transportation facilities, real estate and improvements, plus the value on December thirty-first of each year of any fixed transportation facilities, real estate and improvements in this state leased from any other railroad shall be divided by the sum of the total amount of investment of such corporation on December thirty-first of each year in fixed transportation facilities, real estate and improvements, plus the value on December thirty-first of each year, of any fixed transportation facilities, real estate and improvements leased from any other railroad. Where any fixed transportation facilities, real estate or improvements are leased by more than one railroad, such portion of the value shall be used by each railroad as the rental paid by each shall bear to the rental paid by all lessees. The income shall be multiplied by the fraction thus obtained to determine the proportion to be used to arrive at the amount of Missouri taxable income.

5. A corporation described in subdivision (3) of subsection 1 of section 143.441 shall include in its Missouri taxable income one-half of the net income from the operation of a bridge between this and another state. If any such bridge is owned or operated by a railroad corporation or corporations, or by a corporation owning a railroad corporation using such bridge, then the figures for operation of such bridge may be included in the return of such railroad or railroads; or if such bridge is owned or operated by any other corporation which may now or hereafter be required to file an income tax return, one-half of the income or loss to such corporation from such bridge may be included in such return by adding or subtracting same to or from another net income or loss shown by the return.

6. A corporation described in subdivision (4) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income arising from all sources within this state. Income shall include revenue from each telephonic or telegraphic service rendered wholly within this state; from each service rendered for which the only facilities of such corporation used are those in this state; and from each service rendered over the facilities of such corporation in this state and in other state or states, such proportion of such revenue as the mileage involved in this state shall bear to the total mileage involved over the lines of said company in all states. The taxpayer may elect to compute the portion of income from all sources within this state in the following manner:

(1) The income from all sources shall be determined as provided;

(2) The amount of investment of such corporation on December thirty-first of each year in this state in telephonic or telegraphic facilities, real estate and improvements thereon, shall be divided by the amount of the total investment of such corporation on December thirty-first of each year in telephonic or telegraphic facilities, real estate and improvements. The income of the taxpayer shall be multiplied by fraction thus obtained to determine the proportion to be used to arrive at the amount of Missouri taxable income.

7. From the income determined in subsections 2, 3, 4, 5 and 6 of this section to be from all sources within this state shall be deducted such of the deductions for expenses in determining Missouri taxable income as were incurred in this state to produce such income and all losses actually sustained in this state in the business of the corporation.

8. If a corporation derives only part of its income from sources within Missouri, its Missouri taxable income shall only reflect the effect of the following listed deductions to the extent applicable to Missouri. The deductions are: (a) its deduction for federal income taxes pursuant to section 143.171, and (b) the effect on Missouri taxable income of the deduction for net operating loss allowed by Section 172 of the Internal Revenue Code. The extent applicable to Missouri shall be determined by multiplying the amount that would otherwise affect Missouri taxable income by the ratio for the year of the Missouri taxable income of the corporation for the year divided by the Missouri taxable income for the year as though the corporation had derived all of its income from sources within Missouri. For the purpose of the preceding sentence, Missouri taxable income shall not reflect the listed deductions.

9. Any investment funds service corporation organized as a corporation or S corporation which has any shareholders resided in this state shall be subject to Missouri income tax as provided in this chapter.

10. The provisions of this section do not impact any other apportionment election available to a taxpayer under Missouri statutes.

143.455. 1. Missouri taxable income of a corporation shall include all income derived from sources within this state.

2. For all tax years beginning on or after January 1, 2020, a corporation described in subdivision (1) of subsection 1 of section 143.441 shall determine its income derived from sources within this state by allocating and apportioning its net income as provided in this section.

3. As used in this section, unless the context otherwise requires, the following terms mean:

(1) "Apportionable income":

(a) All income that is apportionable under the Constitution of the United States and is not allocated under the laws of this state, including:

a. Income arising from transactions and activity in the regular course of the corporation's trade or business; and

b. Income arising from tangible and intangible property if the acquisition, management, employment, development, or disposition of the property is or was related to the operation of the corporation's trade or business; and

(b) Any income that would be allocable to this state under the Constitution of the United States, but that is apportioned rather than allocated pursuant to the laws of this state;

(2) "Commercial domicile", the principal place from which the trade or business of the corporation is directed or managed;

(3) "Financial organization", any bank, trust company, savings bank, industrial bank, land bank, safe deposit company, private banker, savings and loan association, credit union, cooperative bank, small loan company, sales finance company, investment company, or any type of insurance company;

(4) "Non-apportionable income", all income other than apportionable income;

(5) "Public utility", any business entity:

(a) Which owns or operates any plant, equipment, property, franchise, or license for the transmission of communications, transportation of goods or persons, except by pipeline, or the production, transmission, sale, delivery, or furnishing of electricity, water or steam; and

(b) Whose rates of charges for goods or services have been established or approved by a federal, state, or local government or governmental agency;

(6) "Receipts", all gross receipts of the corporation that are not allocated under the provisions of this section, and that are received from transactions and activity in the regular course of the corporation's trade or business; except that receipts of a corporation from hedging transactions and from the maturity, redemption, sale, exchange, loan or other disposition of cash or securities, shall be excluded.

4. For purposes of allocation and apportionment of income under this section, a corporation is taxable in another state if:

(1) In that state it is subject to a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business, or a corporate stock tax; or

(2) That state has jurisdiction to subject the corporation to a net income tax regardless of whether, in fact, the state does or does not do so.

5. Rents and royalties from real or tangible personal property, capital gains, interest, dividends or patent or copyright royalties, to the extent that they constitute nonapportionable income, shall be allocated as provided in subsections 6 to 9 of this section.

6. (1) Net rents and royalties from real property located in this state are allocable to this state.
- (2) Net rents and royalties from tangible personal property are allocable to this state:
 - (a) If and to the extent the property is utilized in this state; or
 - (b) In their entirety if the corporation's commercial domicile is in this state and the corporation is not organized under the laws of or taxable in the state in which the property is utilized.
- (3) The extent of utilization of tangible personal property in a state is determined by multiplying the rents and royalties by a fraction, the numerator of which is the number of days of physical location of the property in the state during the rental or royalty period in the taxable year and the denominator of which is the number of days of physical location of the property everywhere during all rental or royalty periods in the taxable year. If the physical location of the property during the rental or royalty period is unknown or unascertainable by the corporation, tangible personal property is utilized in the state in which the property was located at the time the rental or royalty payer obtained possession.
7. (1) Capital gains and losses from sales of real property located in this state are allocable to this state.
- (2) Capital gains and losses from sales of tangible personal property are allocable to this state if:
 - (a) The property had a situs in this state at the time of the sale; or
 - (b) The corporation's commercial domicile is in this state and the corporation is not taxable in the state in which the property had a situs.
- (3) Capital gains and losses from sales of intangible personal property are allocable to this state if the corporation's commercial domicile is in this state.
8. Interest and dividends are allocable to this state if the corporation's commercial domicile is in this state.
9. (1) Patent and copyright royalties are allocable to this state:
 - (a) If and to the extent that the patent or copyright is utilized by the payer in this state; or
 - (b) If and to the extent that the patent or copyright is utilized by the payer in a state in which the corporation is not taxable and the corporation's commercial domicile is in this state.
- (2) A patent is utilized in a state to the extent that it is employed in production, fabrication, manufacturing, or other processing in the state or to the extent that a patented product is produced in the state. If the basis of receipts from patent royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the patent is utilized in the state in which the corporation's commercial domicile is located.
- (3) A copyright is utilized in a state to the extent that printing or other publication originates in the state. If the basis of receipts from copyright royalties does not permit allocation to states or if the accounting procedures do not reflect states of utilization, the copyright is utilized in the state in which the corporation's commercial domicile is located.
10. All apportionable income shall be apportioned to this state by multiplying the net income by a fraction, the numerator of which is the total receipts of the corporation in this state during the tax period and the denominator of which is the total receipts of the corporation everywhere during the tax period.
11. Receipts from the sale of tangible personal property are in this state if the property is received in this state by the purchaser. In the case of the delivery of goods by common carrier or by other means of transportation, including transportation by the purchaser, the place at which the goods are ultimately received after all transportation has been completed shall be considered as the place at which the goods are received by the purchaser. Direct delivery into this state by the taxpayer to a person or firm designated by a purchaser from within or without the state shall constitute delivery to the purchaser in this state.
12. (1) Receipts, other than receipts described in subsection 11 of this section, are in this state if the corporation's market for the sales is in this state. The corporation's market for sales is in this state:
 - (a) In the case of sale, rental, lease, or license of real property, if and to the extent the property is located in this state;
 - (b) In the case of rental, lease, or license of tangible personal property, if and to the extent the property is located in this state;
 - (c) In the case of sale of a service, if and to the extent the ultimate beneficiary of the service is located in this state and shall not be in this state if the ultimate beneficiary of the service rendered by the corporation or the corporation's designee is located outside this state; and
 - (d) In the case of intangible property:

a. That is rented, leased, or licensed, if and to the extent the property is used in this state, provided that intangible property utilized in marketing a good or service to a consumer is "used in this state" if that good or service is purchased by a consumer who is in this state. Franchise fees or royalties received for the rent, lease, license, or use of a trade name, trademark, service mark, or franchise system or provides a right to conduct business activity in a specific geographic area "are used in this state" to the extent the franchise is located in this state; and

b. That is sold, if and to the extent the property is used in this state, provided that:

(i) A contract right, government license, or similar intangible property that authorizes the holder to conduct a business activity in a specific geographic area is "used in this state" if the geographic area includes all or part of this state;

(ii) Receipts from intangible property sales that are contingent on the productivity, use, or disposition of the intangible property shall be treated as receipts from the rental, lease, or licensing of such intangible property under subparagraph a. of this paragraph; and

(iii) All other receipts from a sale of intangible property shall be excluded from the numerator and denominator of the receipts factor.

(2) If the state or states of assignment under subdivision (1) of this subsection cannot be determined, the state or states of assignment shall be reasonably approximated.

(3) The director may prescribe regulations as necessary or appropriate to carry out the purposes of this section.

13. (1) In the case of certain industries where unusual factual situations produce inequitable results under the apportionment and allocation provisions of this section, the director shall promulgate rules for determining the apportionment and allocation factors for each such industry, but such rules shall be applied uniformly.

(2) If the allocation and apportionment provisions of this section do not fairly represent the extent of the corporation's income applicable to this state, the corporation may petition for or the director may require:

(a) Separate accounting;

(b) The inclusion of one or more additional factors which will fairly represent the corporation's income applicable to this state; or

(c) The employment of any other method to effectuate an equitable allocation and apportionment of the corporation's income.

(3) The party petitioning for, or the director requiring, the use of any method to effectuate an equitable allocation and apportionment of the corporation's income pursuant to subdivision (2) of this subsection shall prove by a preponderance of evidence:

(a) That the allocation and apportionment provisions of this section do not fairly represent the extent of the corporation's income applicable to this state; and

(b) That the alternative to such provisions is reasonable.

The same burden of proof shall apply whether the corporation is petitioning for, or the director is requiring, the use of any reasonable method to effectuate an equitable allocation and apportionment of the corporation's income. Notwithstanding the previous sentence, if the director can show that in any two of the prior five tax years, the corporation had used an allocation or apportionment method at variance with its allocation or apportionment method or methods used for such other tax years, then the director shall not bear the burden of proof in imposing a different method pursuant to subdivision (2) of this subsection.

(4) If the director requires any method to effectuate an equitable allocation and apportionment of the corporation's income, the director cannot impose any civil or criminal penalty with reference to the tax due that is attributable to the corporation's reasonable reliance solely on the allocation and apportionment provisions of this section.

(5) A corporation that has received written permission from the director to use a reasonable method to effectuate an equitable allocation and apportionment of the corporation's income shall not have that permission revoked with respect to transactions and activities that have already occurred unless there has been a material change in, or a material misrepresentation of, the facts provided by the corporation upon which the director reasonably relied.

14. Any corporation described in subdivision (1) of subsection 1 of section 143.441 organized in this state or granted a permit to operate in this state for the transportation or care of passengers shall report its gross earnings within the state on intrastate business and shall also report its gross earnings on all interstate business done in this state. Such report shall be subject to inquiry for the purpose of determining the amount of income to be included in Missouri taxable income. This subsection shall not apply to a railroad.

15. A corporation described in subdivision (2) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income arising from all sources in this state and all income from each transportation service wholly within this state, from each service where the only rails and lines of such corporation used are those in this state, and such proportion of revenue from each service where the facilities of such corporation in this state and in another state or states are used, as the mileage used over the rails and lines of such corporation in the state shall bear to the total mileage used over the rails and lines of such corporation. The corporation may elect to compute the portion of income from all sources within this state in the following manner:

(1) The income from all sources shall be determined as provided;

(2) The amount of investment of such corporation on December thirty-first of each year in this state in fixed transportation facilities, real estate and improvements, plus the value on December thirty-first of each year of any fixed transportation facilities, real estate and improvements in this state leased from any other railroad shall be divided by the sum of the total amount of investment of such corporation on December thirty-first of each year in fixed transportation facilities, real estate and improvements, plus the value on December thirty-first of each year, of any fixed transportation facilities, real estate and improvements leased from any other railroad. Where any fixed transportation facilities, real estate or improvements are leased by more than one railroad, such portion of the value shall be used by each railroad as the rental paid by each shall bear to the rental paid by all lessees. The income shall be multiplied by the fraction thus obtained to determine the proportion to be used to arrive at the amount of Missouri taxable income.

16. A corporation described in subdivision (3) of subsection 1 of section 143.441 shall include in its Missouri taxable income one-half of the net income from the operation of a bridge between this and another state. If any such bridge is owned or operated by a railroad corporation or corporations, or by a corporation owning a railroad corporation using such bridge, then the figures for operation of such bridge may be included in the return of such railroad or railroads; or if such bridge is owned or operated by any other corporation which may now or hereafter be required to file an income tax return, one-half of the income or loss to such corporation from such bridge may be included in such return by adding or subtracting the same to or from another net income or loss shown by the return.

17. A corporation described in subdivision (4) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income arising from all sources within this state. Income shall include revenue from each telephonic or telegraphic service rendered wholly within this state; from each service rendered for which the only facilities of such corporation used are those in this state; and from each service rendered over the facilities of such corporation in this state and in other state or states, such proportion of such revenue as the mileage involved in this state shall bear to the total mileage involved over the lines of said company in all states. The corporation may elect to compute the portion of income from all sources within this state in the following manner:

(1) The income from all sources shall be determined as provided;

(2) The amount of investment of such corporation on December thirty-first of each year in this state in telephonic or telegraphic facilities, real estate and improvements thereon, shall be divided by the amount of the total investment of such corporation on December thirty-first of each year in telephonic or telegraphic facilities, real estate and improvements. The income of the corporation shall be multiplied by the fraction thus obtained to determine the proportion to be used to arrive at the amount of Missouri taxable income.

18. From the income determined in this section to be from all sources within this state shall be deducted such of the deductions for expenses in determining Missouri taxable income as were incurred in this state to produce such income and all losses actually sustained in this state in the business of the corporation.

19. If a corporation derives only part of its income from sources within Missouri, its Missouri taxable income shall only reflect the effect on Missouri taxable income of the deduction for net operating loss allowed by Section 172 of the Internal Revenue Code. The extent applicable to Missouri shall be determined by multiplying the amount that would otherwise affect Missouri taxable income by the ratio for the year of the Missouri taxable income of the corporation for the year divided by the Missouri taxable income for the year as though the corporation had derived all of its income from sources within Missouri. For the purpose of the preceding sentence, Missouri taxable income shall not reflect the deduction.

20. Any investment funds service corporation organized as a corporation or S corporation which has any shareholders resided in this state shall be subject to Missouri income tax as provided in this chapter.

143.461. 1. A corporation shall elect to determine income applicable to this state by multiplying the total income from all sources by the fraction determined in the manner in section 143.451 **for all tax years ending on or before December 31, 2019, and for all tax years beginning on or before January 1, 2020, in the manner set forth in section 143.455**; first, by filing written notice with the director of revenue on or before the due date of the return (including extensions of time) of the taxpayer's election, or, second, by failing to keep its books and records in such manner as to show the income applicable to this state, including gross income and deductions applicable thereto.

2. If the corporation shall keep its books and records so as to show **the income applicable to this state** by any other method of allocation between this state and other states ~~[involved of income from transactions partially within and partially without this state]~~, including gross income and deductions applicable thereto, and such method shows the income applicable to this state, including gross income and deductions applicable thereto, then it may, on or before sixty days before the end of any taxable year, petition the director of revenue, in writing, to be permitted in its return required to be filed to apportion to this state according to the method shown by such books or records. If the director of revenue finds that such method does show the income applicable to this state including gross income and the deductions applicable thereto, **he or she** shall notify the corporation, at least thirty days prior to the last day on which such corporation's return for that taxable year is to be filed, that it may use that method **for the shorter of five years or** as long as such method shows the income applicable to this state, including gross income and deductions applicable thereto.

3. The corporation shall cease using such method **after the shorter of five years or** whenever the director of revenue finds and notifies such corporation on or before ninety days before the end of the taxable year, that such method does not so show. Upon and after such **expiration or** revocation the corporation shall be permitted to petition to use **the same or** another method of allocation that will show such income including gross income and deductions applicable thereto as though no petition had ever been filed.

4. Failure, after a method has **expired or** been revoked by the director of revenue, to submit a method which the director of revenue finds will show such income applicable to this state including gross income and deductions applicable thereto, on or before sixty days before the end of any taxable year, or failure to make a return on the basis, which has been approved by the director of revenue on petition of the corporation and which stands unrevoked **or unexpired**, shall constitute an election to accept the determination of income applicable to this state by multiplying the total income from all sources by the fraction determined in the manner set forth in section 143.451 **for all tax years ending on or before December 31, 2019, and for all tax years beginning on or before January 1, 2020, in the manner set forth in section 143.455.**

143.471. 1. An S corporation, as defined by Section 1361 (a)(1) of the Internal Revenue Code, shall not be subject to the taxes imposed by section 143.071, or other sections imposing income tax on corporations.

2. A shareholder of an S corporation shall determine such shareholder's S corporation modification and pro rata share, including its character, by applying the following:

(1) Any modification described in sections 143.121 and 143.141 which relates to an item of S corporation income, gain, loss, or deduction shall be made in accordance with the shareholder's pro rata share, for federal income tax purposes, of the item to which the modification relates. Where a shareholder's pro rata share of any such item is not required to be taken into account separately for federal income tax purposes, the shareholder's pro rata share of such item shall be determined in accordance with his pro rata share, for federal income tax purposes, of S corporation taxable income or loss generally;

(2) Each item of S corporation income, gain, loss, or deduction shall have the same character for a shareholder pursuant to sections 143.005 to 143.998 as it has for federal income tax purposes. Where an item is not characterized for federal income tax purposes, it shall have the same character for a shareholder as if realized directly from the source from which realized by the S corporation or incurred in the same manner as incurred by the S corporation.

3. A nonresident shareholder of an S corporation shall determine such shareholder's Missouri nonresident adjusted gross income and his or her nonresident shareholder modification by applying the provisions of this subsection. Items shall be determined to be from sources within this state pursuant to regulations of the director of revenue in a manner consistent with the division of income provisions of section 143.451, section 143.461, or section 32.200 (Multistate Tax Compact). In determining the adjusted gross income of a nonresident shareholder of any S corporation, there shall be included only that part derived from or connected with sources in this state of the shareholder's pro rata share of items of S corporation income, gain, loss or deduction entering into shareholder's federal adjusted gross income, as such part is determined pursuant to regulations prescribed by the director of revenue in accordance with the general rules in section 143.181. Any modification described in subsections 2 and 3 of section 143.121 and in section 143.141, which relates to an item of S corporation income, gain, loss, or deduction shall be made in accordance with the shareholder's pro rata share, for federal income tax purposes, of the item to which the modification relates, but limited to the portion of such item derived from or connected with sources in this state.

4. Notwithstanding subsection 3 of this section to the contrary, for all tax years beginning on or after January 1, 2020, the items referred to in that subsection shall be determined to be from sources within this state pursuant to regulations of the director of revenue in a manner consistent with the division of income provisions of section 143.455 and section 143.461.

5. The director of revenue shall permit S corporations to file composite returns and to make composite payments of tax on behalf of its nonresident shareholders not otherwise required to file a return. If the nonresident shareholder's filing requirements result solely from one or more interests in any other partnerships or subchapter S corporations, that nonresident shareholder may be included in the composite return.

~~[5-]~~ **6.** If an S corporation pays or credits amounts to any of its nonresident individual shareholders as dividends or as their share of the S corporation's undistributed taxable income for the taxable year, the S corporation shall either timely file with the department of revenue an agreement as provided in subsection ~~[6]~~ **7** of this section or withhold Missouri income tax as provided in subsection ~~[7]~~ **8** of this section. An S corporation that timely files an agreement as provided in subsection ~~[6]~~ **7** of this section with respect to a nonresident shareholder for a taxable year shall be considered to have timely filed such an agreement for each subsequent taxable year. An S corporation that does not timely file such an agreement for a taxable year shall not be precluded from timely filing such an agreement for subsequent taxable years. An S corporation is not required to deduct and withhold Missouri income tax for a nonresident shareholder if:

- (1) The nonresident shareholder not otherwise required to file a return agrees to have the Missouri income tax due paid as part of the S corporation's composite return;
- (2) The nonresident shareholder not otherwise required to file a return had Missouri assignable federal adjusted gross income from the S corporation of less than twelve hundred dollars;
- (3) The S corporation is liquidated or terminated;
- (4) Income was generated by a transaction related to termination or liquidation; or
- (5) No cash or other property was distributed in the current and prior taxable year.

~~[6-]~~ **7.** The agreement referred to in subdivision (1) of subsection ~~[5]~~ **6** of this section is an agreement of a nonresident shareholder of the S corporation to:

- (1) File a return in accordance with the provisions of section 143.481 and to make timely payment of all taxes imposed on the shareholder by this state with respect to income of the S corporation; and
- (2) Be subject to personal jurisdiction in this state for purposes of the collection of income taxes, together with related interest and penalties, imposed on the shareholder by this state with respect to the income of the S corporation.

The agreement will be considered timely filed for a taxable year, and for all subsequent taxable years, if it is filed at or before the time the annual return for such taxable year is required to be filed pursuant to section 143.511.

~~[7-]~~ **8.** The amount of Missouri income tax to be withheld is determined by multiplying the amount of dividends or undistributed income allocable to Missouri that is paid or credited to a nonresident shareholder during the taxable year by the highest rate used to determine a Missouri income tax liability for an individual, except that the amount of the tax withheld may be determined based on withholding tables provided by the director of revenue if the shareholder submits a Missouri withholding allowance certificate.

2. A trust instrument may provide for ~~[the appointment of a trust protector. For purposes of this section, a “trust protector”, whether referred to in the trust instrument by that name or by some other name, is a person, other than the settlor, a trustee, or a beneficiary, who is expressly granted in the trust instrument one or more powers over the trust]~~ **one or more persons, not then serving as a trustee and not the settlor or a beneficiary, to be given any powers over the trust as expressly granted in the trust instrument. Any such person may be identified and appointed as a trust protector or similar term. Whenever a trust instrument names, appoints, authorizes, or otherwise designates a trust protector, the trust shall be deemed a directed trust.**

3. A trust protector appointed in the trust instrument shall have only the powers granted to the trust protector by the express terms of the trust instrument, and a trust protector is only authorized to act within the scope of the authority expressly granted in the trust instrument. Without limiting the authority of the settlor to grant powers to a trust protector, the express powers that may be granted include, but are not limited to, the following:

(1) Remove and appoint a trustee **or a trust protector** or name a successor trustee or trust protector;

(2) Modify or amend the trust instrument to:

(a) Achieve favorable tax status or respond to changes in the Internal Revenue Code or state law, or the rulings and regulations under such code or law;

(b) Reflect legal changes that affect trust administration;

(c) Correct errors or ambiguities that might otherwise require court construction; or

(d) Correct a drafting error that defeats a grantor's intent;

(3) Increase, decrease, modify, or restrict the interests of the beneficiary or beneficiaries of the trust;

(4) Terminate the trust in favor of the beneficiary or beneficiaries of the trust;

(5) Change the applicable law governing the trust and the trust situs; or

(6) Such other powers as are expressly granted to the trust protector in the trust instrument.

4. Notwithstanding any provision in the trust instrument to the contrary, a trust protector shall have no power to modify a trust to:

(1) Remove a requirement from a trust created to meet the requirements of 42 U.S.C. Section 1396p(d)(4) to pay back a governmental entity for benefits provided to the permissible beneficiary of the trust at the death of that beneficiary; or

(2) Reduce or eliminate an income interest of the income beneficiary of any of the following types of trusts:

(a) A trust for which a marital deduction has been taken for federal tax purposes under Section 2056 or 2523 of the Internal Revenue Code or for state tax purposes under any comparable provision of applicable state law, during the life of the settlor's spouse;

(b) A charitable remainder trust under Section 664 of the Internal Revenue Code, during the life of the noncharitable beneficiary;

(c) A grantor retained annuity trust under Section 2702 of the Internal Revenue Code, during any period in which the settlor is a beneficiary; or

(d) A trust for which an election as a qualified Sub-Chapter S Trust under Section 1361(d) of the Internal Revenue Code is currently in place.

5. Except to the extent otherwise provided in a trust instrument specifically referring to this subsection, the trust protector shall not exercise a power in a way that would result in a taxable gift for federal gift tax purposes or cause the inclusion of any assets of the trust in the trust protector's gross estate for federal estate tax purposes.

6. Except to the extent otherwise provided in the trust instrument and in subsection 7 of this section, and notwithstanding any provision of sections 456.1-101 to 456.11-1106 to the contrary:

(1) A trust protector shall act in a fiduciary capacity in carrying out the powers granted to the trust protector in the trust instrument, and shall have such duties to the beneficiaries, the settlor, or the trust as set forth in the trust instrument, **provided that the trust instrument may provide that the trust protector shall act in a nonfiduciary capacity.** A trust protector is not a trustee, and is not liable or accountable as a trustee when performing or declining to perform the express powers given to the trust protector in the trust instrument. A trust protector is not liable for the acts or omissions of any fiduciary or beneficiary under the trust instrument;

(2) A trust protector is exonerated from any and all liability for the trust protector's acts or omissions, or arising from any exercise or nonexercise of the powers expressly conferred on the trust protector in the trust instrument, unless it is established by a preponderance of the evidence that the acts or omissions of the trust protector were done or omitted in breach of the trust protector's duty, in bad faith or with reckless indifference;

(3) A trust protector is authorized to exercise the express powers granted in the trust instrument at any time and from time to time after the trust protector acquires knowledge of their appointment as trust protector and of the powers granted. **The trust protector may take any action, judicial or otherwise, necessary to carry out the duties given to the trust protector in the trust instrument;**

(4) A trust protector is entitled to receive, from the assets of the trust for which the trust protector is acting, reasonable compensation, and reimbursement of the reasonable costs and expenses incurred, in determining whether to carry out, and in carrying out, the express powers given to the trust protector in the trust instrument;

(5) A trust protector is entitled to receive, from the assets of the trust for which the trust protector is acting, reimbursement of the reasonable costs and expenses, including attorney's fees, of defending any claim made against the trust protector arising from the acts or omissions of the trust protector acting in that capacity unless it is established by clear and convincing evidence that the trust protector was acting in bad faith or with reckless indifference; and

(6) The express powers granted in the trust instrument shall not be exercised by the trust protector for the trust protector's own personal benefit.

7. If a trust protector is granted a power in the trust instrument to direct, consent to, or disapprove a trustee's actual or proposed investment decision, distribution decision, or other decision of the trustee required to be performed under applicable trust law in carrying out the duties of the trustee in administering the trust, then only with respect to such power, excluding the powers identified in subsection 3 of this section, the trust protector shall have the same duties and liabilities as if serving as a trustee under the trust instrument **unless the trust instrument expressly provides otherwise. In carrying out any written directions given to the trustee by the trust protector concerning actual or proposed investment decisions, the trustee shall not be subject to the provisions of sections 469.900 to 469.913. For purposes of this subsection, "investment decisions" means, with respect to any investment, decisions to retain, purchase, sell, exchange, tender, or otherwise engage in transactions affecting the ownership of investments or rights therein and, with respect to nonpublicly traded investments, the valuation thereof.**

8. **Any trustee of a directed trust shall not be accountable under the law or equity for any act or omission of a trust protector and shall stand absolved from liability for executing the decisions or instructions from a trust protector or for monitoring the actions or inactions of a trust protector. A trustee shall take reasonable steps to facilitate the activity of a trust protector in a directed trust.** A trustee shall carry out the written directions given to the trustee by a trust protector acting within the scope of the powers expressly granted to the trust protector in the trust instrument. Except ~~[in cases of bad faith or reckless indifference on the part of the trustee, or]~~ as otherwise provided in the trust instrument, the trustee shall not be liable for any loss resulting directly or indirectly from any act taken or omitted as a result of the written direction of the trust protector or the failure of the trust protector to provide consent. Except as otherwise provided in the trust instrument, the trustee shall have no duty to monitor the conduct of the trust protector, provide advice to or consult with the trust protector, or communicate with or warn or apprise any beneficiary concerning instances in which the trustee would or might have exercised the trustee's own discretion in a manner different from the manner directed by the trust protector. **Except as otherwise provided in the trust instrument, any actions taken by the trustee at the trust protector's direction shall be deemed to be administrative actions taken by the trustee solely to allow the trustee to carry out the instructions of the trust protector and shall not be deemed to constitute an act by the trustee to monitor the trust protector or otherwise participate in actions within the scope of the trust protector's authority. Whenever a directed trust reserves to a person or vests in an advisory or investment committee authority to direct the making or retention of any investment, to the exclusion of the trustee or trustees, the excluded trustee or trustees shall not be liable, individually or as a trustee, for any loss resulting from the making or retention of any investment pursuant to such direction.**

9. Except to the extent otherwise expressly provided in the trust instrument, the trust protector shall be entitled to receive information regarding the administration of the trust as follows:

(1) Upon the request of the trust protector, unless unreasonable under the circumstances, the trustee shall promptly provide to the trust protector any and all information related to the trust that may relate to the exercise or nonexercise of a power expressly granted to the trust protector in the trust instrument. The trustee has no obligation to provide any information to the trust protector except to the extent a trust protector requests information under this section;

(2) The request of the trust protector for information under this section shall be with respect to a single trust that is sufficiently identified to enable the trustee to locate the records of the trust; and

(3) If the trustee is bound by any confidentiality restrictions with respect to an asset of a trust, a trust protector who requests information under this section about such asset shall agree to be bound by the confidentiality restrictions that bind the trustee before receiving such information from the trustee.

10. A trust protector may resign by giving thirty days' written notice to the trustee and any successor trust protector. A successor trust protector, if any, shall have all the powers expressly granted in the trust instrument to the resigning trust protector unless such powers are expressly modified for the successor trust protector.

11. A trust protector of a trust having its principal place of administration in this state submits personally to the jurisdiction of the courts of this state during any period that the principal place of administration of the trust is located in this state and the trust protector is serving in such capacity. **The trust instrument may also provide that a trust protector is subject to the personal jurisdiction of the courts of this state as a condition of appointment.”; and**

Further amend the title and enacting clause accordingly.

Further amend said bill, Page 43, Section 190.475, Line 21, by inserting after all of said line the following:

“620.2450. 1. A grant program is hereby established under sections 620.2450 to 620.2458 to award grants to applicants who seek to expand access to broadband internet service in unserved and underserved areas of the state. The department of economic development shall administer and act as the fiscal agent for the grant program and shall be responsible for receiving and reviewing grant applications and awarding grants under sections 620.2450 to 620.2458. Funding for the grant program established under this section shall be subject to appropriation by the general assembly.

2. As used in sections 620.2450 to 620.2458, the following terms shall mean:

(1) “Underserved area”, a project area without access to wireline or fixed wireless broadband internet service of speeds of at least twenty-five megabits per second download and three megabits per second upload;

(2) “Unserved area”, a project area without access to wireline or fixed wireless broadband internet service of speeds of at least ten megabits per second download and one megabit per second upload.

620.2451. Grants awarded under sections 620.2450 to 620.2458 shall fund the acquisition and installation of retail broadband internet service at speeds of at least twenty-five megabits per second download and three megabits per second upload, but that is scalable to higher speeds.

620.2452. Applicants eligible for grants awarded shall include:

- (1) Corporations, or their affiliates, registered in this state;**
- (2) Incorporated businesses or partnerships;**
- (3) Limited liability companies registered in this state;**
- (4) Nonprofit organizations registered in this state;**
- (5) Political subdivisions; and**
- (6) Rural electric cooperatives organized under chapter 394 and their broadband affiliates.**

620.2453. An eligible applicant shall submit an application to the department of economic development on a form prescribed by the department. An application for a grant under sections 620.2450 to 620.2458 shall include the following information:

- (1) A description of the project area;**
- (2) A description of the kind and amount of broadband internet infrastructure that is proposed to be deployed;**
- (3) Evidence demonstrating the unserved or underserved nature of the project area;**
- (4) The number of households that would have new access to broadband internet service, or whose broadband internet service would be upgraded, as a result of the grant;**
- (5) A list of significant community institutions that would benefit from the proposed grant;**
- (6) The total cost of the proposal and the timeframe in which it will be completed;**
- (7) A list identifying sources of funding or in-kind contributions, including government funding, that would supplement any awarded grant; and**
- (8) Any other information required by the department of economic development.**

620.2454. 1. At least thirty days prior to the first day applications may be submitted each fiscal year, the department of economic development shall publish on its website the specific criteria and any quantitative weighting scheme or scoring system the department will use to evaluate or rank applications and award grants under section 620.2455. Such criteria and quantitative scoring system shall include the criteria set forth in section 620.2455.

2. Within three business days of the close of the grant application process, the department of economic development shall publish on its website the proposed unserved and underserved areas, and the proposed broadband internet speeds for each application submitted. Upon request, the department shall provide a copy of any application to an interested party.

3. A broadband internet service provider that provides existing service in or adjacent to the proposed project area may submit to the department of economic development, within forty-five days of publication of the information under subsection 2 of this section, a written challenge to an application. Such challenge shall contain information demonstrating that:

(1) The provider currently provides broadband internet service to retail customers within the proposed unserved or underserved area;

(2) The provider has begun construction to provide broadband internet service to retail customers within the proposed unserved or underserved area; or

(3) The provider commits to providing broadband internet service to retail customers within the proposed unserved or underserved areas within the timeframe proposed by the applicant.

4. Within three business days of the submission of a written challenge, the department of economic development shall notify the applicant of such challenge.

5. The department of economic development shall evaluate each challenge submitted under this section. If the department determines that the provider currently provides, has begun construction to provide, or commits to provide broadband internet service at speeds of at least twenty-five megabits per second download and three megabits per second upload, but scalable to higher speeds, in the proposed project area, the department shall not fund the challenged project.

6. If the department of economic development denies funding to an applicant as a result of a broadband internet service provider challenge under this section and such broadband internet service provider does not fulfill its commitment to provide broadband internet service in the unserved or underserved area, the department of economic development shall not consider another challenge from such broadband internet service provider for the next two grant cycles, unless the department determines the failure to fulfill the commitment was due to circumstances beyond the broadband internet service provider's control.

620.2455. 1. The department of economic development shall give first priority to grant applications that serve unserved areas.

2. The department of economic development shall give secondary priority to grant applications that demonstrate the ability to receive matching funds that serve unserved areas, whether such matching funds are government funds or other funds.

3. The department shall give third priority to grant applications that serve underserved areas.

4. The department of economic development shall use a quantitative weighing scheme or scoring system including, at a minimum, the following elements to rank the applications:

(1) Financial, technical, and legal capability of the applicant to deploy and operate broadband internet service;

(2) The number of locations served in the most cost-efficient manner possible considering the project area density;

(3) Available minimum broadband speeds;

(4) Ability of the infrastructure to be scalable to higher broadband internet speeds;

(5) Commitment of the applicant to fund at least fifty percent of the project from private sources;

(6) Length of time the provider has been operating broadband internet services in the state;

(7) The offering of new or substantially upgraded broadband internet service to important community institutions including, but not limited to, libraries, educational institutions, public safety facilities, and health care facilities;

(8) The offering of service to economically distressed areas of the state, as measured by indices of unemployment, poverty, or population loss that are significantly greater than the statewide average;

(9) The ability to provide technical support and training to residents, businesses, and institutions in the community of the proposed project to utilize broadband internet service;

(10) Plans to actively promote the adoption of the newly available broadband internet service in the community; and

(11) Strong support for the proposed project from citizens, businesses, and institutions in the community.

620.2456. 1. The department of economic development shall not award any grant to an otherwise eligible grant applicant where funding from the Connect America Fund has been awarded, where high cost support from the federal Universal Service Fund has been received by rate of return carriers, or where any other federal funding has been awarded which did not require any matching fund component, for any portion of the proposed project area, nor shall any grant money be used to serve any retail end user that already has access to wireline or fixed wireless broadband internet service of speeds of at least twenty-five megabits per second download and three megabits per second upload.

2. No grant awarded under sections 620.2450 to 620.2458, when combined with any federal, state, or local funds, shall fund more than fifty percent of the total cost of a project.

3. No single project shall be awarded grants under sections 620.2450 to 620.2458 whose cumulative total exceeds five million dollars.

4. The department of economic development shall endeavor to award grants under sections 620.2450 to 620.2458 to qualified applicants in all regions of the state.

5. An award granted under sections 620.2450 to 620.2458 shall not:

(1) Require an open access network;

(2) Impose rates, terms, and conditions that differ from what a provider offers in other areas of its service area;

(3) Impose any rate, service, or any other type of regulation beyond speed requirements set forth in section 620.2451; or

(4) Impose an unreasonable time constraint on the time to build the service.

620.2457. By June thirtieth of each year, the department of economic development shall publish on its website and provide to the general assembly:

(1) A list of all applications for grants under sections 620.2450 to 620.2458 received during the previous year and, for each application:

(a) The results of any quantitative weighting scheme or scoring system the department of economic development used to award grants or rank the applications;

(b) The grant amount requested;

(c) The grant amount awarded, if any;

(2) All written challenges.

620.2458. House Amendment No. 1

AMEND Senate Committee Substitute for Senate Bill No. 629, Page 1, Section A, Line 2, by inserting immediately after all of said section and line the following:

"99.805. As used in sections 99.800 to 99.865, unless the context clearly requires otherwise, the following terms shall mean:

(1) "Blighted area", an area ~~in which[, by reason of the predominance of defective or inadequate street layout, insanitary or unsafe conditions, deterioration of site improvements, improper subdivision or obsolete platting, or the existence of conditions which endanger life or property by fire and other causes, or any combination of such factors, retards the provision of housing accommodations or constitutes an economic or social liability or a menace to the public health, safety, morals, or welfare in its present condition and use] :~~

(a) **The buildings in the area are unsanitary or unsafe for living or working or are substantially vacant, provided the area qualifies as a distressed community under section 135.530;**

(b) **The level of unemployment is one and one-half times greater than the average rate of unemployment for this state, as averaged over the preceding twelve months; or**

(c) **The median household income is less than fifty percent of the median household income of the metropolitan statistical area, if any;**

(2) "Collecting officer", the officer of the municipality responsible for receiving and processing payments in lieu of taxes or economic activity taxes from taxpayers or the department of revenue;

(3) "Conservation area", any improved area within the boundaries of a redevelopment area located within the territorial limits of a municipality in which fifty percent or more of the structures in the area have an age of thirty-five years or more. Such an area is not yet a blighted area but is detrimental to the public health, safety, morals, or welfare and may become a blighted area because of any one or more of the following factors: dilapidation; obsolescence; deterioration; illegal use of individual structures; presence of structures below minimum code standards; abandonment; excessive vacancies; overcrowding of structures and community facilities; lack of ventilation, light or sanitary facilities; inadequate utilities; excessive land coverage; deleterious land use or layout; depreciation of physical maintenance; and lack of community planning. A conservation area shall meet at least three of the factors provided in this subdivision for projects approved on or after December 23, 1997;

(4) "Economic activity taxes", the total additional revenue from taxes which are imposed by a municipality and other taxing districts, and which are generated by economic activities within a redevelopment area over the amount of such taxes generated by economic activities within such redevelopment area in the calendar year prior to the adoption of the ordinance designating such a redevelopment area, while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, licenses, fees or special assessments. For redevelopment projects or redevelopment

plans approved after December 23, 1997, if a retail establishment relocates within one year from one facility to another facility within the same county and the governing body of the municipality finds that the relocation is a direct beneficiary of tax increment financing, then for purposes of this definition, the economic activity taxes generated by the retail establishment shall equal the total additional revenues from economic activity taxes which are imposed by a municipality or other taxing district over the amount of economic activity taxes generated by the retail establishment in the calendar year prior to its relocation to the redevelopment area;

(5) “Economic development area”, any area or portion of an area located within the territorial limits of a municipality, which does not meet the requirements of subdivisions (1) and (3) of this section, and in which the governing body of the municipality finds that redevelopment will not be solely used for development of commercial businesses which unfairly compete in the local economy and is in the public interest because it will:

- (a) Discourage commerce, industry or manufacturing from moving their operations to another state; or
- (b) Result in increased employment in the municipality; or
- (c) Result in preservation or enhancement of the tax base of the municipality;

(6) “Gambling establishment”, an excursion gambling boat as defined in section 313.800 and any related business facility including any real property improvements which are directly and solely related to such business facility, whose sole purpose is to provide goods or services to an excursion gambling boat and whose majority ownership interest is held by a person licensed to conduct gambling games on an excursion gambling boat or licensed to operate an excursion gambling boat as provided in sections 313.800 to 313.850. This subdivision shall be applicable only to a redevelopment area designated by ordinance adopted after December 23, 1997;

(7) “Greenfield area”, any vacant, unimproved, or agricultural property that is located wholly outside the incorporated limits of a city, town, or village, or that is substantially surrounded by contiguous properties with agricultural zoning classifications or uses unless said property was annexed into the incorporated limits of a city, town, or village ten years prior to the adoption of the ordinance approving the redevelopment plan for such greenfield area;

(8) “Municipality”, a city, village, or incorporated town or any county of this state. For redevelopment areas or projects approved on or after December 23, 1997, municipality applies only to cities, villages, incorporated towns or counties established for at least one year prior to such date;

(9) “Obligations”, bonds, loans, debentures, notes, special certificates, or other evidences of indebtedness issued by a municipality to carry out a redevelopment project or to refund outstanding obligations;

(10) “Ordinance”, an ordinance enacted by the governing body of a city, town, or village or a county or an order of the governing body of a county whose governing body is not authorized to enact ordinances;

(11) “Payment in lieu of taxes”, those estimated revenues from real property in the area selected for a redevelopment project, which revenues according to the redevelopment project or plan are to be used for a private use, which taxing districts would have received had a municipality not adopted tax increment allocation financing, and which would result from levies made after the time of the adoption of tax increment allocation financing during the time the current equalized value of real property in the area selected for the redevelopment project exceeds the total initial equalized value of real property in such area until the designation is terminated pursuant to subsection 2 of section 99.850;

(12) “Redevelopment area”, an area designated by a municipality, in respect to which the municipality has made a finding that there exist conditions which cause the area to be classified as a blighted area, a conservation area, an economic development area, an enterprise zone pursuant to sections 135.200 to 135.256, or a combination thereof, which area includes only those parcels of real property directly and substantially benefitted by the proposed redevelopment project;

(13) “Redevelopment plan”, the comprehensive program of a municipality for redevelopment intended by the payment of redevelopment costs to reduce or eliminate those conditions, the existence of which qualified the redevelopment area as a blighted area, conservation area, economic development area, or combination thereof, and to thereby enhance the tax bases of the taxing districts which extend into the redevelopment area. Each redevelopment plan shall conform to the requirements of section 99.810;

(14) “Redevelopment project”, any development project within a redevelopment area in furtherance of the objectives of the redevelopment plan; any such redevelopment project shall include a legal description of the area selected for the redevelopment project;

(15) “Redevelopment project costs” include the sum total of all reasonable or necessary costs incurred or estimated to be incurred, and any such costs incidental to a redevelopment plan or redevelopment project, as applicable. Such costs include, but are not limited to, the following:

- (a) Costs of studies, surveys, plans, and specifications;
- (b) Professional service costs, including, but not limited to, architectural, engineering, legal, marketing, financial, planning or special services. Except the reasonable costs incurred by the commission established in section 99.820 for the administration of sections 99.800 to 99.865, such costs shall be allowed only as an initial expense which, to be recoverable, shall be included in the costs of a redevelopment plan or project;
- (c) Property assembly costs, including, but not limited to:
 - a. Acquisition of land and other property, real or personal, or rights or interests therein;
 - b. Demolition of buildings; and
 - c. The clearing and grading of land;
- (d) Costs of rehabilitation, reconstruction, or repair or remodeling of existing buildings and fixtures;
- (e) Initial costs for an economic development area;

- (h) All or a portion of a taxing district's capital costs resulting from the redevelopment project necessarily incurred or to be incurred in furtherance of the objectives of the redevelopment plan and project, to the extent the municipality by written agreement accepts and approves such costs;
- (i) Relocation costs to the extent that a municipality determines that relocation costs shall be paid or are required to be paid by federal or state law;
- (j) Payments in lieu of taxes;
- (16) "Special allocation fund", the fund of a municipality or its commission which contains at least two separate segregated accounts for each redevelopment plan, maintained by the treasurer of the municipality or the treasurer of the commission into which payments in lieu of taxes are deposited in one account, and economic activity taxes and other revenues are deposited in the other account;
- (17) "Taxing districts", any political subdivision of this state having the power to levy taxes;
- (18) "Taxing districts' capital costs", those costs of taxing districts for capital improvements that are found by the municipal governing bodies to be necessary and to directly result from the redevelopment project; and
- (19) "Vacant land", any parcel or combination of parcels of real property not used for industrial, commercial, or residential buildings."; and

(8) "Municipality", a city, village, or incorporated town or any county of this state. For redevelopment areas or projects approved on or after December 23, 1997, municipality applies only to cities, villages, incorporated towns or counties established for at least one year prior to such date;

(13) "Redevelopment plan", the comprehensive program of a municipality for redevelopment intended by the payment of redevelopment costs to reduce or eliminate those conditions, the existence of which qualified the redevelopment area as a blighted area, conservation area, economic development area, or combination thereof, and to thereby enhance the tax bases of the taxing districts which extend into the redevelopment area. Each redevelopment plan shall conform to the requirements of section 99.810;

(14) "Redevelopment project", any development project within a redevelopment area in furtherance of the objectives of the redevelopment plan; any such redevelopment project shall include a legal description of the area selected for the redevelopment project;

(15) "Redevelopment project costs" include the sum total of all reasonable or necessary costs incurred or estimated to be incurred, and any such costs incidental to a redevelopment plan or redevelopment project, as applicable. Such costs include, but are not limited to, the following:

(h) All or a portion of a taxing district's capital costs resulting from the redevelopment project necessarily incurred or to be incurred in furtherance of the objectives of the redevelopment plan and project, to the extent the municipality by written agreement accepts and approves such costs;

(i) Relocation costs to the extent that a municipality determines that relocation costs shall be paid or are required to be paid by federal or state law;

(j) Payments in lieu of taxes;

(16) **"Retail area", a proposed redevelopment area for which most of the projected tax increment financing revenue will be generated from retail businesses, which shall be businesses that primarily sell or offer to sell goods to a buyer primarily for the buyer's personal, family, or household use and not primarily for business, commercial, or agricultural use;**

(17) "Retail infrastructure projects", highways, roads, streets, bridges, sewers, traffic control systems and devices, water distribution and supply systems, curbing, sidewalks, storm water and drainage systems, and any other similar public improvements, but in no case shall retail infrastructure projects include buildings;

(18) "Special allocation fund", the fund of a municipality or its commission which contains at least two separate segregated accounts for each redevelopment plan, maintained by the treasurer of the municipality or the treasurer of the commission into which payments in lieu of taxes are deposited in one account, and economic activity taxes and other revenues are deposited in the other account;

~~[(48)]~~ (20) "Taxing districts' capital costs", those costs of taxing districts for capital improvements that are found by the municipal governing bodies to be necessary and to directly result from the redevelopment project; and

~~[(49)]~~ (21) "Vacant land", any parcel or combination of parcels of real property not used for industrial, commercial, or residential buildings.

99.810. 1. Each redevelopment plan shall set forth in writing a general description of the program to be undertaken to accomplish the objectives and shall include, but need not be limited to, the estimated redevelopment project costs, the anticipated sources of funds to pay the costs, evidence of the commitments to finance the project costs, the anticipated type and term of the sources of funds to pay costs, the anticipated type and terms of the obligations to be issued, the most recent equalized assessed valuation of the property within the redevelopment area which is to be subjected to payments in lieu of taxes and economic activity taxes pursuant to section 99.845, an estimate as to the equalized assessed valuation after redevelopment, and the general land uses to apply in the redevelopment area. No redevelopment plan shall be adopted by a municipality without findings that:

(1) The redevelopment area on the whole is a blighted area, a conservation area, or an economic development area, and has not been subject to growth and development through investment by private enterprise and would not reasonably be anticipated to be developed without the adoption of tax increment financing. Such a finding shall include, but not be limited to, a **study conducted by a party other than the proponent of a redeveloped plan, which includes** a detailed description of the factors that qualify the redevelopment area or project pursuant to this subdivision and an affidavit, signed by the developer or developers and submitted with the redevelopment plan, attesting that the provisions of this subdivision have been met;

(2) The redevelopment plan conforms to the comprehensive plan for the development of the municipality as a whole;

(3) The estimated dates, which shall not be more than twenty-three years from the adoption of the ordinance approving a redevelopment project within a redevelopment area, of completion of any redevelopment project and retirement of obligations incurred to finance redevelopment project costs have been stated, provided that no ordinance approving a redevelopment project shall be adopted later than ten years from the adoption of the ordinance approving the redevelopment plan under which such project is authorized and provided that no property for a redevelopment project shall be acquired by eminent domain later than five years from the adoption of the ordinance approving such redevelopment project;

(4) A plan has been developed for relocation assistance for businesses and residences;

(5) A cost-benefit analysis showing the economic impact of the plan on each taxing district which is at least partially within the boundaries of the redevelopment area. The analysis shall show the impact on the economy if the project is not built, and is built pursuant to the redevelopment plan under consideration. The cost-benefit analysis shall include a fiscal impact study on every affected political subdivision, and sufficient information from the developer for the commission established in section 99.820 to evaluate whether the project as proposed is financially feasible;

(6) A finding that the plan does not include the initial development or redevelopment of any gambling establishment, provided however, that this subdivision shall be applicable only to a redevelopment plan adopted for a redevelopment area designated by ordinance after December 23, 1997.

2. Tax increment allocation financing shall not be adopted under sections 99.800 to 99.866 in a retail area unless such financing is exclusively utilized to fund retail infrastructure projects or unless such area is a blighted area or conservation area. The provisions of this subsection shall not apply to any tax increment allocation financing project or plan approved before August 28, 2018, nor any amendment to tax increment allocation financing projects and plans approved before August 28, 2018, provided that such an amendment does not add buildings of new construction in excess of twenty-five percent of the scope of the original redevelopment agreement.

3. By the last day of February each year, each commission shall report to the director of economic development the name, address, phone number and primary line of business of any business which relocates to the district. The director of the department of economic development shall compile and report the same to the governor, the speaker of the house and the president pro tempore of the senate on the last day of April each year.

99.825. 1. (1) Prior to the adoption of an ordinance proposing the designation of a redevelopment area, or approving a redevelopment plan or redevelopment project, the commission shall fix a time and place for a public hearing as required in subsection 4 of section 99.820 and notify each taxing district located wholly or partially within the boundaries of the proposed redevelopment area, plan or project.

(2) At the public hearing any interested person or affected taxing district may file with the commission written objections to, or comments on, and may be heard orally in respect to, any issues embodied in the notice. The commission shall hear and consider all protests, objections, comments and other evidence presented at the hearing.

The hearing may be continued to another date without further notice other than a motion to be entered upon the minutes fixing the time and place of the subsequent hearing; provided, if the commission is created under ~~[subsection 3 of]~~ section 99.820, the hearing shall not be continued for more than thirty days beyond the date on which it is originally opened unless such longer period is requested by the chief elected official of the municipality creating the commission and approved by a majority of the commission.

(3) Prior to the conclusion of the hearing, changes may be made in the redevelopment plan, redevelopment project, or redevelopment area, provided that each affected taxing district is given written notice of such changes at least seven days prior to the conclusion of the hearing. After the public hearing but prior to the adoption of an ordinance approving a redevelopment plan or redevelopment project, or designating a redevelopment area, changes may be made to the redevelopment plan, redevelopment projects or redevelopment areas without a further hearing, if such changes do not enlarge the exterior boundaries of the redevelopment area or areas, and do not substantially affect the general land uses established in the redevelopment plan or substantially change the nature of the redevelopment projects, provided that notice of such changes shall be given by mail to each affected taxing district and by publication in a newspaper of general circulation in the area of the proposed redevelopment not less than ten days prior to the adoption of the changes by ordinance.

(4) After the adoption of an ordinance approving a redevelopment plan or redevelopment project, or designating a redevelopment area, no ordinance shall be adopted altering the exterior boundaries, affecting the general land uses established pursuant to the redevelopment plan or changing the nature of the redevelopment project without complying with the procedures provided in this section pertaining to the initial approval of a redevelopment plan or redevelopment project and designation of a redevelopment area.

(5) Within ten days of the adoption of an ordinance approving a redevelopment plan or redevelopment project, or designating a redevelopment area, the commission created under section 99.820 shall notify each board or body that oversees a taxing district that is partially or wholly located within the redevelopment area of the approval of the ordinance.

(6) Hearings with regard to a redevelopment project, redevelopment area, or redevelopment plan may be held simultaneously.

(7) Notwithstanding any other provision of law to the contrary, in addition to a public hearing, the governing body of a city, town, or village shall, for a thirty-day period, establish a forum for the public to comment on the proposed district. The forum may be digital, physical, or both. Comments shall be recorded and delivered to the governing body before the governing body votes on the proposed district.

(8) A city, town, or village shall post the following information on its official internet website accessible by the public and, during the thirty-day comment period, on conspicuous signs located throughout the redevelopment area:

(a) The boundaries of the proposed district by street location, or other readily identifiable means if no street location exists, and a map illustrating the proposed boundaries;

(b) The date, time, and place of the public hearing;

(c) A statement that a copy of the petition is available for review at the office of the municipal clerk during regular business hours; and

(d) A statement that all interested persons shall be given an opportunity to be heard at the public hearing.

If a city, town, or village does not have an official internet website, it shall make the above information reasonably available in its most prominent building of governance.

2. If, after concluding the hearing required under this section, the commission makes a recommendation under section 99.820 in opposition to a proposed redevelopment plan, redevelopment project, or designation of a redevelopment area, or any amendments thereto, a municipality desiring to approve such project, plan, designation, or amendments shall do so only upon a two-thirds majority vote of the governing body of such municipality. For plans, projects, designations, or amendments approved by a municipality over the recommendation in opposition by the commission formed under ~~[subsection 3 of]~~ section 99.820, the economic activity taxes and payments in lieu of taxes generated by such plan, project, designation, or amendment shall be restricted to paying only those redevelopment project costs contained in subparagraphs b. and c. of paragraph (c) of subdivision (15) of section 99.805 per redevelopment project.

3. Tax incremental financing projects within an economic development area shall apply to and fund only the following infrastructure projects: highways, roads, streets, bridges, sewers, traffic control systems and devices, water distribution and supply systems, curbing, sidewalks and any other similar public improvements, but in no case shall it include buildings.

99.843. Notwithstanding the provisions of sections 99.800 to 99.865 to the contrary, no new tax increment financing project shall be authorized in any greenfield area, as such term is defined in section 99.805[~~that is located within a city not within a county or any county subject to the authority of the East-West Gateway Council of Governments. Municipalities not subject to the authority of the East-West Gateway Council of Governments may authorize tax increment finance projects in greenfield areas~~]."; and

Further amend said bill, Page 3, Section 99.845, Line 75, by deleting said line and inserting in lieu thereof the following:

"January 1, 1998;

(4) The board or body that oversees a taxing district, as that term is defined under section 99.805, may elect to have fifty percent of the property or sales taxes levied by such district excluded from a tax increment allocation financing project or plan by passing a resolution by two-thirds majority no later than sixty days after the project or plan is adopted or approved by ordinance. The vote may occur before the ordinance is adopted. At least ten days prior to the vote on the resolution, the board shall post notice of and hold a public hearing. If the resolution passes, the board shall notify the director of revenue, the county collector, and every other taxing district in the redevelopment area. If the resolution passes, subdivision (2) of this subsection shall not apply to fifty percent of the tax levied by the taxing district, and fifty percent of the revenue from such tax shall be allocated to the district and shall not be allocated to redevelopment costs and obligations; and

(5) A school board of a school district may elect to have fifty percent of the portion of property tax revenue allocated to the school district by a county or municipality excluded from a tax increment allocation financing project or plan by passing a resolution by two-thirds majority no later than sixty days after the project or plan is adopted or approved by ordinance. The vote may occur before the ordinance is adopted. At least ten days prior to the vote on the resolution, the board shall post notice of and hold a public hearing. If the resolution passes, the board shall notify the director of revenue, the county collector, and every other taxing district in the redevelopment area. If the resolution passes, subdivision (2) of this subsection shall not apply to fifty percent of the percentage of property tax revenue equal to the average percentage of property tax revenue allocated to the school district over the preceding five years, and such percentage of revenue attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract, or parcel of real property within the redevelopment project area shall be allocated to the school district and shall not be allocated to redevelopment costs and obligations."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.
